# **Executive Message**

#### Mission

Working together to build a strong community.

Building a strong community means building strong neighborhoods, developing a sound economy, providing a safe community and fostering a healthy environment.

#### Vision

Fort Worth will be the most livable and best managed city in the country.

The city's vision statement sets forth our aspiration to become even better than we are today as a community and as an organization.

#### Values

There are six values that guide our employees as they go about this work.

- Exceptional Customer Experience
- Accountability
- Ethical Behavior
- Diversity
- Mutual Respect
- Continuous Improvement

#### **Our Priorities**

- Economic Development and Community Investment
- Community Safety
- Infrastructure, Responsible Growth and Fiscal Responsibility

October 1, 2023

Honorable Mayor and Members of the City Council City of Fort Worth, Texas

I am pleased to present to you the Fiscal Year 2024 (FY2024) Recommended Budget. This budget addresses the strategic initiatives of the City Council, including the City's ongoing efforts to invest in a safer, cleaner and greener community while proactively managing rapid growth and providing exceptional service.

I am presenting you with a balanced \$1.0 billion General Fund budget that achieves the following:

- Reflects our consistent growth in population and development
- Continues to emphasize the importance of public safety
- · Continues programs to ensure equitable investment and maintenance throughout the city
- Continues the cash funding dedicated to capital projects, including additional funds for street maintenance and repair, neighborhood improvement, park maintenance and improvements, and information technology
- Lowers the property tax rate to 67.25 cents per \$100 of assessed taxable value, which continues the effort to keep taxes low and competitive
- Reflects a growing investment in green space initiatives and preservation

Addressing the growing demands on our city's resources, the citywide FY2024 Recommended Budget—which includes the Debt Service Fund and most operating funds—totals slightly over \$2.6 billion, which is a 11.4% increase from the FY2023 Budget. Also, the citywide budget includes a total of 8,163 authorized positions (APs).

We remain one of the fastest-growing cities in the nation, as well as one of the most livable communities. During FY2023, two new districts were added to the governing body as a reflection of the enormous growth that has marked Fort Worth as the thirteenth largest city in the country. We continue to believe the future is bright in Fort Worth. We anticipate job and population growth to continue as more companies and people move to Fort Worth. The FY2024 Recommended Budget is our plan to meet our responsibilities, address our challenges, improve our services, and ensure appropriate equitable investments toward infrastructure while maintaining quality services and addressing the demands of a growing city.

Respectfully submitted,

nort Coch

David Cooke City Manager

The FY2024 Recommended Budget is the product of prioritizing expenditures with available revenues while balancing the burden to the taxpayers. The budget process is centered on a broader, organizationally-focused decision-making process that supports its financial health, not only for the upcoming year but well into the future. In addition to the annual operating budget development, the City adopts a five-year Capital Improvement Program that addresses the growth and infrastructure needs. These philosophies and processes ensure our focus is not a narrow operational view but rather a forward-looking strategic view.

The local Fort Worth economy has shown strong growth over the last several years, along with the greater Dallas-Fort Worth metropolitan area; however, the growing demands on the city's limited financial resources while minimizing taxpayer burden continue to set the stage in which the City must operate.

#### **OVERVIEW**

The FY2024 Recommended Budget totals nearly \$2.6 billion, which includes 8,163 authorized positions (AP) and consists of 20 different operating departments (excluding Non-Departmental) plus four appointed officials' offices, across multiple funds, including the General Fund, Special Revenue Funds, Debt Service Funds, Enterprise Funds, and Internal Service Funds. Of the total budget, 39.0 percent, or \$1,013 million, reflects the cost of General Fund activities such as public safety, parks, neighborhood services, economic development, property management, transportation and public works, planning, development, public libraries, and general management of the city. The remaining 61.0 percent, or \$1.26 billion, will fund the operations of the other funds noted above.

#### **GENERAL FUND REVENUES**

In FY2024, Fort Worth is expecting a positive economic outlook with property tax revenue, along with fee income, continuing to grow.

|                      | General Fund Rev | /enue Budget |            |
|----------------------|------------------|--------------|------------|
| FY2023               | FY2024           | Percent      | Dollar     |
| <br>Adopted          | Rec.             | Change       | Change     |
| \$<br>915,340,881 \$ | 1,012,815,875    | 10.6 % \$    | 97,474,994 |

#### **Property Tax**

The City receives the majority of its revenues from property taxes assessed on real and personal property. City staff works with appraisal districts from Tarrant, Denton, Wise, and Parker Counties to prepare property tax revenue projections. By State law, each appraisal district is responsible for the valuation of all property within its jurisdiction. The certified property tax rolls received from all four districts in July 2023 showed an increase in the City's property tax base. In comparison to the July 2022 certified property tax roll, the July 2023 certified property tax roll reflected a 15.6 percent growth in adjusted net taxable property value, mostly due to increases in taxable value.

When updating the seven-year financial forecast and preparing the budget for City Council consideration, staff analyzed many of the factors impacting property tax revenue, including anticipated population growth, historical change in values for residential and commercial properties, current and projected permitting data, the impact of foreclosures, as well as exemptions and protests. Staff also evaluated the allocation of the levy amount, and resulting availability of revenue for operations and maintenance (O&M), as compared to the amount available to repay the city's debt.

