 Question First: Are there any appeals? None.

Question Second: Are there any complaints? None.

Question Third: Is there a written report of the no. and state of Sunday Schools and of the pastoral instruction of children? The preacher in charge submitted the following which was adopted.

To the Presiding Elder and Members of the Grapevine Circuit
Dear Brethren:

We have on the Circuit only one Sunday School which is at Minter's Chapel. This appointment, though one of the oldest and in point of membership the strongest in the bounds of the circuit has never before had a Sunday School conducted exclusively under Methodist auspice. Brother Crowley, who was elected its superintendent, has discharged the duties of the office with a zeal and earnestness that is truly commendable and his success has so far surpassed the most sanguine expectations of the church. Truly the Sunday School is the nursery of the Church, and this school though young has already made its mark for good and through its influence I am satisfied the morals of the community will continue to improve.

Union Sunday Schools have been thoroughly tested on this Circuit and every effort as far as I have been informed has proved a signal failure. They flourish for a time, but for want of interest and a united leader they soon come to naught.

The Preacher in Charge has not preached on the subject of Sunday Schools, nor has he urged their importance in the social circle as he should have done. He confesses his fault, asks pardon and promises amendment.

The Christian world is thoroughly aroused on the subject of Sunday Schools and our sister churches are thoroughly awake to their importance and are using every effort in their power to excel in the laudible enterprise. It therefore behooves us as Methodists to adhere strictly to the Discipline teachings upon this point; we should organize Methodist Sunday Schools whenever ten children can be found. The language of Catholicism is "give me the children of your country to educate and I ask no more."

If all the appointments on the Circuit will rally to the Sunday School banner, they will soon have Sunday Schools that will be a credit to themselves and greatly promote the interests of the Church.

All of which is respectfully submitted./s/ Saml S. Cobb, P.C.

Question Fourth: Are there any applications for license to preach or exhort? None.

Question Second: Are there any applications for recommendation to be admitted in the traveling connection? None.

Question Third: Are there any applications of local preachers for deacons or elders? None.

Question Fifth - Are there any applications for renewal of license? G. W. Minter's character passed and his license renewed. G. W. Hamm's character passed and his license renewed. Sam'l Milburn's character passed and license renewed, S. B. Austin's character passed and license renewed, and Foster Harris' character passed and license renewed.

Question Sixth - What is doing for the cause of Missions? No report.

Question Seventh - What is the general state of the Church? The preacher in charge submitted the following which was adopted.

To the Presiding Elder and Members of the Grapevine Circuit
Dear Brethren

Eighty nine members have been received into the Church since our last session. Sixteen adults and six children have been baptized, one member has died and four have removed by letter and one has joined the Baptist Church. The total

number received this year is one hundred and two and the net increase is one hundred.

Grapevine Class	consists of	90	72	members
Minter's Chapel Class	" "	91	122	"
Sansons Class			37	"
Birdville Class			28	"
Willow Springs Class			22	"
Pleasant Hill Class			19	"
Roster's School House			17	"
			<u>317</u>	"

So you see from these figures we have increased this year 1/3 over the original number.

I regard the circuit in a spiritual point of view as in decidedly prosperous condition.

The members with one or two exceptions are at peace with each other and all seem anxious for the prosperity of Him.

The appointments during the year have been very well attended and the congregations, as a general thing respectful and attentive. Several backsliders have been reclaimed, who for years had been dead in the Church; but thank God they are alive again and bid fair to be useful in the future.

In regard to pastoral visiting, the preacher in charge acknowledges with regret that he has not fully discharged his duty. There may be those on the circuit who have suffered for this private council sympathy and encouragement. He has tried however after some sort to visit the sick assist the needy and bury the dead, but has been remiss in much that pertains to the interest of his flock, for which he professes contrition. May the Lord forgive. Prayer meetings have been kept up regularly only at two appointments in the work (Grapevine and Minter's Chapel). In this the brethren have been very much at fault, they offer however, as an excuse for this omission of duty, that we have no houses for our own in which to worship, which I regard as a lame excuse. Private houses in my opinion are very appropriate places for neighbors and friends to meet with their little ones and offer up prayers to God.

Class meetings have also been equally neglected but few have been held besides those conducted by myself, and as circumstances have not admitted my engaging in them as often as I would like to have done. The Class meeting is an institution that I love, for with it are associated some of the happiest moments of my life. I love it because it is one of the distinctive features of Methodism and I love it because of the untold good that has accrued to the Church through its instrumentality. I believe inseparably connected with the interests and future success of the Church. There is nothing like it for building up binding together and carrying on practical experimental piety. And when the Methodists as people abandon the practice of meeting together in class, we will soon have a stale lifeless Church organization as some others I might mention.

In other words we will have the form of Godliness without the power, from such results may the Lord deliver us.

All of which is respectfully submitted. /s/ Saml S. Cobb

DUEL

CLEBURNE CHRONICLE, December 12, 1868: "A duel was fought in Texas lately by Alexander Shott and John S. Nott. Nott was shot, and Shott was not. In this case it was better to be Shott than Nott. There was a rumor that Nott was not shot, but Shott swears he shot Nott, which proves that the shot Shott shot at Nott was not shot or that Nott is shot, not withstanding."

Miss Patricia Chadwell (Southwest History and Genealogy Room, Ft. Worth Public Library) has made the following list from the "United Daughters of the Confederacy-United Confederate Veterans Papers" in the Manuscript Collection.

"An applicant for membership in the United Confederate Veterans was required to write an account of military service and give the names of two witnesses who could substantiate his story."

Written by the members (age ca 50 yrs) of R. E. Lee Camp #101, United Confederate Veterans, Fort Worth, Texas during the "gay nineties" these "Descriptive Lists" contain much genealogical data. Name and place of birth are given here. A verbatim copy.

