NOTE: The above cemetery is not the complete cemetery, nor is it copied in burial order. The compiler, Mrs. Helen Ocheltree of Bayard, Iowa, was researching this cemetery while living in Denton County, Texas in 1975-77, before moving to Iowa.

She has graciously shared her research notes with us which cover the old original portion of the cemetery. As this section is not laid out in lots and folklore says many of the original stones are not now in the original spots, the information was copied and filed alphabetically. To make things even more difficult the first burials were in 1850 when graves were still being hidden from the Indians.

There is another section along side of the original section set aside for slaves and contains many graves, unrecorded.

Mrs. Ochiltree was doing her research in order to write a book on this cemetery as the land had been donated for its use by her great, great grandfather Charles Medlin. She has a great deal of information regarding persons buried in the grounds. She has also sent us notes on a partial listing of the rest of the cemetery, which if we can get someone to complete for us, will be furnished to you at a later date.

Our thanks to Mrs. Helen Ocheltree.

"LOST" CEMETERY IN ERATH COUNTY, TEXAS

Go east from Stephenville on U. S. Hwy. 67 toward Glen Rose about ten miles, or until just before you reach the Three Way Store and Schoolhouse. Turn left on a paved country road, pass the Pony Creek or Box Church house and Cemetery. The next cattle guard on the left will turn up to a native rock house belonging to Mrs. Ruby (Beach) Rumph. The old abandoned cemetery is about one-half mile south of Mrs. Rumph's house, nestled within a grove of thick cedar trees. We were told that this was the original Box Church Cemetery until they began using the cemetery across the road. Cattle have bedded in the grove of cedars and have destroyed many of the old graves. It was impossible to note the number of unmarked graves. Mrs. Rumph believes that a Mrs. Keahey is buried in this old cemetery. Copied July 3, 1982 by Mr. and Mrs. T. B. Cawyer of Stephenville.

To use this service, please do the following:

1. Fill out the 3"x5" card printed by the society or your own card using the FWGS form for reference, on each ancestor. Give as much information as possible, listing children on the back if you like. But do include a PLACE AND TIME even if only an approximate date.
2. Include a pedigree chart with your cards.
3. Include a self-addressed stamped envelope.
4. Mail all the above to the Fort Worth Genealogical Society, P. O. Box 9767 Ft. Worth, Texas 76107.

STRUCKMAN

Am researching Struckman family of Texas and United States and wish to know if the Struckmans of Fort Worth and Del Rio have ancestors in Texas and where they came from as one line came from Oldenburg, Germany to Pflugerville, Texas; four children were born in Taylor before the family moved to northern California.

If not, are they related to, perhaps, a family in Elgin, Illinois with descendants in Elgin, Missoula, Montana, Arizona and Kearney, Nebraska.

Texas Struckmans are: Howard, David H. and Dann of Ft. Worth and Del Rio.

Am wondering if these Texas Struckmans could be children of my husband's missing uncle Millard Aden Struckman born 10 October 1908 Milan, Indianan, son of Louis Struck and Martha Ling. Millard left home as teenager, traveled the world, wrote home a few times, then no one heard from him again. Martha died Dec. 15, 1935 in Milan Indiana, Louis died March 30, 1964, same area never knowing what became of Millard.

Would appreciate any information concerning the Struckman family and will answer all letters.

NOTE:

These are all of the records of note in this old ledger which was evidently started when the county seat of Hood County was in Stockton then moved to Granbury.

The back of the ledger has pages and pages of brands many registered by initials and some by name through 1872.

The records were copied as they appeared in the book, misspelled words and all. L.I.M.

BOOK REVIEWS

by Patricia Chadwell

Lane, Mary Stinson Claunch and Elizabeth Blevins Booth. 1860 FEDERAL CENSUS OF LAMAR COUNTY, TEXAS. Fort Worth, Texas: Authors, c. 1978. 125pp. \$10.00 plus 5% sales tax for Texas residents. Order from Mary Claunch Lane, 5125 Roberta Drive, Fort Worth, TX 76118.

The absence of any general 1860 index for Texas makes any individual county indexes very useful. These ladies have done a fine job for Lamar County. Full information has been copied; the schedules look to have been carefully compiled, and there is a very interesting every name index: persons have been indexed to family number and precinct number instead of page. We recommend this one to libraries and anyone interested in Lamar County in this period.

Brown, Shirley Ledwig. THE 1870 CENSUS OF HISTORIC MATAGORDA COUNTY. Bay City, Texas: Matagorda County Genealogical Society 1982. \$9.50. Order from Matagorda County Genealogical Society, P. O. Box 264, Bay City, Texas 77414.