#### **Executive Message**

For FY2024, the city's combined property tax rate is recommended to be lowered to \$0.6725 per \$100 of assessed valuation, with the collection rate remaining at 98.5 percent. Based on the O&M levy rate of \$0.5250 per \$100 of assessed valuation, the General Fund portion of the property tax rate is expected to yield approximately \$574 million in revenue for FY2024. The debt service levy rate of \$0.1475 per \$100 of assessed valuation is expected to yield approximately \$161 million, which will allow the repayment of all current and proposed debt obligations.

Going forward, long-range planning includes expectations of an eventual downturn in property tax revenues, despite rising property values, due to the legislative revenue caps and the governing body's desire to minimize the financial burden on taxpayers. The City was fortunate to see an increase in certified values during the pandemic and its economic outlook reflects the growth as new residents and businesses continue to move to Fort Worth.

#### Sales Tax

Sales tax collections are the second major revenue component. In developing the FY2023 budget last year, the City took a cautious approach to formulating sales tax projections. Fort Worth has continued to show resiliency where consumers have sustained spending which generate sales tax receipts. This consumer behavior pushed sales and use tax collections to exceed the original assumptions for last fiscal year. The FY2024 budgeted sales tax is shown with a fairly significant increase as compared to last year. In addition to the rise in recent collections over the original expectations, Fort Worth is leading the way in population growth as the 13th largest city in the United States and one of the fastest growing among large cities. Sales tax collections were evaluated using recent activity, historical trends, and many other economic indicators for the local economy to determine tax revenue. Based on this evaluation and FY2023 year-end budget projections of \$235,300,000, tax revenue is expected to increase in FY2024 by 17.9%, or \$37.9M, from budgeted FY2023 sales tax and is budgeted at \$250,000,000.

#### **GENERAL FUND EXPENDITURES**

| <br>G                | General Fund Expe | enditure Budget |            |
|----------------------|-------------------|-----------------|------------|
| FY2023               | FY2024            | Percent         | Dollar     |
| <br>Adopted          | Rec.              | Change          | Change     |
| \$<br>915,340,881 \$ | 1,012,815,875     | 10.6 % \$       | 97,474,994 |

For FY2024 General Fund expenditures are held in line with revenues. The City strategized to streamline spending, assessing priorities across the organization, and identifying cost savings while also positioning Fort Worth as a leading destination living, doing business, and recreation. Variances or fluctuations in budgeted categories may be greater than in prior years due to this strategic implementation. However, despite identified savings, some costs continue to increase due to a variety of factors, including rising costs of supplies and contractual services, additional facilities becoming operational, improving equity of city services, and enhancing public safety.

Salary and Benefits Changes. The following salary and benefits changes are included in the FY2024 Budget:

- Police Civil Service employees will receive salary increases in accordance with the Meet and Confer Bargaining Contract
- Fire Civil Service employees will receive salary increases in accordance with the Collective Bargaining Agreement between the City and the Fort Worth Professional Firefighters Association
- Pay for performance for general employees is budgeted at four percent (Ranges 0-7% with anticipated average cost of 4%)
- Select City employees holding positions identified by Human Resources as "hard-to-fill" were granted a 2.5% salary increase to assist with recruitment and retention efforts

• Pay structure adjustment of 3% for general employees and implementation of Benchmark Salary Survey recommendations; both adjustments are distinct from pay for performance

# **Processes** and **Policies**

#### **Processes and Policies**

#### Purpose

The budget summarizes all public service programs provided by the City of Fort Worth. The operating budget represents the annual plan for the allocation of resources for the period of October 1, 2023, to September 30, 2024 (Fiscal Year 2024). Amounts are shown to the whole dollar, so there may be slight variances.

#### Introductory Information

This section explains the budget process, the budget calendar, the fund structure, the basis of accounting and budgeting, and other relevant financial policies.

#### **Summary Information**

In this section, revenue and expenditure summaries are provided for the total City of Fort Worth operating budget. Also, it provides a summary of the ad valorem taxes and overall revenue highlights for the FY2024 Operating Budget.

#### **Department and Fund Pages**

#### **Operating Department and Fund Summaries**

Each department and fund displays summary information for the related revenues, expenditures, and staffing. The summary compares FY2022 actual results, the FY2023 adopted budget and adjusted budget, and the FY2024 recommended budget.

#### **Authorized Positions**

Authorized positions (AP) are positions that are formally approved by the City Council and will always have a count of one (1). If a position is funded partially from the General Fund (or a department's operating fund) and partially from another funding source, the AP is accounted for in the General Fund (or the department's operating fund), regardless of the portion of funding.

#### **Full-time Equivalent Positions**

Each department summary includes the number of full-time equivalent positions (FTE) that are budgeted to the department and fund. One FTE represents 2,080 hours of work on an annual basis. The number of FTEs will differ from the number of approved positions and can range from a fraction of a position to a whole number based on how the position is funded. A reduced number of FTEs in a department and fund will also represent a part-time position or indicate that a portion of the position is budgeted in another fund.