Amanda F. Gomer Shilling was possibly born in Texas. She was the daughter of James Frederick and Anna M. B. Gomer of Sabine County Texas. The Vincent Shilling family are found in the 1860 Sabine Parish, La. census for 1860 and 1870. The 1880 Census of Navarro County, Texas locates this family in Texas. FORT WORTH STANDARD, Fort Worth, Texas Volume III, June 3, 1875, Number 3:

"Tribute of Respect. To the officers and members of Johnson Station Lodge, No. 199, I.O.O.F.: Your committee, to whom was assigned the melancholy duty, of drafting resolutions--expressive of the sense of this Lodge, caused by the death of brother P. N. Sigler, P. G., on the 2nd of May, beg leave to report the following resolution:

Whereas, It has pleased Almighty God 'in whom we trust' to call on the 20th of May from the Lodge below to the Grand Lodge above our late beloved brother P.N. Sigler, P. G., of Johnson Station Lodge No. 199, I.O.O.F. Therefore be it

Resolved, That in the death of brother P.N. Sigler, our Lodge and Order, have lost a good citizen, and his family, a dutiful son, a kind and affectionate husband, and a devoted father.

Resolved, That while we deeply sympathize with his affectionate family and friends in their great bereavement we are fully assured that our loss is his eternal gain.

Resolved, That a page of our minute book, be set apart for the Recording of the report of your Committee, and that the members of the Lodge wear the usual badge of mourning, for thirty days.

Resolved, That a copy of the above resolution be furnished the family of our deceased brother, by the Secretary under the seal of the Lodge and that the Fort Worth Standard, Democrat, and Dallas Herald be requested to publish the same. Submitted in F. L. & T.; committee: W. E. Wallsell, E. J. Brinson, W. A. Bledsoe."

FORT WORTH STANDARD, Fort Worth, Texas, Volume III, Thursday, July 15, 1875, Number 10

"Died- In the vicinity of Fort Worth on the night of the 12th inst., Mrs. Maggie Inge, the wife of Dr. J. J. Inge. Mrs. Inge had been laboring under that fatal disease (consumption) for some months, and her death was not unexpected."

FORT WORTH STANDARD, Fort Worth, Texas, Volume III, Thursday, June 24, 1875 Number 6:

"A Carnival of Blood, A Man Shot in his Bed while Asleep, Escape of the Assassin- June Peak, the Marshal, received news of a terrible murder and kindly furnished us the following details concerning it. On Tuesday night last, Mr. C. W. Wood, of the firm of Cates & Wood, Decatur, Wise county, was shot and killed, while asleep in his bed, by a man named Crockett. The assassin was prompted to the deed by a desire of revenge, but mistook his man and killed in his place his partner. Crockett had been confined in the jail by Cates (the partner of Mr. Wood) who was Sheriff of the county, and during his incarceration swore to kill Cates if he ever got out. Filled with a desire of Cates' life, he took the first opportunity after his release to accomplish his hellish design, and shrouded by darkness and at the hour of midnight, he, with stealthy steps, approached the house of the victim, who as he supposed was in his bed. Carefully, he raised a window, and by the dim light he discovered what he supposed was Cates. He leveled his deadly pistol and fired, the ball taking deadly effect, and in the darkness escaped. He did not wait to see if the man he shot was his enemy, but fled. His wife, on being questioned, gave the information as regards his desire to kill Cates. Mr. Woods was a highly respected citizen, and his loss is deeply felt in the community....Dallas Commercial."

RECOLLECTIONS OF EARLY DAYS IN TEXAS
by Elder John A. Freeman

I crossed Red River into Texas north of Bonham about the 1st of November, 1845. There was a little town a mile or two from the river, but I don't recollect its name. I was then just entering my twenty-fifth year, full of life and full of hope, and an earnest desire to preach Christ in this new and strange land, for it was for this I came to Texas. Very soon we took the direct route to the "Three Forks of the Trinity River," as it was then called. There were a few settlements along the way, sometimes with miles between. Not far from the East Fork of Trinity we passed Col. Geary's place, where there was a company of rangers stationed. At that time they were a wild, rough looking set of men, some of them were dressed in buckskin, and some of them wore coonskin caps; some of them were drinking bad whisky and some of them were playing cards. In this way they spent their time when not in pursuit of the Indians, who came in every now and then to commit deprivations on the settlers. From Rowlett's Creek to the Elm Fork of the Trinity there were no settlers; nothing to be seen but bands of wild horses and droves of deer and antelope. We crossed the last named stream about the 15th of November, 1845, six miles west of Elm Fork, at the house of James Gibson; myself and wife were taken in and cared for. Bro. Gibson was deacon of the Baptist church. To him and his wife we were indebted for many acts of kindness, and until death they were our true and tried friends. I found here a dozen or more families and among them ten or twelve Baptists, and others came in. Elder Joshua Hodges, an ordained Baptist minister, moved into the neighborhood a short time before I did and had an appointment to preach at Bro. Gibson's house. Here I preached my first sermon. I never shall forget that day while memory holds its place. Nearly all the people turned out to hear preaching. We commenced by singing some good songs. There was a deep solemnity prevailing the entire congregation and many shed tears at the end of the service. My text that day was I Peter, 3:12, "For the eyes of the Lord are over the righteous and His ears are open unto their prayers, but the face of the Lord is against them that do evil." The thought that we tried to impress upon the minds of God's children was, that He who had heard their prayers in other days, was able to hear them now, and to shield them from every foe, both seen and unseen.

In a few weeks after this I first met Elder David Myers. He was a good preacher and one of the most lovable men I ever met. He did much to establish the Baptist cause in Dallas County. He held many revival meetings and was instrumental in winning many souls to Christ. In the midst of his usefulness he was called from his home below to his home in heaven. Eld. J. M. Myers, his son, is too well known by the Baptists of Texas to need any commendation from me. I assisted at his ordination and we labored together in many protracted meetings, saw many souls converted and have many times been made to rejoice together.

Lonesome Dove church was organized with twelve members. All of them have passed down the river, except myself and two others. We will soon follow on.