Another well done county census index for one of the years when there were no general index. The format of this one is particularly nice. The type is unusually large, which makes the material easy to read. Surname indexed to page, using it will be a little more tedious than those books which have every name indexes, but remember when we didn't have any census indexes at all?? Thanks to Shirley Brown and the Matagorda County Genealogical Society for saving a lot of researchers a great deal of time.

Woodard, Jewell Daphne Gerron. ANCESTORS OF RUFUS McLELLAND AND HIS DESCENDANTS, 1783-1975. Ed. by George C. Woodard, Jr., Fort Worth, Texas: author, c. 1982. 67pp. \$15.00, plus \$.75 sales tax to Texas residents, plus \$1.75 postage and handling.

We always know that Mrs. Woodard's books are going to be excellent, both in content and format, and this history is no exception. Although soft covered and spiral bound, the paper is the nicest we've seen in a long time.

The Rufus McLelland of the title was born in 1822 in Iredell County, North Carolina, later lived in Cherokee County, North Carolina, Murray County, Georgia and eventually moved to Oregon County, Missouri. His ancestors begin with his grandfather William McLelland, who died in Iredell County, North Carolina in 1799. His descendants, as far as known, come down to the present date. Mrs.

Woodard has included transcripts of a plethora of records regarding various members of the family. Members of the McLelland family will want to own this book

Cawyer, Shirley Brittain and Blanche W. Culbreth. HENDERSON COUNTY, NORTH CAROLINA MARRIAGES, 1851-1898. Forest City, North Carolina: The Genealogical Society of Old Tryon County, Inc., c. 1982. 145pp. plus index. \$17.50. Order from the Society, P. O. Box 938, Forest City, North Carolina 28043.

Shirley Cawyer copied the marriages from microfilm and Blanche Culbreth did both a full-name index to all parties involved, grooms and brides, officials and witnesses, and a place-name index. These marriage records are beautiful. Beginning in 1867, names of parents of groom, and sometimes bride, are listed. Would that we had ancestors from this county. Anyone who does, could use this book, and of course, it is heartily recommended for library purchase.

McCarley, LaJoy DeShane. GEORGE L. FEAZLE OF SPRING VALLEY, HIS ANCESTORS AND DESCENDANTS. Fort Worth, Texas: the author, c. 1980. 201 pp. no price given. Write the author, 5062 Trentman, Fort Worth, Texas 76119 for further information.

The ancestors of George L. Feazle go back to Michael Feazle of Shenandoah County, Virginia during the period of the American Revolution. George L. Feazle was born 3 March 1803 in Hawkins County, Tennessee and eventually came to reside in Ouachita Parish, Louisiana, in the vicinity of Farmersville. His descendants migrated to many areas of Texas, but most notably in San Saba County. The book is copiously illustrated with photographs and well-indexed. It has one serious fault, however; lack of documentation. It is told as a story; while dates and places of events are given, no sources where the information was obtained are listed, and no texts of documents are included. Members of the family will want a copy, but future researchers will have to put the book into the tradition column.

Hudson, Weldon I. and Shirley Brittain Cawyer. COUNTRY CEMETERIES OF COMANCHE COUNTY, TEXAS. Fort Worth, Texas: the authors, 1983. 341 pp. \$22.50 plus \$1.50 postage and handling. Order from Weldon Hudson, 2807 Cedar Park Blvd., Fort Worth, Texas 76118.

Weldon Hudson and Shirley Cawyer are among the busiest transcribers and publishers of records active today. We've learned to expect that anything either is involved in will be well done; the current volume is no exception. It includes 62 cemeteries from Comanche County, copied properly, row by row, and surname indexed. Recommended for individuals and libraries.

Gennings, Robert A. THE BULLA FAMILY. Sequim, Washington: The author, c. 1981. 516 pp. Harbound. No price given. Write to the author, 602 E. Cedar, Sequim, Washington 98382.

This book is a record of descendants of Thomas Bulla, an Irish Quaker who came to America in 1738 or 1739, and settled in Lancaster County, Pennsylvania. It is unusually clear and easy to use, because the author has combined family group sheets with biographical sketches and texts of documents, some in facsimile. There is an every-name index. Very well done, Mr. Bulla.

Bruce, Thomas Allen, M.D. THE HODGE/HODGES BOOK. Two volumes. Little Rock, Arkansas; The author, 1982. Vol. I: 148pp, plus index. Vol. II: pp 149-256. Price: \$9.50 per volume paperback, \$13.50 per volume hardback. Order from the author, 4 Hillandale, Little Rock, Arkansas 72207.