#### **Department/Fund Purpose and Goals**

This section provides an overview of the fund and/or department by identifying the purpose and goals. This section may also explain how the fund and/or department is structured to provide its services.

#### FY2024 Discussion

This section highlights the major changes from the prior year's budget to the FY2024 budget. This ranges from organizational changes to service enhancements to drivers of major changes from the prior year. This section is intended to let the reader know what has significantly changed from the prior year.

#### Creation of the Budget

The annual budget process commences in the winter of the preceding year with the City Council retreat. The City Council establishes city goals and provides information to executive staff. The executive staff then creates the city budget calendar. The calendar establishes the timeline for the process, including the date of submission of departmental requests, budget work sessions, and public hearings that lead to the final adoption of the budget.

Department requests are based on the organization's budget assumptions. Before considering budget increases or savings, the base budget is developed. The base budget is generally defined as the cost of providing the same service, at the same service level, in the next fiscal year. The FWLab creates a target base budget for each department. The target is based on numerous factors, including salary projections, annualizing prior-year commitments, removal of one-time costs from the prior fiscal year, and other factors. After the target is established, department staff may modify the amounts within the target total but are to submit an operating budget delivering the same service level or greater at or below the budget target.

Departments may submit proposed increases or decreases to service levels and budget requests along with supporting documentation. The requests are reviewed and subsequently approved, denied, or modified for inclusion in the adopted budget.

#### **City Council Authorization / Appropriation**

In compliance with the Fort Worth City Charter, the City Manager must submit to the City Council a recommended balanced budget that provides a complete financial plan for all city funds and activities for the ensuing fiscal year, on or before August 15th of each year. The budget is required to be adopted by the City Council before September 30th, before the start of the next fiscal year. The City of Fort Worth traditionally adopts the budget in the middle of September.

#### **Budget Implementation & Monitoring**

Once the budget is adopted in September, it becomes the legal basis for the programs of each department of the City during the upcoming fiscal year. No department or other agency of the city may spend more than the appropriated amounts. Financial and programmatic monitoring of departmental activities throughout the year ensure conformity to the adopted budget. Unencumbered appropriations lapse at the end of the fiscal year and are returned to fund balance; in rare circumstances, these funds may be re-appropriated in the subsequent fiscal year for the same purpose by City Council. The City Manager is responsible for maintaining a balanced budget at all times. If there is an excess of expenditures over revenues or appropriations, the City Manager will take necessary actions to rebalance the budget.

The city conducts comprehensive forecasts of revenues and expenditures throughout the fiscal year. These forecasts are used to assist in budget development, budget monitoring, and performance management. Based on the results of these forecasts, the City Manager may direct the necessary actions to maintain a balanced budget in the current fiscal year or adjust recommendations in the subsequent budget.

The budget is published online at the city's website <u>www.fortworthtexas.gov</u>.

#### January 1 – February 28, 2023: City Manager's Office Budget Preparation

- Review of forward looking assumptions and financial models
- Allocation review and approval
- Prior Year Commitment review and approval
- Review Programmable Spend and available Capital Fund Balances
- City Council Retreat

#### March 9: FY2024 Budget Kickoff

- Provide guidance and goals for the FY2024 Budget
- · Discuss assumptions/specifications for budget development
- Communicate budget development process to departments

#### March 9 – April 20: Develop FY2023 Month 5 Forecast

- Departments develop Month 5 Forecast and implications for FY2024 Operating Budget
- FWLab reviews forecasts with departments and adjusts as necessary
- Executive level review Month 5 Forecast

#### April 3 – June 2: 5-Year CIP Development, Entry, and Review (2024-2028)

- Review current 5-Year CIP to update/change existing years and add 2028
- Executive level review and feedback for CIP development

#### April 3 – June 2: Business Performance Plan Development

- Departments review and update BPP for FY2024
- Departments review and update Key Performance Indicators (KPI)
- Executive level review and provide feedback on KPIs

#### April 3 – June 2: FY2024 Budget Development

- Enter Department Requested Budget matching adjusted budget
- Executive level review and approval for 2024 Budget Development

#### April 5 – July 30: FY2024 Revenue Manual

- Provide data for improvements to the new Manual
- Review fee schedules and data
- Complete and compile final changes

#### June 7 – August 9: Develop FY2023 Month 8 Forecast

- Departments develop Month 8 Forecast FY2024 Operating Budget
- FWLab reviews forecasts with departments and adjusts as necessary
- Departments submit plans to cover any budget shortfall for FY2023
- Executive level review Month 8 Forecast and finalize FY2023 budget changes due to forecast
- Create Wind-up M&C based on Month 8 Forecast

#### June 14 – June 16: Budget Blitz – FY2024 CMO Budget Review

• Departments present FY2024 decision packages to the Executive level to review

#### June 27 – July 31: CMO Budget Review – Decision Package Consideration

- Review FY2024 Proposed Budget
- Review and approve Decision Package requests

#### July 25 – 31: Certified Tax Roll Received

- Receive Certified Appraisal Values
- Determine impact on budget development

#### August 8: City Manager Delivers Recommended Annual Budget and 5-Year

#### **Capital Improvement Program**

- Presentation of the City Manager's Recommended FY2024 Annual Budget to the City Council (includes a presentation of CCPD funding application)
- Presentation of the City Manager's Recommended FY2024-2028 Capital Improvement Program to the City Council

