TO FIND NAME BY THIS INDEX TABLE—Find FIRST LETTER of SURNAME, which are printed in alphabetical order at top of Column Divisions in large type. In the same Column, underneath, find initial letter of first GIVEN NAME, and the figures following indicate page on which name should be found. Treat first principal word of Association, Corporation, or Firm Name, as Surname and second principal word as Given Name.

TO FIND NAME BY THIS INDEX TABLE—Find FIRST LETTER of SURNAME, which are printed in alphabetical order at top of Column Divisions in large type. In the same Column, underneath, find initial letter of first GIVEN NAME, and the figures following indicate page on which name should be found. Treat first principal word of Association, Corporation, or Firm Name, as Surname and second principal word as Given Name.

TO FIND NAME BY THIS INDEX TABLE—Find FIRST LETTER of SURNAME, which are printed in alphabetical order at top of Column Divisions in large type. In the same Column, underneath, find initial letter of first GIVEN NAME, and the figures following indicate page on which name should be found. Treat first principal word of Association, Corporation, or Firm Name, as Surname and second principal word as Given Name.

TO FIND NAME BY THIS INDEX TABLE—Find FIRST LETTER of SURNAME, which are printed in alphabetical order at top of Column Divisions in large type. In the same Column, underneath, find initial letter of first GIVEN NAME, and the figures following indicate page on which name should be found. Treat first principal word of Association, Corporation, or Firm Name, as Surname and second principal word as Given Name.

TO FIND NAME BY THIS INDEX TABLE—Find FIRST LETTER of SURNAME, which are printed in alphabetical order at top of Column Divisions in large type. In the same Column, underneath, find initial letter of first GIVEN NAME, and the figures following indicate page on which name should be found. Treat first principal word of Association, Corporation, or Firm Name, as Surname and second principal word as Given Name.

TO FIND NAME BY THIS INDEX TABLE—Find FIRST LETTER of SURNAME, which are printed in alphabetical order at top of Column Divisions in large type. In the same Column, underneath, find initial letter of first GIVEN NAME, and the figures following indicate page on which name should be found. Treat first principal word of Association, Corporation, or Firm Name, as Surname and second principal word as Given Name.

TO FIND NAME BY THIS INDEX TABLE—Find FIRST LETTER of SURNAME, which are printed in alphabetical order at top of Column Divisions in large type. In the same Column, underneath, find initial letter of first GIVEN NAME, and the figures following indicate page on which name should be found. Treat first principal word of Association, Corporation, or Firm Name, as Surname and second principal word as Given Name.

TO FIND NAME BY THIS INDEX TABLE—Find FIRST LETTER of SURNAME, which are printed in alphabetical order at top of Column Divisions in large type. In the same Column, underneath, find initial letter of first GIVEN NAME, and the figures following indicate page on which name should be found. Treat first principal word of Association, Corporation, or Firm Name, as Surname and second principal word as Given Name.

TO FIND NAME BY THIS INDEX TABLE—Find FIRST LETTER of SURNAME, which are printed in alphabetical order at top of Column Divisions in large type. In the same Column, underneath, find initial letter of first GIVEN NAME, and the figures following indicate page on which name should be found. Treat first principal word of Association, Corporation, or Firm Name, as Surname and second principal word as Given Name.

TO FIND NAME BY THIS INDEX TABLE—Find FIRST LETTER of SURNAME, which are printed in alphabetical order at top of Column Divisions in large type. In the same Column, underneath, find initial letter of first GIVEN NAME, and the figures following indicate page on which name should be found. Treat first principal word of Association, Corporation, or Firm Name, as Surname and second principal word as Given Name.

TO FIND NAME BY THIS INDEX TABLE—Find FIRST LETTER of SURNAME, which are printed in alphabetical order at top of Column Divisions in large type. In the same Column, underneath, find initial letter of first GIVEN NAME, and the figures following indicate page on which name should be found. Treat first principal word of Association, Corporation, or Firm Name, as Surname and second principal word as Given Name.

TO FIND NAME BY THIS INDEX TABLE—Find FIRST LETTER of SURNAME, which are printed in alphabetical order at top of Column Divisions in large type. In the same Column, underneath, find initial letter of first GIVEN NAME, and the figures following indicate page on which name should be found. Treat first principal word of Association, Corporation, or Firm Name, as Surname and second principal word as Given Name.

TO FIND NAME BY THIS INDEX TABLE—Find FIRST LETTER of SURNAME, which are printed in alphabetical order at top of Column Divisions in large type. In the same Column, underneath, find initial letter of first GIVEN NAME, and the figures following indicate page on which name should be found. Treat first principal word of Association, Corporation, or Firm Name, as Surname and second principal word as Given Name.