Let us begin by saying that you could buy volume II, which is subtitled "amalgamated resource materials for family research with particular focus on Virginia, Tennessee, and Arkansas" and make good use of it if you are seeking Hodge/Hodges data, even if you are not a descendant of William Riley Hodge, whose genealogy comprises Vol. I. William Riley Hodge, M.G., born circa 1817, Virginia, died after 1882 in Marion County, Arkansas. Vol. I is a beautifully done account of the descendants of this man, with an every-name index.

Vol. II includes Hodge/Hodges references abstracted from Filby's PASSENGER AND IMMIGRATION LISTS INDEX; the DAR PATRIOT INDEX; selected DAR papers; a review of five books on the Hodge/Hodges family; the 1790 Census of Virginia; Virginia censuses, 1810, 1820, 1830; some early Virginia marriage records; some early Tennessee tax lists; NORTH CAROLINA LAND GRANTS IN TENNESSEE, 1778-1791; Tennessee Censuses, 1820, 1830, 1840, 1850; early Tennessee Marriages; Arkansas Censuses 1850, 1880, 1900; Arkansas Civil War Index; Arkansas Biographical Index; and "History of Hodges Family" 1914 article appearing in the ARKANSAS GAZETTE.

The hardbound books are done in heavy buckram library binding. We recommend that anyone who is planning to purchase either or both volumes buy the hardbound.

McLean, Malcolm D. PAPERS CONCERNING ROBERTSON'S COLONY IN TEXAS, VOL. IX. Arlington, Texas: The University of Texas at Arlington Press, 1983. 610 pp \$35.00. [See advertisement in back of this quarterly]

Dr. McLean has spent his free time during a long and distinguished academic career compiling and editing the papers created by the activities of Empresario Sterling Clark Robertson, who established a colony in Central Texas under Mexican authorization.

The current volume covers the period of October 1834 through March 10, 1835. Any library collecting Texana should have the entire set. Considering the rate at which book prices for limited editions of Texana, which category PAPERS CONCERNING ROBERTSON'S COLONY IN TEXAS falls under, anyone with ancestors in the colony could justify owning his very own set as an investment. Heartily recommended.

Hudson, Weldon I. JOHNSON COUNTY TEXAS MARRIAGE RECORDS, 1854-1894.
Two volumes. Volume I: 1854-1883; Volume II, 1883-1894,
Fort Worth, Texas: Author, circa 1982. \$12.50 each volume,
Texas residents add 5% tax. Order from the author, 2807 Cedar
Park Blvd., Fort Worth, Texas 76118.

Good news for Johnson County researchers. Carefully copied, every name indexed marriage records.

Weldon has done his usual superb job in presenting this material for your use. We recommend for libraries and individuals interested in Johnson County.

Can anyone imagine my despare on my leaving home. April 1th 1862, for and indefinite period our army 'falling back' from Manassa. Willow Grove and its inmates left to the mercy of an invading foe. My leaving to visit a family all (excepting Mary) total strangers was enough to make me despare. Everybody was in a state of excitement. On reaching Richmond I enjoyed myself visiting the public buildings and grounds. thence to visit a strange Cousin. the evening approached. when I departed up the James River on a detested Packett Boat to visit my friend in dear old Powhatan. reached there about one oclock in the night. a waggon took me from the Ferry to Rosenneath? where I was greated with all the hospitality that bestowed on here by any human being. I passed four delightful months that I ever did in my life among the family of my friend Mary. her character is without a blemish, too noble. so generous. I seek everything in my power to return her kindness. I took leave of my beloved Friend to visit my Sister in Columbia. Spent some time with her. When my Brother sent for me to stay with him. I returned back to visit or to meet a old school mate at this boat. which I meet with pleasure.

My dear Novie,

Yours of the 25th ult. recd, read and enjoyed, we was glad to hear from you, but read with regret that yr health was bad and the Major and children had been sick with the horrible chills, and Anne with the catarrhal fever, which is a new fever to me, in the catagory of the list of fevers. I regret very much dear Novie to hear of yr ill health and think as you do "I would leave the farm." Where does the Major think of going? I hope wherever he goes, he will not engage in farming. It appears to me, under the present labor system, to be rather a too hard life for such a delicate man as he is.

Why do you not open a Boarding house in some flourishing town? It would not be so laborious as a country life, you could educate yr children with scarcely any outlay and still have them with you.

Do not be down hearted if at first boarders are slow in coming but if you are particular in keeping all yr rooms neat and clean, also keep a good table, "Virginia cooking," you will soon gain a reputation and then you will have no trouble.

Ask a living price, for the traveling public do not demur to give a good price, if all things correspond about the house.

Write me where and what you will go and do. I was looking the other day at photos of India Price and Virgie when they were infants 5 months old and cannot realize you now have grown daughters.

