

3rd Annual KIDNEY WELLNESS and HEALTH EXPO
A Chronic Kidney Disease Awareness Initiative of Commissioner Alisa L. Simmons

Dear Friend,

As Tarrant County Commissioner - Precinct 2, I'm committed to improving the health and well-being of my constituents. That's why I'm encouraging you to join me in the fight against **Chronic Kidney Disease**, one of the most common and deadly health conditions affecting individuals across the United States and here in Tarrant County.

Will you become a sponsor of my 3rd Annual Kidney Wellness & Health Expo? Together, we can increase early detection of kidney disease and raise awareness about prevention and treatment of this condition.

Chronic Kidney Disease is a silent killer. It often goes undetected. I'm fortunate: Four years ago, I was diagnosed early with Stage 2 CKD.

My own diagnosis is my motivation for hosting this screening and awareness event. The **3rd Annual Kidney Wellness and Health Expo** will be **Saturday, March 14, 2026**, at the Sub-Courthouse in Arlington. It will offer:

- **Free kidney function screenings**
- **Educational workshops**
- **Healthy cooking demonstrations**

Let's get more Tarrant County residents screened earlier and, hopefully, into treatment.

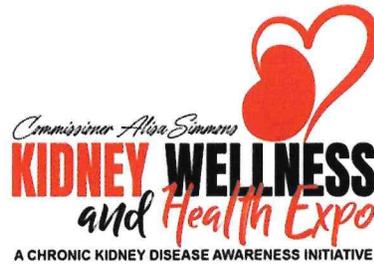

Please return the enclosed Early Bird Commitment Form by Friday, Jan. 16, 2026. As an **Early Bird**, you'll receive two fancy lunches in my office suite during the **3rd Annual Kidney Wellness and Health Expo**.

If you have questions, please reach out to my staff. They're happy to help you. Please call or email Valerie Hill at (817) 248-6099 or at vdhill@tarrantcountytx.gov.

Thank you for your kindness. I look forward to your partnership!

Sincerely,

Alisa Simmons
