VOTING MACHINE PROPOSITION ELECTION

Note: Voter's Signature To Be Affixed on the Reverse Side.

Many citizens of Tarrant County have requested the Commissioners Court of Tarrant County to purchase and place in use voting machines to be used in all General and Special Elections in Tarrant County, and many have expressed opposition to such action by the Court. Since it is estimated the minimum cost of the voting machines that will be needed and that will meet the approval of the Secretary of State (as the law requires) will be *$1,550,000.00 and the land and building in which to store such machines, a minimum of $426,000.00, or a total of *$1,976,000.00, the Commissioners Court is reluctant to spend such a sum of tax money without an expression of the wishes of all the tax payers of Tarrant County. Therefore the issue is submitted to be voted on by property tax payers whose property is on the tax roll of Tarrant County subject to taxation.

Only tax paying voters who have property on the tax rolls of Tarrant County subject to taxation are requested to vote on the following propositions:

FOR the purchase and use of voting machines in all general and special elections to be held in and throughout Tarrant County at an estimated minimum cost of *$1,976,000.00.

AGAINST the purchase and use of voting machines in all general and special elections to be held in and throughout Tarrant County at an estimated minimum cost of *$1,976,000.00.

*The above figures are based upon the use of said voting machines by both political parties.