My children are all well when last heard from, except Lahve? who was sick in bed last week. She has never recovered her health since the birth of her fourth little daughter Eunice. I am anxious for her to come and visit me. Think the change will be good for her. We, too, have had a very rainy winter, it commenced raining last Monday night and still is raining. In consequence of the rain the vegetable are very scarce as the trucksters find the ground too wet to plant and those that were growing are drowned out, tho we still have turnips, potatoes, peas (Eng.), lettuce, and sometimes tomatoes. But we revel in fine fish large and small and delicious oysters @ 25¢ per qrt. The meat market is well supplied. So you see we manage to get enough to eat and live upon. The orange trees are beginning to bloom, oh! it is delightful to go out in the yard early in the morning, the air is so fragrant. Tell the girls I regret I have no flower seed as yet, when I get some will remember them.

It is like moving to a new place, during my absence in Texas every thing, except orange trees and 3 peach trees were stolen from my yard, not a flower left. So every time I go out, I come back with my hands filled with slips. My old washwoman brought me quite a collection last afternoon and cloudy wet weather is the very thing for them. Can't you send me some of your Texas flower seeds? Azeele has a dreadful bad cold both in chest and head. Is taking Major Edwards remedy-Rock candy and glycerine in whiskey.

Dinner is over and as we have to go out to arrange the squares in a crazy quilt I must draw my letter to a close. A. joins me in love to you and yrs.

Lovingly,
Sister Hersey

My Dear Sister Novie

Your affectionate and welcome letter of the 25th ultimo reached me on Saturday last and for fear that I may defer too long answering it I just write now. Your accusation of my writing such short letters to you my Sister must be replied to by saying you must not expect blood from a turnip. My hand is not as clear as it was twenty years ago nor my [illeg.] so bright. besides should I write of local news of the vicinity of whose people you know nothing it I am sure would be uninteresting to you. So you see I am some what proscribed with my communications to you. At any rate I believe it is a great gratification for you to hear from me so am writing now to you. my little sister from the tenor of your letter to me you are the same despondent Novie as you were in our young days. Now my sister you are a Christian I do hope and that your daily prayer is to our Savior to give us our daily bread. His reply is plainly written he who asks with forth shall be in no wise cast off. have faith in your petitions and your prayer shall be heard. Sister it is not comely or discreet in a wife and mother of five daughters to suffer evil feelings to take possession of your heart, but just reverse the picture and be cheerful affectionate always your face beaming with a smile. Try this when you find those despondent feelings are coming on and your husband and children all will gladly welcome the change. My Dear please do not think I am lecturing you far from this is my intention. Ponder over my suggestions and say if you do not approve. In all your troubles go to your closest and pour forth your aff[illeg.] to Him who has promised to comfort you. cheer up cheer up, for I never have known any one to starve in this country.

Now as you ask for the names and ages of my Grand Children here they are--

Oscar Floyd Payne born 20 Oct 1873
Bessie Henningham Payne born 8 August 1875
Kate Sonda Payne born 7 October 1880
Bulah Blanche Payne born 7 July 1882
Clara Patton Payne born 18 April 1885

After the death of my dear Beatrice whose infant Clara was only four months old the wife of Mr. A. H. Shurwood (he an English man) they having no children desired to adopt this child and being in good circumstances and nice people Collie & Men? Clark thought it best to give her to them since they have inherited twenty thousand dollars from his mothers estate. they are devoted to the child and with the consent of all conserved have had her christened Estell Payne Shurwood. Now I have given you the genealogy of my grandchildren please be so kind as to give me that of yours. I wish my dear that I could have the pleasure of seeing you and the Major and your

pretty children but I am too old to go so far from home. When you see Brother James ask him if he has forgotten me. I have written him two letters since the [illeg.] [illeg.] of his to me. Please present my compliments to Major and kiss the girls for me and to you my little sister I send greeting and Three big Kisses and a good hard squeeze. I must tell you our O. Floyd Payne is a No. 1 Telegraphic Operator and though only 15 years old is getting Thirty five dollars a month that is doing well for a boy, he is a fine looking chap and smart too. I have two of the chaps with me. Kate is in the 5th Reader Dictionary through the speller three times and is writing a pretty hand, ciphering in multiplication and will make a pretty woman. She can sew makes [illeg.] for her dolls and very industrious. Bulah 6 years old is writing nicely can read your letters to me. Reading in the 4th Reader in Dictionary with Kate and I say without a brag that she is a natural speller and has the best mine of all the children. They are too nice children. Wish they could see their 1st Cousins how they would enjoy a romp with them. Novie you will not complain this time of a short letter for I know you will be tired when you read this foolish one. So I will close by wishing you may not starve this winter and a happy and prosperous New Year to the Major and your dear self.

