Mr S. L. Thomas

221 Park Ave

Fort Worth Tex.

Dear Sir friend.

Your of Sept 2nd addressed to me at Houston Tex. was forwarded to me here today - I was much surprised at its contents. But investigation by me proves it true. I enclose you Mr Morris' license properly filled out. I have written him explaining how it came to be so unpardonably neglected. As you know it was very late when the young lady came in and I had barely time to perform the ceremony and make my train. So I put license in my valise intending to fill it out and mail it back from Houston next day. We all got to Houston next morning early and after breakfast I went to bed to sleep and rest some. and Mrs Allen unpacked my valise and put license away with some deeds and other papers that was in the valise, thinking it was one of them. That same day I was called to San Marcos and was away from home two weeks and

very busy in a religious revival, and when I
came home the matter had entirely slipped
my memory and was entirely forgotten to
this day, until your letter came and at first
I was sure you was mistaken. Then I told my
wife what it was you wanted, she remembered the
papers and putting them away and said at once
she guessed it was there, as she paid no attention
to them supposing someone would not bring such
as that home with me. An examination of papers
soon found it. I regret it very much and hope
it has caused no inconvenience or trouble. also
please explain to the clerk for me how it came
to be so long delayed. Send me the certificate and
I will sign and return at once. That's a good idea
of yours - accept my thanks for your calling
my attention to this - and may God's blessings
be with you and them.

Yours very Respt

Phillip Allen.