The third Sunday in July, 1846, I was ordained to the full work of the gospel ministry, and that evening, amid much rejoicing, I baptized three candidates, two of whom are yet living, Bro. A. J. Foster, of Lonesome Dove Church, and Perry Malone, of Azusa Church, Los Angeles County, California. And this reminds me that some of those that I have buried with Christ in baptism, are scattered all along the way from Texas to Oregon. Many of them have done, and are doing good service for the Master, while many others have gone to join the "general assembly and church of the first born." In the spring of 1846 I first met Elder N. T. Byass. He was a man of great energy, and perhaps did more to establish the cause of Christ on the frontiers of Texas, and assisted in establishing more Baptist churches than almost any one that ever labored on this field. I labored with him in several meetings, and learned to love him. But he is gone to his better home, and we say, in the words of another, "Servant of God, well done; the battle's fought, the victory won."

Elder A. J. Halford I knew from the time he was about 12 years old. I saw him converted, received him into the church, and baptized him. From that day I was satisfied that he would make a preacher. His work for 26 years previous to his death, fully confirmed that impression. He did more work and received less remuneration than any minister I ever knew. He was beloved by all who knew him and has gone to receive a "crown and kingdom" where "the wicked cease from troubling, and the weary are at rest." Eld. W. W. Harris, who was called "the Spurgeon of Texas," was converted at one of my meetings on Bear Creek, Tarrant County. He was from the first a wonderful boy. I heard him make his first effort, and did all I could to help him in his great work, which I hope was not lost labor. I am aware that nothing that I can say will add to the luster of his name.

I have just received the Fort Worth Gazette, from which I learn that Elder V. J. Hutton died near Collinsville, on the 13th of January, 1892. He was a noble character in the early days of Texas. I will relate an incident to show the power of divine grace. Mr. Hutton had a difficulty with a young man named Pleasant Smith. Everyone was expecting one or the other to be killed. Just at this time I was holding a meeting in the Crowley settlement. Hutton and Smith were both there. They were both convicted of sin, both came up for prayer, and in a short time they were both converted, and embraced each other and wept like children. They were friends ever after. I baptized both of these brethren, and many others at the same time. I think this was one of the most powerful meetings that I have ever held. There were influences for good set in motion then, that have been going on ever since, and like the waves of the sea, will go on and on forever. Glory to God, for the power of divine grace. (The following material is from the files of Dr. Martin H. Hall, Dept. of History, University of Texas at Arlington, Arlington, Texas, 76101. Dr. Hall is working on a book on the Arizona campaign which has led to his gathering muster rolls of Confederate Units around the state. Anyone having information on any of these men are requested to contact Dr. Hall.)

Thomas O. Moody enrolled his company in Mansfield, Tarrant County, on October 26. The unit was mustered into Confederate service "for the war" at San Antonio as Company K, Seventh Regiment Texas Mounted Volunteers (Cavalry) on November 15, 1861. Company K, although a part of Sibley's Army of New Mexico remained behind in San Antonio to serve as an escort to the brigade paymaster. The unit was still in San Antonio as late as March 12, 1862, and thus did not take part in the New Mexico Campaign proper. Company K arrived in Confederate Arizona sometime in April or May, 1862, and formed part of Colonel William Steele's rear guard which evacuated Arizona and far West Texas in July, 1862.

THE WAY STATION

Several newsletters on family surnames are now being printed and should prove to be excellent sources of research. The following have passed over the editor's desk:

"Wyatt Newsletter" - Mrs. Edith W. Brown, 1717 S. Willis St., Abilene, Texas, 79605, six pages of material, white paper, mimeograph, bi-monthly, subscription \$1/yr.

"Knight Letter" - Genealogical Indexes, 2108 Grace St., Fort Worth, Texas, 76111, six pages of material, offset printing, white paper, quarterly, subscription \$3/yr.

"Hankins Herald" - Genealogical Bi-Ways, 1420 Roma Lane, Fort Worth, Texas, 76134, six pages of material, grey Topsham, mimeograph, quarterly, subscription \$3/yr.

"The Baillio Newsletter" - Mrs. Jake Wilson, Box 281, Hillsboro, Texas, 76645, quarterly, subscription \$2/yr, white bond.

"Haynes Eagle" - Mrs. Miles S. Quinn, 81618 N. Davison Rd., Creswell, Oregon, 97426, quarterly, mimeograph, white bond, subscription \$4/yr.

#####

Of all the genealogy columns now appearing in newspapers throughout the United States, the one written by Schuyler C. Brossman, Box 43, Rehrersburg, Pennsylvania, 19550 is certainly superior. Called "Our Keystone Families," it appears in the Lebanon Weekly News, Lebanon, Pennsylvania. Subscription to the newspaper is \$5/yr. Brossman includes much data of interest to the genealogist such as helpful hints on research in his area, articles on wills, historical societies, orphans court records, letters of administration, inventories of estates, family reunions, maps, genealogy and postage stamps, reviews, queries, etc. This column has just entered its second year, and it is now read in all parts of the country. A column of this type needs to be reprinted in book form, and a writer of Brossman's caliber should branch out into greater literary endeavors.

Another publication that should interest persons with Pennsylvania ancestry is "Central Pennsylvania Genealogy Magazine." Published by Miss Mary Bell Lontz, 608 Broadway, Milton, Pennsylvania, 17847, it contains important data on this section of the state. Subscription rate is \$6/yr, and included in the formats are cemetery records, courthouse records, church records, marriage records, queries, etc. Each issue contains about 30 pages, and it is published in March, June, September, and December.

Have you seen a copy of "Linkage for Ancestral Research?" Edited and published by Mrs. Frank N. Reeder, 2900 Espanola NE, Albuquerque, New Mexico, 87110, it is the original coordinating publication for genealogical organizations. Contents are indexed in the "Genealogical Periodical Annual Index."

Mrs. Robertalee Lent, P. O. Box 1067, Pinehurst, Idaho, 83850 and Mrs. June B. Barekman, 3302 West Diversey, Chicago, Illinois, 60647 are the publishers of a monthly magazine called "Genealogical Reference Builders Newsletter." It is the only monthly of its kind and contains data from all states. The latest issue contains Posey Co., Indiana marriages, 1820 census of Greene Co., Pennsylvania, Maryland Muster Rolls, Dillahunty Cemetery (Henry Co., Tennessee), Linn County (Iowa) map, Rowan Co. (North Carolina) tax list, Linn Co. (Iowa) marriages, Mason Co. (West Virginia) wills, etc. There are over 50 pages in this issue, and each issue seems to improve on both quality and quantity.