Your affectionate Brother
M. C. Clark

My Dearest Child

I drop you one of my short notes this morning in acknowledgement of much appreciated letter of last Sunday. Its contents was eagerly devoured and its [illeg.] properly appreciated and I must cheerfully acknowledge reserved obligations which I may never be able to pay, except in a Father's love and how to get this to you I know not, unless you will lone me your most gifted imagination in that a small portion might take refuge in some nick and corner where I would have it ever present to comfort cheer and solace you in all your hours be they dark or Bright. Now I am asking myself this question Why should I in a short note to you take up such a voluminous subject knowing my inability to handle it? The only reason that I can possibly give you is that it will doubless enter into your feelings Sympathy and imagination and you will be constraned to help me to live in that World of Worlds called Love where there is no stormy clouds etc etc ec.

We are all as usual well living much in hope for the better. Mr. Luster? tells us that just as soon as Mr. Phillips can get his plans out of the hands of the Arceteck he will build us a 7 or 8 room house on the Corner of King and Clack? Street that is the lot on which Harry Brown lived. This kinder eases? Maggie and Rachie?, I did not like the Summers House over much and besides we could not get it right at present though Mr. Beachmm? was more than anxious for us to have it.

The two Blessin' people are caring on a tent meeting hear. Their tent is on St. Johns Street in rear of Popers? old stand. They have large crowds and quite a number of P[illeg.] The most of them are all the same kind. I am kept right busy this hot weather first War [illeg.] the family then reading War News getting my Sundy School lesson and then of nights to the 2 blessing meeting when I have no where else to go. Dr. Delanys wife has returned to him. Theywere at church Sunday night together and she was more loving then when a bride if any difference. The old adge that ones ears burn when one is talked about, how is yours for surely had have your share of talk, it is our ever lasting wish oft repeated that you come over when will you come? Just as soon as you can I hope write and least let Maggie know she wante to meet you at the Depot so bad. Now Maggie says for the love of the Lord write to Virgie. She quits the store day after tomorrow. Poor thing she had worked so hard and what is worse she has given it all to her family that is we-ones. oh! she is so generous, but the matter in some respects has two sides. She has given to Maggie \$8.50 worth of goods and Maggie has done \$8.50 worth of work for her. Now dont you think she has been more than generous to Maggie I know you can with Mr. Bealls help. . . . write to your family twice a week. . . .

I close with a fathers Love and a prayer for you Dear

D. R. H.

Dear Mr. Shugart,

Pardon my neglect. I have been sick with the grippe for a week. Yes indeed the young men are very brave Most of them I mean and I am one girl that certainly appreciates their kindness.

Yes you are right about pleasures They are "Hespian apples" but then what would this dear old world be without pleasures life is what you make it Say, I too have heard that Mr. Wright and like him splendidly His singing especially.

Greenville is not as gay as I have seen "her" so many of the young people are sick. There is going to be a "Reseplin"? tomorrow evening I think I will attend.

Yes I am getting real anxious to come home. There is no place like home on earth is there? I certainly return your compliament, I would love dearly to see you.

Margaret Hankins

16 March 1944

Dear Walter:

My sister Helen . . . sent data on the Shugart family, evidently the work of professionals. Don't know where she got it. Have an idea some of the cousins had done it, maybe the children of uncle Henry who live in and around Cleveland.

There were 4 Zachariahs. I have copied the essential facts, leaving out documentation [alas!], especially with reference to our line back to the Tavern Keeper.

Some time since I saw Dr. Johnson, and learned with pride that you are Chairman of the Board at First Church.

Margaret joins me in best regards to each of you.

Sincerely,

Charlie

C. O. Shugart

Below is apparently what Charlie Shugart copied and sent to Walter:

MEMORANDA

by

H. H. Stout

First - Zachariah Shugart, tavern keeper of Yorktown, York Co., Pa. Herein-after called "Tavern Keeper Zach" from church, deed and probate records--

Married first Margaret, had children Anna Maria, born 26 May 1751

Martin, born 6 Aug 1753

Married second Elizabeth Ebert, had Elizabeth, born 29 Jan 1768

Michael, born 13 Jan 1770

Zachariah, Jr., born 29 Apr 1773

John B., born 26 Sept 1775

Tavern keeper Zach moved to Va. in 1784. Left for Alexandria. Later lived at Woodstock, as his will was proved there (Shenandoah co.) 13 Sept 1796.

Left all property to 3 sons: Zach Jr., Michael, and Frederick Henry. In 1798 Michael had established residence in Washington Co., Va.