#### September 19: Public Hearing

• Public hearing on the City Budget; Public hearing on the Tax Rate; and approve proposed Fee Changes

#### September 19: FY2024 Operating and CIP Budget and Tax Rate Adoption

- City Council considers FY2024 Budget for adoption
- City Council adopts tax rate for FY2024
- Action establishes split between Operating/Debt Service tax rates

#### October 2023 – January 2024: Year-end Finalization of FY2023

- · Verify all transactions were completed for FY2023 Operating and Capital Budgets
- Confirm all M&C's have been completed and processed for FY2023
- Executive level Year-End Financial review and address any concerns/provide feedback

#### November 14: Adopted Operating Budget & 5-Year Capital Improvement Program Published

- Fiscal Year 2024 Adopted Operating Budget Book is published
- Fiscal Year 2024-2028 5Year CIP is published

#### **Processes and Policies**

#### Purpose

The City's accounts are organized based on funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts comprised of assets, liabilities, fund equity, revenues, and expenditures or expenses as appropriate.

#### **Governmental Fund Types**

Governmental funds are used to account for the majority of the City's activities and are comprised of the general, general debt, and special revenue funds.

#### General Fund:

The General Fund is the primary operating fund of the City. It is used to account for all financial resources except for those required to be accounted for in another fund. The primary revenue sources are non-exchange revenues such as taxes for which the City accounts on a modified accrual basis.

The General Fund is first subdivided into individual departments to account for functional and program activities. The departments may be further divided into divisions to account for greater detail. For example: the Police Department is the parent department to the Police Traffic Division.

#### **General Debt Service Fund:**

The Debt Service Fund is used to account for principal and interest payments for the city's long-term, taxsupported debt.

#### Special Revenue Funds:

Special revenue funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes.

#### **Proprietary Fund Types**

Proprietary funds are used when the city charges customers for services it provides to recover the costs of providing the services. This group includes both enterprise and internal service funds.

#### **Enterprise Funds:**

Enterprise funds are used to account for operations that are financed and operated as private businesses. The goal of the city is that the costs (expenses, including depreciation) of providing the service are recovered through user charges. The primary customers are outside entities. For example: a homeowner who receives water service. The City of Fort Worth has five enterprise funds.

#### Internal Service Funds:

Internal service funds are used to account for operations that are operated as private businesses, but the primary customers are internal departments. The City of Fort Worth has five internal service funds.

#### Fiduciary Fund Types

Fiduciary funds are used to account for resources held by the City as a trustee or agent. Fiduciary funds account for assets held by the city in a trustee capacity or as an agent for individuals, private organizations, other governments, and/or other funds. The city currently only budgets for the Retiree Healthcare Trust.

#### Capital Project Funds

Capital project funds are used to account for financial resources dedicated to the acquisition of major capital facilities and the implementation of capital-oriented city initiatives.

#### **Budgeting Philosophy**

The City Council is responsible for legislation, policy formulation, and the overall direction of the government. This includes the approval of financial policies that establish and direct the operations of the City of Fort Worth. The City Manager is responsible for carrying out the policy directives of the City Council and managing the day-to-day operations of the executive departments.

The City's framework for fiscal decision-making is a comprehensive set of Financial Management Policy Statements. As required by charter, the City adopts an annual balanced budget for which the level of expenditures for each department or fund may not legally exceed the appropriations for that department or fund. The budget is prepared in a manner that reflects the full cost of providing services. Estimated beginning fund balance/net position, estimated revenue and receipts, appropriations and the estimated year-end fund balance/net position for key operating funds can be found in the Citywide Fund Balance Summary in the Budget Highlights section of this document.

The City shall take an objective and analytical approach to forecast revenues, expenditures, and expenses as accurately as possible. While absolute certainty is impossible, should revenues or expenditures be inaccurate, necessary corrections will be completed to bring the budget into balance. The overall budget appropriation may be increased via a supplemental appropriation ordinance that allocates funds that are certified as being more than those included in the budget but unencumbered. Amendments shall be considered and adopted by the City Council. Upon request by the City Manager, the City Council may transfer part or all of any unencumbered appropriation balance from one department to another through an appropriation ordinance.

#### **Basis of Budgeting**

The City's budgets for governmental funds, which include the General Fund, capital project funds, special revenue funds, and debt service funds, are prepared using the modified accrual basis of accounting, with the exception of a change in the fair value of investments that are not treated as adjustments to revenue in the annual operating budget.