CRITIQUE TEJAS

BIOGRAPHICAL SOUVENIR OF THE STATE OF TEXAS, published by F. A. Battey Co., Chicago, 1889. The preface of this volume gives a clear insight into the importance of this publication.

"Until quite recently but little attention has been given to the preservation of biography, except in so far as it pertained to the preferred classes - persons who had been prominent in governmental affairs, or distinguished in their profession or calling, or in some way made conspicuous before the public.

Within the past decade, however, there has been a growing demand from the popular classes for the preservation, not only of biography, but of family genealogy, not altogether for its immediate worth, but for its future value and a laudable pride in its perpetuation for coming generations.

That the representative public, as well as the more illustrious citizen, is entitled to the privileges and benefits afforded by a work of this kind needs no assertion at our hands, for one of our greatest Americans has said that the history of any country resolves itself into the biographies of its stout, earnest, progressive and representative citizens. This medium then serves more than a single purpose; while it preserves biography and family genealogy, it records history that probably would not be preserved in any other way; the expediency, therefore, of placing biography and genealogy in book form is beyond question.

The difficulties experienced by the collectors in gathering the material for this volume, forcibly illustrates the necessity for works of this character; in a majority of cases it is found that nearly all reliable trace of ancestry is lost back of the grandfather and grandmother - even in many families where prominence and intelligence would seem to guarantee better things.

No pains have been spared to make the facts to be found within these covers accurate. With but few exceptions the

material has been gathered from those most immediately interested and then submitted in typewritten form for correction and revision."

Mrs. A. C. Dodson, Route 1, Box 52, Poolville, Texas, 76076
talks about

THE DODSONS OF TEXAS

One Charles Dodson received a third class unconditional certificate for 320 acres of land from the Republic of Texas, County of Panola, on 6 September 1841 stating that he arrived in the Republic of Texas in December of 1839 and that he was a single man. Charles Dodson (Junior) married Sarah Ann Curlin on 26 September 1841 in Panola County, Republic of Texas, recorded in Harrison County, Texas marriage records, Vol. 2, page 14. One Charles Dodson was granted 640 acres of land situated in Harrison District, Upshur County, Texas by virtue of unconditional certificate #85 issued 7 August 1843. On 19 January 1846, one Charles Dodson received a land patent for 320 acres of land situated in Harrison County, Texas. On 20 May 1846, there is a deed from Charles Dodson (Junior) to H. B. Kelsey for 640 acres of land, when it shall be surveyed, situated in the Republic of Texas, County of Harrison, which is the headright

certificate of "my" father Charles Dodson (Senior) deceased. There is also a deed from Elijah Dodson to Charles Dodson, County of Upshur, State of Texas, releasing to "my" uncle, Charles Dodson, all my right, title, interest, and claim in and to the estate both real and personal of Charles Dodson (Senior) deceased, being the father of the said Charles Dodson, dated 2 December 1850.....signed - E. R. Dodson.

According to the 1850 Upshur County, Texas census, Charles Dodson, Jr. was born about 1818 in Alabama and his wife, Sarah Ann Dodson (nee Curlin), was born about 1820 in Tennessee. The above Elijah R. Dodson is residing in their household and gives his birth year and place as 1830 in Tennessee. Also, there is a female M. A. Dodson, born about 1823 in Alabama whom I assume to be a sister to the head of the household, Charles Dodson, Jr. However, I have no proof, and no further record of her has been found. The known children of this marriage are as follows: Nettie A. Dodson, William Robert Dodson, Eliza Jane Dodson, Charles Hallen Dodson, and Frances (female. Margaret and Nancy Dodson were probably children of this union.

According to the records of Mrs. Florine Sparks, Mrs. C. O. Anderson, the 1840 Tuscaloosa County, Alabama census, the 1850 Walker County, Alabama census, and the 1860 Titus County, Texas census - Elijah R. Dodson is the son of R. Thomas W. Dodson, born about 1811 in Tennessee. (Issue of R. Thomas W. Dodson and wife, Frances: Elijah R. Dodson, Francis Dodson, John R. Dodson, Elizabeth Dodson, Adaline Dodson, Sarah B. Dodson, Dovie A. Dodson, Hellen Dodson, Doc Charles Thomas Dodson, Joel Franklin Dodson, and Louisa Dodson.)

From the above records we know that this branch of the Dodson family was located somewhere in the state of Tennessee in 1811, somewhere in the state of Alabama in 1818, 1823, and probably until late 1839, and that they arrived in the Republic of Texas (Panola/Harrison?Upshur District) in December, 1839. We know that Charles Dodson, Sr. was deceased by 20 May 1846 and that he was the father of at least the three children referenced above: R. Thomas W. Dodson, Charles Dodson, Jr., and the female, M. A. Dodson. However, we need to know who the mother of these children was, when and where she died (Alabama or Texas), were there other children in addition to the three listed above, who were the parents of Charles Dodson, Sr., who were the parents of Sarah Ann Curlin, where in Alabama was this family located prior to coming to the Republic of Texas. There is a Charles Dodson listed as head of a household in Walker County, Alabama in 1830, and R. Thomas W. Dodson is shown as the head of a household in 1850. Records for Walker County, Alabama prior to 1878 have been destroyed.

We know from additional land records of Upshur County, Texas that Charles Dodson, Jr. and his family sold their various land holdings in Upshur County, Texas, in 1856 and moved to Azle, Texas (which is cut in half by Parker and Tarrant counties where presumably he purchased land and also put in some kind of "wood shop." However, no land records have been found to date for Charles Dodson, Jr. who died here sometime between 1856-1861. The 1860 Tarrant County, Texas census records were destroyed and the family cannot be found on the 1860 Parker County, Texas census.