The tavern keeper is by long odds the best business man of all the Shugarts thus far encountered. Since his first transaction was in 1746, it is probable that he was born ca. 1724, making him about 28 when he married his first wife and 42 when he married second. The entire history of Zach and his immediate family is well documented, except for his son Frederick Henry who would have been by his first wife, and would have been between Martin (1753) and Margaret's death. Or he could have been child of second wife, born ca. 1777. Tavern keeper Zach died when he was 72 years old.

Second - Zachariah Shugart, Jr., born 29 Apr 1773, died 20 Nov 1835, married Elizabeth Lewis Offutt, born 1 May 1781, died 22 Feb 1819.

Children-

Lemuel, born 4/12/1801 your grandfather

Harriett, born 12/14/1802

Claiborne, born 3/12/1804

Elizabeth, born 9/14/1806

Levi C., born 8/13/1808 my grandfather

Rebecca, born 8/13/1811, died 9/12/1834

Henry Frederick, born 11/3/1812, died 2/5/1902

Lilburn H.)

Mary Ann) twins, born 1/11/1817

Zachariah O., born 2/10/1819, died 2/21/1819 The mother died at birth of Zachariah O.

Third - Zachariah Shugart was sheriff of York Co., Pa., took office 1760, held successively the following offices: Overseer of poor, coroner, constable, assessor of York Co., assessor of York township, assessor of Manchester township. No record of his family can be found. He is not to be confused with the tavern keeper Zach. Also Peter Shugart was sheriff of York Co. and held various public offices 1754 to 1771. Married Mary Worley. Child, Anna.

Fourth - Zachariah Shugart whose name with that of Catherine, his wife, appears as sponsor at baptism of Anna Margaret Weigle, child of George and Catherine Weigle, at Christs Lutheran Church, York, Pa., 9 Dec 1759. No other data found on this Zach.

Fifth - Zachariah Shugart of Hagerstown, Md. ca. 1790, born 3/25/1764, married Eva Crim 4/17/1785. Children: Peter, John, Zach., Wm, Mary, Suf-fiah, Jesse, Hezekiah, Elizabeth.

John to Mary Hoffman: Elizabeth, John, Zach, Catherine, Sarah, Rezin Peale, Mary.

Rezin married Elizabeth Miller. Children: Mary Miller, John Zach, Elizabeth Ann, Eliza, Rezin Deal, Hester Catherine, Chas Theodore, Jefferson Miller.

Rezin Deal married Frances C. Pulliam. Children: Stanley Pulliam Shugart, a professor at University of Pa., through whom data on the Hagerstown Zach Shugart was secured, and Benjamin Rezin Shugart.

Lt Zachariah Shugart, commissioned 22 Aug 1776 in Capt. Michael Snyder's company, captured at battle of Ft. Washington, L. I., 15 Nov 1776, paroled 15 Aug 1778.

Summary of all data collected to date-

1st - there were probably 3 brothers who came from Hesse Castle, Germany, to the colonies ca. 1700.

2nd - their names were probably Zach, John, and Peter

3rd - they landed in Va. or Md., and thus don't appear on Rupps German Emigr't to Pa.

4th - some of them into the Pa. dutch country, and when we encounter them find a Peter and Zach in York, probably first cousins, both of whom became

sheriff, and also Zach tavern keeper, who was probably a first cousin. Over in Chester and Lancaster another cousin or cousins, all having similar names, John of Chester, and Peter of Lancaster, and Lt. Zach of Chester.

Zach, the tavern keeper, was quite a fellow. Became wealthy and, with son Michael, controlled the politics of Shenandoah Co., Va. Only one of his children, Frederick Henry, was not baptized in Christs Reformed Church, York Co. It is a good guess that he was born after tavern keeper went to Va. ca. 1777.

ABSTRACTS OF GENEALOGICAL INFORMATION FROM GAMMEL'S LAWS OF TEXAS,
MEMORIALS AND PETITIONS TO REPUBLIC OF TEXAS,
AND THE SENATE JOURNALS

M/P - Memorial or Petition

March 15, 1841 M/P

J. B. Ransom of Austin, Texas asking remuneration in treasury notes for services rendered from September 26 to December 5, 1840. Further states that services were under General Felix Huston, and as master of the Fourth Brigade, he established encampments, purchased needs and rode his own horse "through every portion of Red River and Fannin Counties."

