### DIRECTIONS

Moisten the dotted line sufficiently to soften the gum, using a piece of cloth or brush, and moisten only so much of the line as is required.

Press the clipping down firmly by the edge, working from left to right. The first row of clippings on the right hand page should be folded back to make room for the second row, and so on across the page.

Additional leaves may be procured of dealers, or will be mailed.

In ordering state number of book.

This Book is No. **5**