I do have a copy of "An Application by Sarah Ann Dodson for 160 acres of land within the limits of the Mississippi and Pacific Railroad Reserve in Parker County, Texas, dated 31 March 1860 and stating that she has been a bona fide settler upon this vacant land since 26 August A. D. 1856 and said settlement embraces her improvements." This application does not state if she is a "Mrs." or a "widow." Family legend indicates that she was cheated out of her land after her husband's death, and she and her small children returned to East Texas somewhere and stayed with relatives until the Civil War ended at which time they returned to Parker County where she remained until her death in 1904. A son, Charles Hallen Dodson, resided in Parker County from their return at the close of the Civil War until his death in 1937 (Issue of Charles Hallen Dodson and wife, Sarah Gemima Plumlee: Mary E., Charles Robert, Nora, William Monroe, Lucy Jane, James Martin, Milburn, Chellie Ann and Gertie Pearl.)

R. Thomas W. Dodson, per the above cited census records, did not come to Texas until between 1852 and 1857 settling in Titus County, Texas at that time (where he appears on the 1860 census). His death date and place is unknown. He was born in Tennessee and had children born here between 1830 and 1837. Other children were born in Alabama between 1839 and 1852, and his youngest child was born in Texas in 1857. Three of his sons served in the Confederate Army. Elijah R., Francis and John R. all enlisted in Upshur County. (Charles Dodson Junior had one son, William Robert Dodson, who served in the Civil War, and he also enlisted in Upshur County.)

They were said to have gone to Grayson County, Virginia, and at one time were in Green County, Kentucky. From Kentucky, they made their way down to Missouri and Texas.

MARTIN, BAINÉ, BAGLEY, BARRON, MATTHEWS, MEREDITH, ALLEN, BAGLEY, JOLLEY

Who were the parents of Isabella W. Martin, born Mississippi, 16 March 1847, died Rusk, Texas, 30 November 1918. She was orphaned as a very small child, either in Alabama or Mississippi or shortly after she and three other of five known children arrived at Knoxville, Cherokee Co., Texas in 1853. She was reared by an older sister, Jane (Martin) Baine, a widow by 1860. Isabella Martin married S. O. Bagley in Cherokee Co., Texas, 12 September 1867. Brothers and sisters were: William, oldest child, born about 1824/26 in Alabama, died in Alabama at age 72, after 1890 (Where did he live?); Josiah C. (Cal?), born Alabama, about 1828, believe he was in 1850 census of Tishomingo Co., Miss. living with Britton B. Barron who also came to Knoxville, 1853; Jane (Martin) Baine (Who was her husband?); James M. Martin, C. P. Minister, said to have been born Marion Co., Ala., 15 August 1841, moved in 1846 with parents to Pontotoc Co., Miss., thence to Cherokee Co., Texas, 1853. A number of Martin families, very closely related, came to Texas in 1853 from Lawrence Co., Ala. and Tishomingo Co., Miss. along with Barrons, Matthews and others. By 1860, some were in Johnson Co., Texas.

Daniel Coleman Meredith, born South Carolina, 1805, moved to Nacogdoches Co., Texas, January, 1837, died here in 1868. Known brothers were: Abraham, born S. C. cal794, lived Pendleton Dist., later Anderson Co. where he was after 1879; John, married (where?) Sarah Allen and in 1837 lived Kentucky and had one child, Martha Frances, (Where did he live in Ky.?). Other brothers were thought to have been William, born S. C. cal795, to Arkansas by 1829, to Texas by 1848; David; James; Samuel; and perhaps Jesse. Who were the parents of Abraham, John and Daniel Coleman Meredith? Would appreciate any data on Samuel Meredith who was in 1800 census of Pendleton Dist., S. C. (Meriday). Is he the Samuel who was in 1790 census Surry Co., North Carolina?

Robert Hubbard (Hubert?) Bagley, born Georgia, cal815, died Cherokee Co., Texas, 1877, married Louisa Jolley of Baldwin Co. cal841/42 to Panola Co., Miss. and to Texas, 1859. Was he a son of William Bagley of Hancock Co. (1820 census) and Putnam Co., Ga. (by 1827). Brothers of R. H. Bagley believed to have been Davis; James; William S. (Sherod?); Thomas; Daniel S. and perhaps Lewis Bagley who died Baldwin Co. prior to 1860, and whose widow and children moved cal870 to Lockart, Texas. What was the relationship of Nathan Bagley, born N. C., 1787, early

in Ala., and who eventually lived Talladega Co., Ala. to the family above? Some of this family moved to Rusk Co. ca1850.

Will exchange.

McWHORTER, HARDIN, MAY, DUNKS, YARBROUGH, JAMES, BLACKBURN, McLEMORE

Jesse D. McWhorter was born on Dec. 20, 1859, son of John McWhorter and Mary Jerusha Hardin. Both families were from Georgia. John and Mary (Hardin) McWhorter were married in Texas. She was born about 1839 and was a cousin of the outlaw, John Wesley Hardin. John McWhorter is said to have been kin to the parents of Jesse Woodson James (1847-1882), also an outlaw. (Note: Jesse Woodson James was born in Missouri and was about 12 when Jesse D. McWhorter was born in Texas.) Mary was the granddaughter of Jerusha Blackburn and Swan Hardin. Both she and her husband lived in Liberty Co., buried in the Huffman Cemetery, Harris Co. She inherited land in both counties from the Hardins.

Issue: Jesse D. McWhorter, born Dec. 20, 1859, died Nov. 27, 1918, married Virginia Temperance May, born 1864, Fayetteville, N. C. She was the daughter of John May and Susan Dunks. John May was shot across the San Jacinto River and his widow married 2nd, Albert Smith. Virginia T. May was a baby and was carried on a pillow from N. C. to Mansfield, Louisiana where the Mays lived a while before coming to Huffman, Texas; James Edison was a doctor in Houston, had two sons, Edison and Cullin; Mary married???? McLemore, lived at Paxton, Shelby Co., had one son, Gus who was named for A. B. (Gus) Hardin and a daughter, Carrie. Who were the parents of John McWhorter and Mary Jerusha Hardin? Susan Dunks is said to be the daughter of Levi Dunks and Susan Yarbrough. John May (born about 1840) is said to be a Junior. Can anyone verify this or assist with the other family lines?