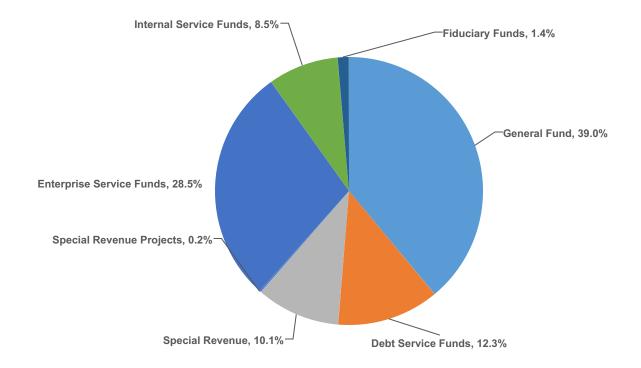

The budgets for all proprietary funds, which include enterprise funds and internal service funds, are prepared using the full accrual basis of accounting. Internal service funds are maintained to account for services provided primarily to departments within the city. Under this method, with limited exceptions, revenues are recorded when they become measurable and available to pay expenses, and expenses are recorded at the time liabilities are incurred. Exceptions to the foregoing general principles for the operating budget are:

- Changes in the fair value of investments are not treated as adjustments to revenue
- Debt service and capital lease principal payments are treated as expenses
- Depreciation expense is not recognized
- Capital purchases are recognized as expenses

### **Total Revenue by Fund**

Note: Debt Service Funds include the appropriation of Special Revenue Fund and Enterprise Fund related debt service payments. The respective Special Revenue or Enterprise Fund transfers funding to the Debt Service Fund. Asset Forfeiture Funds, Public Improvement District and Taxing Increment Reinvestment Zone Funds are not included in the table above. Contra accounts are used to reduce expenditures between departments in the General Fund.

Texas Local Government Code authorizes municipalities to establish fees for "performing services and duties permitted or required by law." For some services, the application of fees is not permitted or may be restricted to amounts prescribed in other Texas Local Government Code sections. For those service fees not restricted by code, the City has adopted financial policies specific to revenue to assist the City Manager in recommending fees. Fees are reviewed on an annual basis and updates are presented to the City Council during the budget process.

Fees may be defined by financial policy, as regulatory or non-regulatory. Regulatory fees are those charged to individuals for participation in government regulated activities. Examples include building permits, code enforcement permits, and plan review fees. For regulatory fees, the financial policy serves to recover the full cost of the service unless restricted by code.

Non-regulatory fees are likely to be charged for a wide variety of services and require additional consideration in establishing non-regulatory fees, including "1) to influence the use of service and; 2) to increase equity." As such, non-regulatory fees may not recover the total cost of service. For additional information on all fees, please refer to the Financial Management Policy Statements.

The following tables reflect expected fee changes for FY2024 to be made effective October 1<sup>st</sup>, 2023. Fee changes are based on market comparisons and evaluation of cost to deliver services. Some FY2024 changes may still be under consideration, and no fee changes will be official until they are adopted by City Council along with the FY2024 budget.

| Food Service Establishment/Grease Trap Permit Fee | \$175           | Increase of \$39      |
| Liquid Waste Hauler Permit - for vehicle          | \$400           | Increase of \$100     |

This section covers the City's revenues presented by source for all of the city's operating funds. The total sources of revenue for the city are as follows:

### What are all the Sources of Revenue for the City?

Charge for Service, Property Tax, and Sales Tax make up 75% of all city operating revenues. Charge for service is received by multiple city funds, including the General Fund and enterprise funds; property tax is received by the General Fund, debt service, and applicable tax increment reinvestment zone funds; and sales tax is only received by the General Fund and the Crime Control and Prevention District fund. The following provides information on each source of revenue with emphasis on the general fund.

### **GENERAL FUND**

### **Property Taxes**

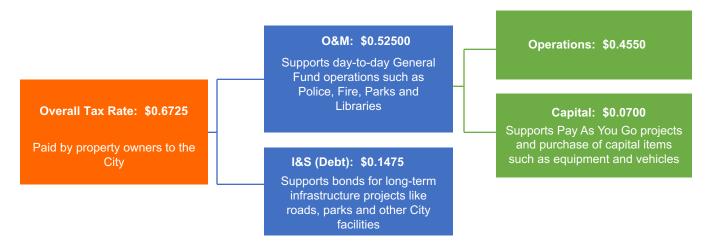

In keeping with City Management goals to maintain/lower the property tax rate, the FY2024 Recommended Budget lowers the city's property tax rate from \$0.7175 per \$100 net taxable valuation to \$0.6725 per \$100 net taxable valuation. Comparisons are shown below for the Tax Rate, Appraised Value, and Adjusted Net Taxable Value.

|                             |                 |                 | Variance   |       |  |  |
|-----------------------------|-----------------|-----------------|------------|-------|--|--|
| Comparison                  | FY2023          | FY2024          | \$         | %     |  |  |
| Tax rate per \$100 of value | \$ 0.7125       | \$ 0.6725       | \$(0.0400) | -5.6% |  |  |
| Appraised Value             | 133,177,031,015 | 155,936,572,617 | \$22.8B    | 17.1% |  |  |
| Adjusted Net Taxable Value  | 100,073,539,805 | 115,730,642,125 | \$15.7B    | 15.7% |  |  |

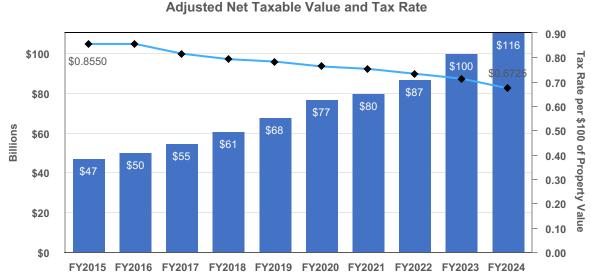

Charges for Service, Property Tax, Sales Tax and Transfer In make up 84.50% of all revenues.