March 1841 M/P

J. H. Rogers of Texas asking pay for horses furnished to the Texas Army at San Antonio.

December 24, 1841 SJ 6:3

Joseph H. Rogers contracted with William G. Cooke the Quartermaster General in the year 1839 to deliver to him on his order at San Antonio 112 head of first rate Mexican or Spanish horses for the use of the first regiment of infantry at \$25 par funds or \$125 Texas Treasury Notes. He delivered the horses, but had not yet received the whole of his pay \$2800 in Texas Treasury Notes. He requested Congress to direct the auditor to audit his claim. Signed - Joseph H. Rogers. Endorsed: 120 Petition Military account, Joseph H. Rogers Com. Claims and Acts. Dec. 24. With the petition is a copy of the bill showing the amount due \$14,000 with \$11,200 paid on September 20 and the balance due of \$2800. The account was certified by William G. Cooke, March 1, 1841.

May 27, 1841 M/P

Thomas Bridges of Matagorda, Texas asking compensation for supplying arms to Government troops. Further requests land in lieu of citizenship and military service.

December 28, 1841 SJ 6:3

Thomas Bridges came to Texas in 1833 as master of the schooner Mechanic; in the following year he made a declaration of his determination to become a resident citizen. He bought lots in Matagorda, built a dwelling for himself and family and located a league of land at the mouth of the Tresplacios River. He was engaged during the war in transporting to Texas volunteers, provisions, arms and ammunition. Austin, Archer and Wharton, who were unable to procure a vessel induced him to carry a cargo of arms to Texas in the spring of 1836 instead of taking out his family as he had planned and that his failure in this particular should not militate against his interest or claims in Texas. Bridges procured the new schooner Urchin and carried the

freight to Galveston. He was paid in government scrip which made it impossible for him to meet the claim of the owners of the Urchin, and he was too poor to remove his family to Texas in time to conform to the law relative to immigrants. Hence his zeal for the public service had deprived him of the land which he located at an early period. He prayed that Congress would afford such relief to his family as in their wisdom and justice might seem meet. The petition is dated Matagorda, February 27, 1841. With the petition is a statement from Dr. B. T. Archer corroborating Bridges' statement; also the endorsement of a number of citizens of Matagorda County.

June 16, 1841 M/P

"Articles of Agreement" between P. W. Humphrey and J. F. Gravis. The agreement indicates that Humphrey agreed to pay Gravis for labor, relative to plastering and whitewashing in the Capitol or "House" in which Congress sits.

July 15, 1841 M/P

Isaiah Call of Austin, Texas asking investigation in order that he may be exonerated, in that he has been dishonestly discharged as armorer.

October 5, 1841 M/P

Petition from San Patricio County to President Mirabeau B. Lamar, President of the Republic entreating him to appoint W. B. Goodman as Chief of Justice of said county replacing former justice who resigned. Signed. A. Ferguson.

October 25, 1841 M/P

John T. Darwin of Montgomery County asking for release of bond for his failure to appear on appointed date in District Court.

SEXTON, STANLEY, THOMAS, COLLINS, MURPHY, HADLEY, MORELAND, HOLMAN,
BLACK, HARRIS, BLEDSOE

Wish to exchange family data with anyone connected to this family. Andrew Sexton born ?? North Carolina, died 17 October 1846. He married about 1812 Zilpha Stanley born 30 January 1791 or 1794 and she died 18 April 1842. She was the daughter of Thomas Stanley.

Zilpha and Andrew Sexton had the following five, perhaps more, children and some of them are listed in Darlington Co., South Carolina census 1850-1860. Order of birth unknown.

- (1) Nip Andrew M. (W.?) born 26 January 1819, married Martha S. ___
- (2) William H. born about 1825, married 1856 Jane E. Collins
- (3) Anna M. born about 1828
- (4) male Francis M. born about 1831
- (5) Thomas James Sexton born 1814 ?? South Carolina, married 1858, died 1894 Navarro County, Texas. His estate papers are filed under T.S. instead of T.J. Sexton. He and his wife Mary Ann D. Thomas Sexton are buried in the Broadtree Cemetery near Dawson, Texas. They moved to Navarro County from South Carolina about 1873. I did not find them in 1860 or 1870 census. They had nine children listed in the Bible, who married Murphy, Hadley, Moreland, Holman, Black, Harris and a grandchild Bledsoe.

GRACE, BERRYHILL, COOK

Thomas Grace received land grant in Rusk County prior to 1837, is shown on Republic of Texas tax list of 1846, and last shown on 1850 census of Rusk County living in the household of Thomas Berryhill. I believe that Thomas Grace is related to my great-great-grandfather, Elkanah Grace, who was also born in Maryland about 1768, died in Hickman County, Kentucky, 3 October 1854.

Bertha O. Grace, born 1884, Milam County, Texas, daughter of George W. Grace and wife Mary Ann, married Richard Lee Cook, 29 April 1903, Milam County. Lived in Callahan, Eastland and/or Stephens Counties. Will welcome correspondence with descendants. All letters answered.

