

Dear Friend,

I hope 2025 left you with fond memories! Today, I'm inviting you to become a vendor at my **2026 3<sup>rd</sup> Annual Kidney Wellness and Health Expo**. There are no charges. This opportunity is entirely free to community agencies.

The **3<sup>rd</sup> Annual Kidney Wellness and Health Expo** is an **early detection and awareness** event at which individuals at risk of Chronic Kidney Disease may receive early testing.

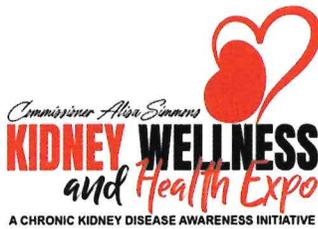

**Chronic Kidney Disease** is a silent killer. The condition often goes undetected until its latter stages. This is particularly true among some demographics. I know firsthand: Four years ago, I was diagnosed with Stage 2 CKD. This diagnosis motivates me to encourage others toward early screening.

The 2026 event will be **10 a.m. to 2 p.m., Saturday, March 14, 2026**, at the Tarrant County Sub-Courthouse in Arlington. Early detection of chronic disease is critical. In the last two years, nearly 225 individuals were screened for kidney disease at my Health Expos. Hundreds more attended prevention sessions. It will offer critical health screenings, free mammograms, performed by the clinical staff at Moncrief Cancer Institute at UT Southwestern, and other health services.

Please let my team know if you will collaborate with me on this project. Complete the attached **VENDOR COMMITMENT FORM** and return it before Jan. 16, 2026. Thank you!

Sincerely,

Alisa L. Simmons