Adjusted Net Taxable Value is the basis for the city's property tax revenue calculation.

The tax rate is further delineated between operating and debt rates. The operating and maintenance (O&M) rate of \$0.5250 cents and the interest and sinking (I&S) rate at \$0.1475 cents. The allocation and use of the O&M rate versus the I&S rate is depicted in the diagram that follows.

As a result of both new construction and increases in existing values, the city is projected to collect \$47 million more in General Fund property tax revenue compared to FY2023. The next graph shows the ten-year property tax trend with tax rates.

According to the certified data from the Tarrant Appraisal District, the average appraised value of a single family

home in the City of Fort Worth is \$280,949 in 2023.

The estimate of the FY2024 tax revenue is based on the certified data provided by the central appraisal districts of Tarrant, Denton, Wise and Parker Counties in July 2023. The assumed collection rate is 98.50% for the purpose of estimating revenue. Other factors affecting current property tax revenue are the exemptions to assessed valuation authorized by the State and additional exemptions and freezes granted on a local option and approved by City Council.

The most significant exemptions approved by the City Council are:

- The general homestead exemption of 20 percent available to all residential homestead properties,
- An increase from \$40,000 to \$60,000 in FY2024 provides additional homestead exemption granted to citizens who are age 65 and older, and/or Disabled residence homestead owners; and
- The freeport exemption for commercial goods to be exported from the state.

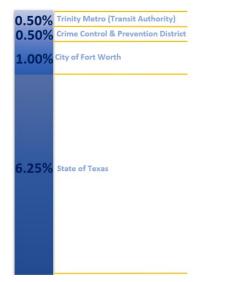

The table on the next page indicates the loss of taxable value for various exemptions from the certified roll, as well as calculations for budgeted revenue:

| Total Appraised Value                               | \$<br>155,936,572,617 |
|---|-----------------------|
| Less  |                       |

### Sales Tax

Of the total sales and use tax paid on a purchase, the City only receives a small portion. The following depicts where the sales tax is distributed.

### You pay 8.25% Sales Tax, but the City doesn't get all of that

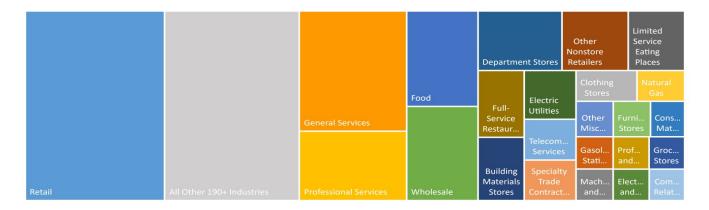

Sales tax revenue from the city's one-cent of the sales tax, exclusive of the one-half cent special use tax for the Crime Control and Prevention District Fund, is projected to equal \$250.0M. As sales tax revenue was growing significantly after COVID-19, significant growth was expected for 2023. FY2023 preliminary year end projections were showing collections exceeding the original estimates developed for the year. Original expectations for FY2023 were \$212.1M and the fiscal year-end preliminary projection was up \$23.2M for a total of \$235.3M at the time of FY2024's development. The FY2024 Budget's expectation of \$250.0M is an increase of \$37.9M or 17.9% from the FY2023 budget. This revenue is dependent on the level of wholesale and retail sales and the economic strength of the local economy. Over the past ten years, the City of Fort Worth sales tax collection has grown from \$125.5M in 2014 to the estimated amount of \$250.0M for FY2024, which represents a 99.2% growth over the last ten years.

### **10 Year Sales Tax Collection**

Historical improvement in economic conditions demonstrated by actual receipts reported by the State Comptroller's Office and growth of the city has influenced growth in the past and is leading the current and future performance of sales tax. This growth pattern was originally projected to taper through FY2024, however the most recent collections are proving to be more resilient than originally anticipated. Sales Tax activity is expected to continue to pick up in FY2024 and be more stable than FY2022 or FY2023.

Sales Tax is collected from a broad range of industries. Fort Worth receives a substantial amount of revenue from the retail, general services, professional services, food and wholesale industries.

### Other Taxes

Other Taxes includes, among other sources, revenue from communications providers, utilities, taxes on beverage sales, and bingo-game receipts. The FY2024 Recommended Budget includes an increase of \$22.31M, or 23.3%, in Other Taxes. Some of the largest sources of the increase are franchise fees for gas and electric, as well as the State Mixed Beverage Tax, which increased by \$2.5M, or nearly 50%.

### **Licenses and Permits**

Licenses and Permits are primarily made up of the building, residential, alarm, and health permit fees. Revenues in this category are anticipated to increase by approximately \$0.9M, or 3.9%, from the FY2023 budget. This is a smaller increase than in recent years, with the majority of new revenue coming from Health Permit revenue (increase of \$0.6M).