GILLILAND, ARMSTRONG, MCKINNEY, KNAPP, TUCKER, HUDSON

Seeking information on persons buried in the Gilliland Cemetery located on the Leslie Armstrong/McKinney/Knapp place near Crowley, Texas. It is thought there were about 20 graves. Stones existing in 1950 included B. W. or Eli Gilliland and Perry Gilliland - all of whom died in the 1860's. Descendants of the family are thought to reside in Callahan, Jones, Tarrant and Taylor Counties. Any information on the cemetery, burials, families, etc., would be helpful.

The following members of the Tucker family lived in Tarrant or Johnson Counties during the 1870's and 80's: James M., Lurainia, James C., John T., Andrew Jackson, and America. Several of these are thought to have been buried in the Tucker cemetery near Oak Grove, and adjacent to the Hudson family plot. To date, I have been unable to find accurate information on either cemetery. Any information on the Tuckers or Hudsons would be greatly appreciated.

RANGLES

My grandfather was born in Lamar County, Texas in 1852 or 1853 according to a birth certificate. His name is Henry Harrison Randles. Is there any index of Texas to replace the lost 1860? His family supposedly left with a wagon train headed for California to look for gold. The indians attacked and all were killed, except my grandfather. He was scalped and left for dead. Another wagon train came by, found him and another family raised him. He was in Illinois in 1883, Union County. Does anyone have any information regarding him or the family who raised him?

WHITE SETTLEMENT HISTORICAL SOCIETY

Frances M. Allen, historian for White Settlement Historical Society is compiling family histories and community history (i.e. early schools, churchs and neighborhood centers, small cemeteries) in this original rural community of White Settlement. The area so identified extended from just west of Crestwood Addition in Fort Worth to the Parker County line, north to the west fork of the Trinity River, and south to the present highway 80. KING, ALLEN, BYERS, GRANT

Need information on William M. King born June 4, 1836 in Tennessee? Kentucky? died January 30th, 1875 in Tarrant County, Texas. He was the younger brother of Richard H. King born April 16, 1835 and died September 12, 1908. Both of the brothers migrated with the Kentucky - Tennessee wagon train of about ten families to Tarrant County, Texas arriving in December 1854 and were partners in a blacksmith shop located on the east side of Tarrant County Court-house square.

Have much information on Richard and his wife, Mollie Ann Allen. Know only that William King married Mary Ann, daughter of George W. and Sarah Mildred (Byers) Grant. Mary Ann was born July 5, 1844 and died March 5, 1874.

Both couples buried in the Pioneer Rest Cemetery. The 1870 Tarrant County census shows two males: Elmore, age 3 and Richard, age 1, in the home of William and Sarah. In 1874 only one child born of this marriage still living. Who were the parents, and earlier ancestors of William and Richard? What of the surviving son and his descendants? What is correct locale of birth?

Lives of great men all remind us
We can make our lives sublime,
And departing, leave behind us
Footprints on the sands of time.

Greetings of the Season

Fort Worth Genealogical Society

SEASONS' GREETINGS!! to all the wonderful members and friends . . . it is that time of year again.

After more than ten years as your editor, I regretfully state this is my final issue. The pressure of work, family, friends, health and a husband who has retired and wishes to travel, have been the basis of this decision.

I have truly enjoyed the challenge of being your editor and thank from the bottom of a very full heart all of the people who have helped us make this quarterly one of the very best in the country. I would not attempt to name any one person, as there are too many, plus I would not want to leave out one single name.

I have worked with a wonderful crew who never missed helping collate unless on a deathbed. The quarterlies have never been late in all my years as editor and the members have willingly responded to my calls for help anytime . . . and this is what made our society so good.

In FOOTPRINTS we have printed only primary and secondary source material which had never before been in print, (at least in our knowledge). Many members who live out of town and which I have never met, have been of invaluable assistance sending in articles.

In passing the editorship on to the next person, I hope that you will give to him/her the same whole-hearted help you gave to me. It will be good to have a new approach, new ideas, etc. and I personally will be looking forward to this new era.

Please continue to send in articles, i.e. Bible records, newspaper abstracts, cemetery records, tax lists, birth and death records. . . the list is endless and much needed.

I am also looking forward to having more leisure time in which to pursue my own personal research, traveling, restoring and collecting antique dolls, painting, quilting, sewing and oh so many things, I just never seem to have had the time to do.

May you all have a wonderful HOLIDAY SEASON, and many, many more. . . and again my deepest appreciation and thanks for all your past help.

Most sincerely,

Lucille A. Miller
