Re: Auditor's Report - FY2025 Chapter 59 Asset Forfeiture Report by Attorney Representing the State

As required by Chapter 59 of the Code of Criminal Procedure, the Auditor's Office reviewed the FY2025 *Chapter 59 Asset Forfeiture Report by Attorney Representing the State* prepared by the District Attorney's (DA) Office. During FY2025, revenues received by the DA's Office from forfeiture funds, interest earned, and auction proceeds totaled \$525,329.07. Expenditures using forfeiture funds totaled \$442,271.13. Based on the review, the auditor believes the amounts presented in the report are reasonable and contain the information required under Chapter 59 of the Code of Criminal Procedure. The report was electronically signed and submitted to the Office of the Attorney General on time.

The DA's Office records both financial and non-financial case activities into the Time Matters and Matrix databases. In October 2024, Matrix was implemented as the new electronic case system. The DA's Office does not necessarily have custody and control of all cash and non-cash assets since other agencies may retain control of certain seized assets. Therefore, we cannot express an opinion whether *all* transactions were recorded into the databases.

The annual *Chapter 59 Asset Forfeiture Report by Attorney Representing the State* report focuses on two separate elements of the asset forfeiture process: financial activity and case activity.

1. Financial Activity: Sections I and II include monies under the control and custody of the DA's Office. We reviewed selected cash transactions recorded in the database to supporting documents such as court orders, seizure reports, and receipts. We also traced cash transactions under the control of the DA's Office to the County's general ledger and found no exceptions.

Section VI includes expenditures made by the DA's Office for activities related to the preservation, enforcement, and the administration of state law. We reconciled the amounts shown on the report to the County's general ledger without exception.

2. Case Activity: Sections III, IV, and V of the report include non-cash assets, such as motor vehicles, firearms, and other property (i.e. TV's, PC's, etc.). On a test basis, we 1) traced the non-cash assets recorded in the Time Matters and Matrix databases to supporting documentation such as court orders and auction sales reports, and 2) performed a physical inspection of the assets under the control of the DA's Office. We observed no exceptions.

We appreciate the efforts of the DA's staff to facilitate the timely completion of this review. If you have any questions, please don't hesitate to call.

Sincerely,

Kimberly M. Buchanan, CPA  
Tarrant County Auditor