ABSTRACT OF LAND TITLES OF TEXAS
Comprising the Titled, Patented and Located Lands
In the State.
Volume II.

Photo-copied by Mrs. Helen Gomer Schluter (owner of the Land Books)

State of Texas
Comptroller's Office, Austin

In accordance with "An act to provide for the recompilation of an abstract of the located, titled and patented lands in Texas," approved March 19, 1875, the following Abstract is published.

All lands patented or located up to August 21, 1877, are included in the present edition.

It is deemed proper to state that in a work of the magnitude of the following there necessarily must be errors which have escaped the notice of the Land Office. All errors that may be detected by parties interested should be reported to the Land Office, in order that the proper corrections can be certified to the counties in which the lands are situated.

Where a grant of land lies in two or more counties, the name of the original grantee appears in the Abstract of each of the counties, with the whole number of acres in the grant. Foot notes, with letter references, show the fractional parts of the grant in the counties respectively.

The Abstract should be regarded by assessors as authority in questions relating to the quantity of land in each of the counties; as the approximate quantity is all that should be required.

In some instances the date of the patent, as stated in the Abstract, does not correspond with the patent as issued. In some of the cases the Abstract gives as the date of patent the date on which the claim was passed for patenting.

As the edition printed for the use of the State is limited, all officers who may be furnished with copies of the abstract should preserve the same carefully, and turn them over to their successors.

STEPH. H. Darden, Comptroller.

I now tender you my services and if accepted will raise the number of men required and will report myself accordingly the men can be raised immediately, well mounted and armed with Rifles

As to my qualifications I refer you to Lt. Col. JR Baylor, who is at this time in your city

August 12th 1861

Gov Ed Clark
Austin
Dear Sir

I drop you a few lines this mail in regard to matters in general The election which you are interested in is over and you have carried this county but by what majority I have not yet learned. The particulars of the whole election you will get next mail

Obenchain has beaten A.G.Walker by two hundred majority Ward of this county has been elected by small (Maj over Bale?)

Crosley has carried this county and is doubtless elected

Right now I will say that Capt Barry of Camp Cooper has had a fight and got several killed - he is still in pursuit

In regard to myself I have raised one Regiment in this county. All are ready to take the field when called on by the executive

I believe you are authorized to order out or commission some one to raise men for Young's Regiment. I would be glad if you will give me a commission to raise a Company of flying artillery for service with Young

I have a through knowledge of Artillery practise and am doing nothing now and would be very glad to get into service if you will give me authority I will have a company ready at any time

I have expended a good deal of money since here in hunting Indians and now if there is a chance let me have it I have a very fine company of mounted rifleman here and can soon change them to flying artillery of

Please drop me a few lines by return/mail and give me a chance if possible

If what I ask is not practicable give me your assistance in getting us somewhere

Your friend
C.L.Jordan

Charles L. Jordan was born in Virginia (probably Lynchburg). He apparently came to Texas in the 1850's, settling first in Houston as a practicing attorney, and then eventually moving to Weatherford.¹ Early in 1858 Jordan and two others established the Frontier News which they continued to publish until December of the same year. On August 20, 1858 Jordan was elected by a vote of 39 to 4 as Weatherford's second mayor. On November 30, 1858, Jordan married Isabella Young at Pilot Point, Denton County. Jordan was also a member of the Weatherford I. O. C. F. Lodge, No. 77.² The census of 1860 shows that Jordan was residing in Weatherford as an "attorney and counselor at law." His real estate was valued at \$13,000, and his personal estate at \$2,000. He was also the owner of three mulatto slaves. Jordan enrolled his company in Weatherford, Parker County, on October 1. The unit was mustered into Confederate service "for the war" in San Antonio as Company K, Fifth Regiment Texas Mounted Volunteers on October 23, 1861. Company K took part in the battle of Valverde and the skirmish of Peralta.

An asterisk (*) indicates a soldier who joined after the first muster roll of October 23, 1861 was drawn up. The annotations cover the period from first muster to the end of the New Mexico campaign.

This issue of the FOOTPRINTS is printed on 20 lb Bond paper, using the Silk
Screen Mimeograph, the REX-ROTARY rented from Typewriter Supply Company, Fort
Worth. With the exception of the cutting of the stencils, all work done from
the original compiling to the actual mailing of the publication is done by
dedicated volunteers in their homes. This is the only way the membership cost
has been able to stay at such a low rate. If there are delays in mailing,
answers to your letters, etc., please remember that we all have families, too,
and they sometimes do not follow a planned schedule. We welcome help, sug-
gestions, criticisms, material, help, and patience. We thank you for your
continued support and hope to improve in the future.

FROM THE PRESIDENT. In September, our Editor, Damon Veach, resigned due to other commitments. This issue has been compiled by a committee. This means that a number of members have contributed their time and talents. You may help with the following issues this year by sharing your records with the Society.

Our special thanks this year go to Mr. John Sappington, supplier of printed items and of needed advice, and to non-members, Mr. Bill Eastman of Typewriter Supply, and Mrs. Bill West for assistance beyond the call of duty. We have had on our "staff" this year a particularly active group of non-members. They are the spouses of the active ones. In evidence at the meetings and silently at home, they have been taking dues, selling forms, rewording paragraphs, giving legal advice, moving tables, pouring coffee (making it too), lettering stencils, and showing a great deal of patience when the Society business disrupts the normal home schedule. We could not have progressed without them, and we so appreciate their efforts. This is really a family affair!!

The FWGS publishes and disseminates genealogical and historical information in the current form of this publication sent on a quarterly basis to the membership, libraries, similar genealogical societies and other like institutions. We are happy and privileged to be able to EXCHANGE with organizations that have some form of publication. These are placed in the Fort Worth Public Library, Southwest & Genealogy Department for the public to use. The mutual sharing of this material benefits many. Quite frequently, a reader becomes an individual subscriber after finding that a certain publication fits a specific need or covers a particular area of research.