### Intergovernmental Revenue

Revenue from other government agencies is mainly made up of reimbursement for indirect costs. Revenues in this category are projected to increase by \$5.7M, or 38.2%, in FY2024. A significant source of the increase is revenue from the Texas Comptroller, with a 29% (\$2.7M) increase over FY2024 levels.

### **Charges for Services**

Service Charges are mainly made up of administrative service charges, allocations for technology services, deferred and penalty fees for court services, plan review fees, gas well annual fees, registration fees, site reservations, planning commission fees, mowing fees, and fire inspection fees. Revenues in this category are increasing \$71.6M, or 9.4%, from the FY2023 budget. This revenue category is the most diverse among City revenues, with FY2024 growth coming from internal services and allocations, utility services, and admissions to recreational properties owned by the City.

### Fines, Forfeitures, and Special Assessments

Fines, Forfeitures and Special Assessments are mainly made up of traffic fines, general fines, and parking fines. Revenues in this category are projected to decrease by approximately \$1.0M, or 13.5%, from the FY2023 budget.

Building on a multi-year trend in the City, these reductions are driven by a decrease in traffic fines of \$1.1M (24.3%), an even greater decrease than that seen in the FY2023 budget.

### Use of Money and Property

Revenue from Use of Money and Property consists primarily of interest on investments, commercial exhibit building rentals, and lease revenue. Use of Money and Property revenues are projected to increase by approximately \$8.4M, or 22.5%, from the FY2023 budget. The largest individual increase is in interest earnings (up over \$2.2M from FY2023), but a variety of lease revenue streams constitute a significant portion of the overall growth in this revenue category.

### **Other Revenue**

Other Revenues are mainly made up of reimbursement of labor costs and miscellaneous revenues. Revenues in this category are projected to decrease by \$11.6M, or 7.4%, from the FY2023 budget. Though Miscellaneous Revenue continues to decrease (down \$1.3M or 9.3% from FY2023) as more appropriate and descriptive revenue accounts are used, this decrease is offset by increases in accounts such as Revenue Sharing (\$2.6M) and Recovery of Utilities, which increased by more than \$2.4M and 110%.

### **Operating Transfers**

Transfer payments consist of revenues that are transferred from funds such as Solid Waste, Water and Sewer, Stormwater, and Crime Control Prevention District to the General Fund. Revenues in this category are projected to increase by \$27.1M or 12.4% from the FY2023 budget. This change was primarily due to an increase in the transfer from Water/Sewer of \$16.3M, or 12.3%, which is received as a street rental fee from the Water department.

# **Governmental Funds**

# **General Fund**

### FUND PURPOSE AND GOALS

The General Fund is the largest fund within the City and includes the highest revenue total in the overall city budget.

Under the City's Financial Management Policy Statements (FMPS) and concerning a reliable, equitable, and diversified revenue stream, General Fund revenues include property tax, sales tax, operating transfers, charges for service, license and permit fees, fines, forfeitures and special assessments, and miscellaneous revenues such as intergovernmental revenue, use of money and property, and other revenue. These revenues are used to finance city departments that provide basic services. There are several other funds in the City of Fort Worth; however, most activities that are supported by tax dollars are included in the General Fund and Debt Service Fund.

The City's property tax generates the highest percentage of General Fund revenue. Property taxes are levied on both real estate and personal property according to each property's valuation and the tax rate. In FY2024, the city is adopting a property tax rate of \$0.6725 per \$100 of assessed valuation, which is \$(0.0400) lower than FY2023. Approximately \$0.5250, or 78.07%, of that property tax rate, funds General Fund operating expenditures, such as supplies and contracts, and approximately \$0.1475, or 21.93%, goes to debt service to pay the principal and interest on capital projects. Sales tax, the second-largest revenue source for the city, performed better than anticipated throughout much of FY2023, and is projected to be \$23M over the established budget. Sales tax in FY2024 is expected to return to normal growth and be more stable than FY2022 or FY2023.

General debt service is the City's obligation to pay the principal and interest on all bonds and other debt instruments according to a payment schedule. It is funded through taxes levied by the City and is estimated to total \$161,328,713. Property tax revenues associated with debt service are deposited directly into the General Debt Service Fund.

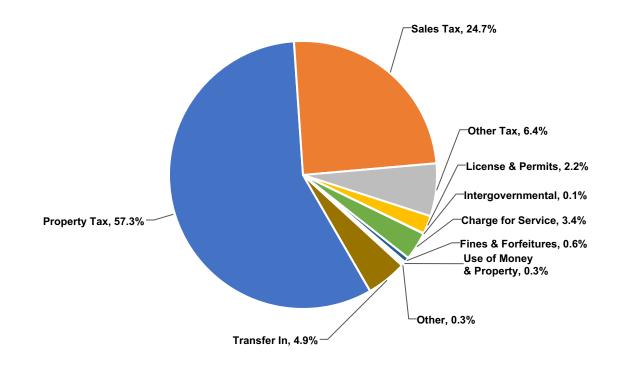

Departments funded by the General Fund provide primary services directly to the public and support services provided to other city departments. Under the FMPS, the City's FWLab determines the administrative service charges which are due to the General Fund annually. These charges are then budgeted accordingly in all other funds.