Unfortunately there is no central listing of those organizations who are in the position of being willing and able to exchange their publications on this exchange basis. Therefore, we need your help. We are currently exchanging with the following listed genealogical organizations and plan to continue this year. If a member knows of other organizations that would be willing to exchange publications, please send their name and address to us.

If a Library is new, or has not received our publication on a regular basis from a like society, and certain criteria are met, the FWGS would like to establish an exchange pattern with them. In certain cases, back issues would be available, as long as our supply lasts, for the cost of mailing. Only by helping each other can we individually accomplish our genealogical goals. Those members who do not have the advantage of using the EXCHANGE publication file in the Fort Worth Library may request information and volunteer members here will try to help you.

EXCHANGE EDITORS PLEASE NOTE

The mailing address of the FWGS is always the same for everything: Box 864, Fort Worth Texas 76101. Please do not confuse us with other groups in this city. We place ALL our exchange material in the Fort Worth Public Library. Please let us know if you wish to continue our exchange policy by EXCHANGING. Thank You.

QUERIES: Queries are published free of charge. To help yourself and others, please include dates, places and full names if possible. Underline all surnames. Please print or type and place each query on a separate sheet of paper. Remember! This is a good way to locate others working on your families.

=====

Editorial Note: No exchange publication will be reviewed on a request basis or as a prerequisite for continuing the exchange with this society. This is unethical. It is not professional or dignified in this editor's estimation. If the publication is reviewed, it will be at the editor's own discretion. This will be done in the section called "The Way Station," and it is a predetermined reality that no inferior publication (be it on the exchange list or just a review copy) will ever be mentioned.

OLD NORTHWEST TEXAS RESEARCH PROJECT CENSUS REPORT . . . This project includes about 64 individual censuses. To date 34 censuses have been copied and individual families have been put on 4" x 6" cards and filed alphabetically, and other information is being added to these files about various families.

At present we are concentrating on the area of Ellis, Navarro, Johnson, Hill, Somervell, and Erath counties, and are adding information to these files. We are also concentrating on Tarrant County, as a great deal has been done pertaining to our "Home" county.

If you had families in any of these above mentioned counties, 1850 - 1880, we would like information about them as soon as possible. "Every Litter Bit Helps!"

Censuses being copied at present: 1880 Tarrant Co., 1880 Hill Co., 1870 Parker Co., 1870 Denton Co., 1880 Erath Co.

FROM THE PRESIDENT . . . The FWGS has highlighted one of their projects at the Fort Worth Library. Members of the Society who are in the Genealogical Dept. and wish to assist others in their genealogical research wear a "Footprint." This is a cardboard symbol about $3\frac{1}{2}$ inches long worn on the shoulder of the member. When worn, it indicates to others that the member would be happy to help an individual at that time. No one person could possibly know everything in the field of genealogical research. Therefore, each one of us could help each other and also, in particular, help those who are just beginning to trace their family tree. So when you are in the library, please put on a "Footprint" and see what happens! YOU might even learn something!

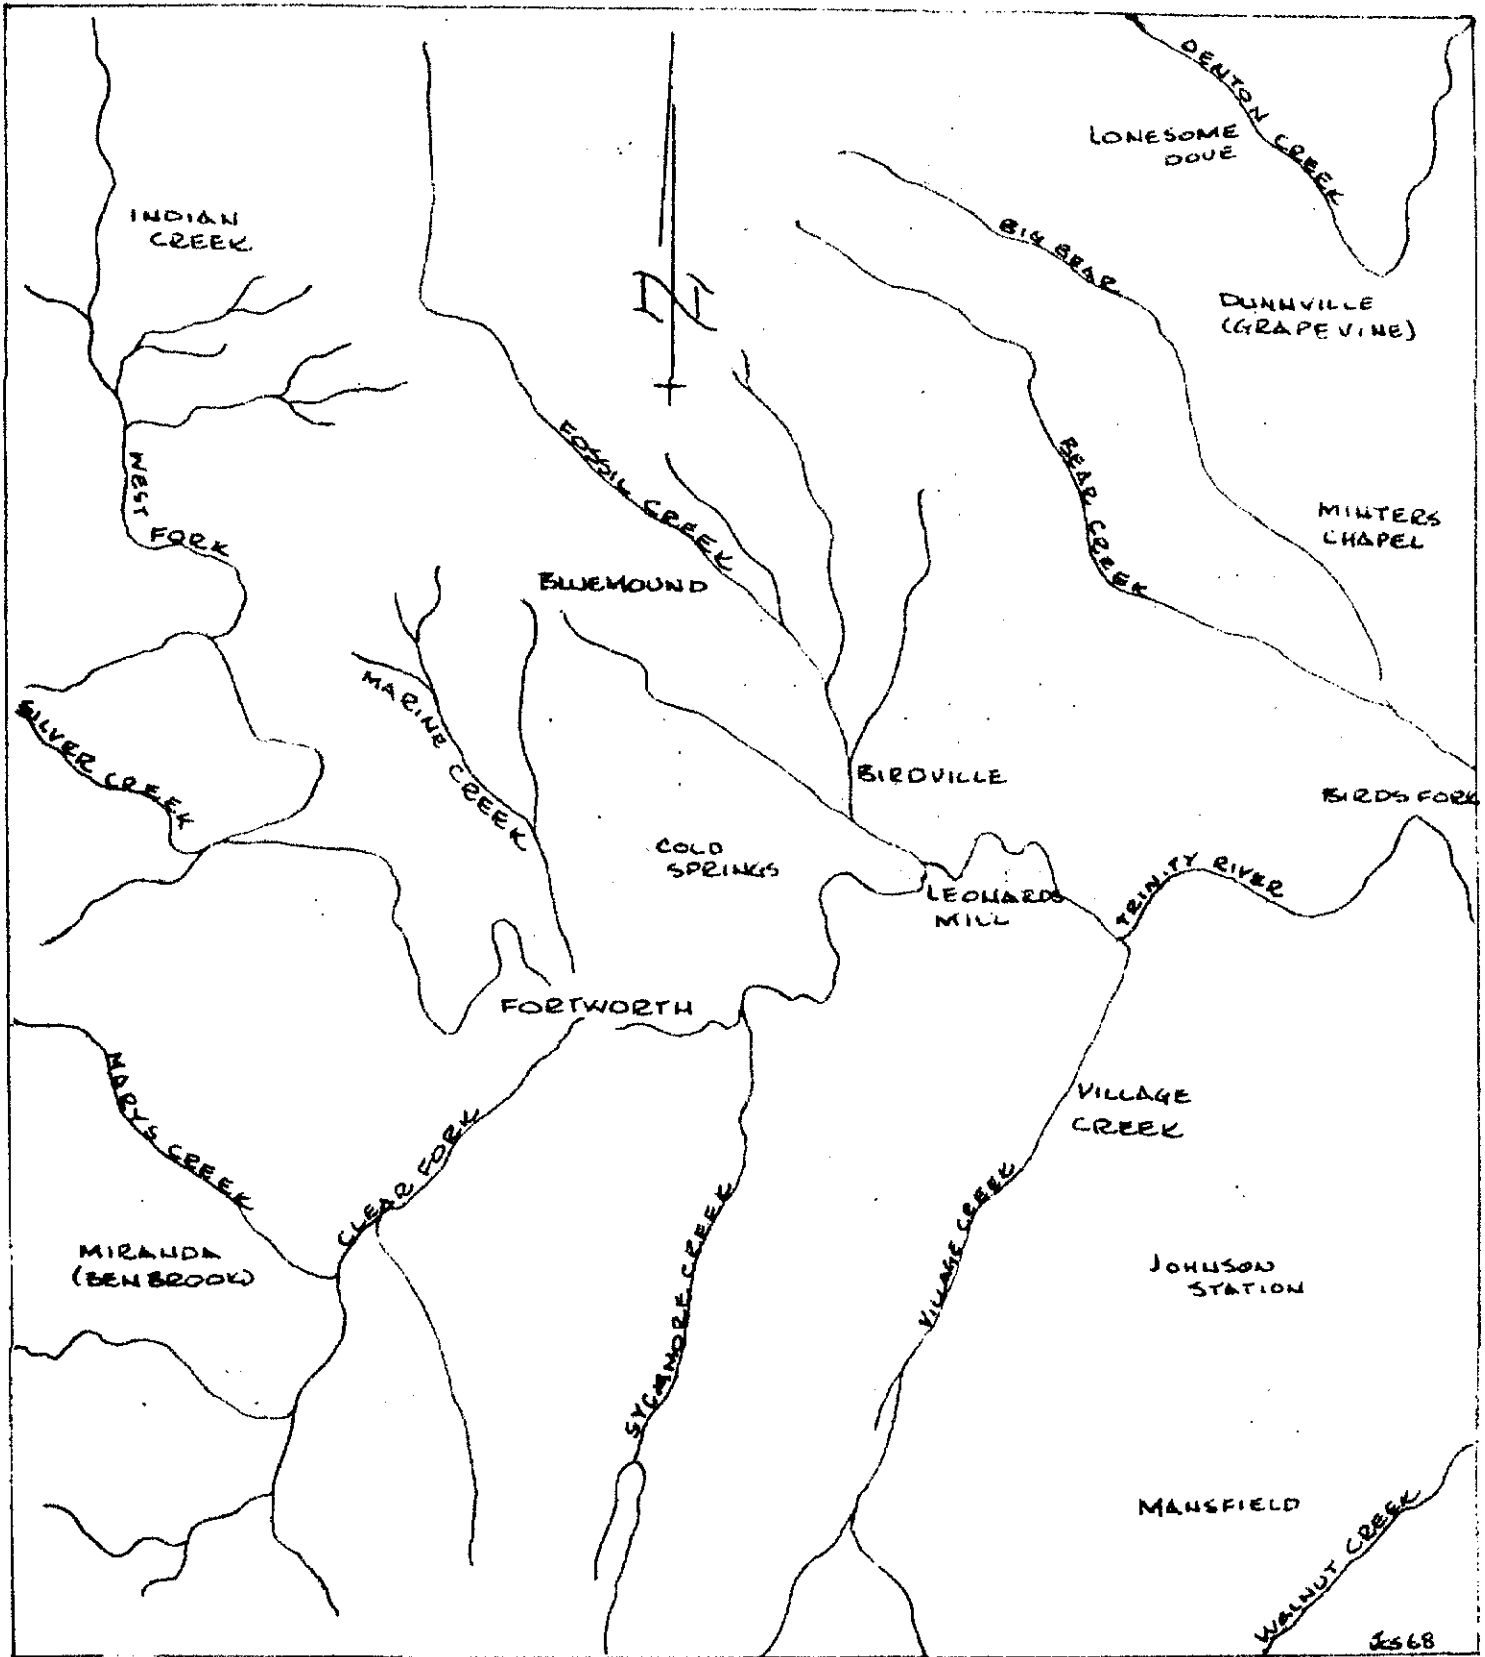

Our bus trip to the State Archives in Austin in June was most successful. Forty-nine people participated. We shall definitely plan to do that again.

The Texas State Genealogical Society will have its annual meeting at the Hotel Driskill, in Austin, Texas, November 8th and 9th, 1968. The main speaker will be Walter Muir Whitehill, President of the New England Historic Genealogical Society. For additional information and reservations please write to TSGS, 2528 S. University Drive, Fort Worth, Texas 76109.

Many, many nice people have given material, books, manuscripts, and maps to the Fort Worth Library through the Society. A partial list is published in this issue. We thank you very much. Do not forget - material may also be sent to be published in FOOTPRINTS. We have received a nice variety and hope the supply continues. We are able to continue our publication only through the efforts of both those who edit, type, print, collate, stuff, and mail, and of those who share their material, Bible records, church records, etc.