The City also makes a concerted effort to maintain the General Fund's unassigned fund balance at a minimum of 10.0% of the current year's regular ongoing operating expenditures, to maintain two months' worth (16.67%) of regular ongoing operating expenditures. During the year, the Finance staff closely monitors the condition of the General Fund and all other city funds, and a financial forecast report is prepared annually that evaluates revenues, expenditures, and performance indicators while simultaneously discussing trends and critical issues affecting the City. The General Fund budget supports 5,537 authorized positions, 21 operating departments (these counts exclude the Non-Departmental designation), and 4 appointed officials' offices. Each department and office, listed alphabetically in the General Fund section, has a primary focus.

### DEPARTMENT PURPOSE AND GOALS

The City Attorney's Office, under the direction of the City Attorney, is responsible for the administration of all legal affairs of the City; City representation in all lawsuits, litigation and hearings; preparation of ordinances, contracts, and all other legal documents; and the rendering of legal advice and opinions to the City Council, City Manager, and City departments.

The City Attorney's Office has two divisions: Transactional and Litigation. The Transactional division provides transactional and advisory services as general counsel, whereas the Litigation division handles the bulk of lawsuits in-house. Each division is further comprised of three sections based on areas of practice. Each section is supervised by a Senior Assistant City Attorney who acts as the section chief. In addition, two section chiefs serve on the executive team, along with the City Attorney and Deputy City Attorneys. Support Services provide clerical and other assistance to the attorneys in all sections of the department.

The Transactional Division is comprised of three sections: Real Estate and City Facilities, Land Use and Regulatory Compliance, and General Services. This division handles all City contracts, advises almost all City boards and commissions and counsels the City Council and City staff on matters relating to the administrative functions of government, such as taxation, elections and budgeting. Outside counsel is retained only in those instances where specialized expertise is needed, workload constraints are present, or a conflict exists.

The Litigation Division is comprised of three sections: Employment and Human Resources, Public Safety, and General Litigation. Attorneys in this division represent the City in cases in which the City of Fort Worth is a party. This division also handles civil rights, code compliance, employment, general litigation and prosecution in municipal court.

### FY2024 DISCUSSION AND SIGNIFICANT CHANGES

The Recommended Budget:

- Increases by \$421,921 for four authorized positions that were paid from the Capital Projects Service Fund during FY2023
- Increases by \$287,686 and two authorized positions for collaborative work with Police to identify and provide legal advice in various areas related to police work and policy
- Increases by \$156,480 and one authorized position to partner with Code Compliance and Police to identify and effectively mitigate nuisance properties
- Increases by \$72,338 in salaries and benefits to reclassify three authorized positions for better supervision and management of increasingly complex service deliverables
- Increases by \$459,407 for prior year commitments\$449,583 Salary & Benefits and \$6,824 Operating & Maintenance
- Increases by \$415,800 in Other Contractual Services to scan and retain critical documents in an electronic format prior to the move to the future City Hall

### DEPARTMENT PURPOSE AND GOALS

The City Auditor is appointed by and serves at the discretion of the Fort Worth City Council. The City Auditor is assigned the responsibility to direct financial, operational, compliance, and information technology audits for city functions and activities; to undertake special projects; and to perform analyses and investigations as assigned by the City Council and/or requested by the City Manager.

The City Auditor's Office assesses citywide risks and conducts audits to help ensure proper risk management and good governance.

### **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

The Recommended Budget:

- Decreases by (\$43,244) and two authorized positions (APs) from the elimination of two remaining part time positions and one full time position and the addition of one full-time Senior Auditor
- Increases by \$113,749 in salary and benefits for previously approved costs associated with pay for performance, rising health care costs and pension contributions
- Increases by \$89,550 in salary and benefits for pay band adjustment, rising health care costs and pension contributions
- Decreases by (\$19,417) in contractual commitments
- Decreases by (\$8,105) in General Operating & Maintenance for previously approved costs associated with risk management and IT solutions allocation costs

### DEPARTMENT PURPOSE AND GOALS

The City Manager's Office is comprised of five divisions: Administration, Mayor and Council, Government Relations, Office of the Police Oversight Monitor, and Education Strategies which operates with support from the administrative team.

Administration is responsible for administering the programs and policies established by the City Council. It directs and coordinates the operations of the city departments and informs and advises the City Council regarding city transactions, existing conditions and future requirements. Additionally, the City's Educational Strategies initiative is housed in CMO.

The primary function of the Education Strategies division is to leverage the City of Fort Worth's resources towards improving education and developing a more competitive workforce by establishing strategic partnerships and collaborations with various school districts, businesses, social service agencies, and community institutions.

Mayor and Council division supports the City Council with a full-time staff and Council District Managers. They provide oversight of office operations, handle citizen interactions, draft correspondence and speeches, and work on various special projects.

Government Relations division is responsible for researching and assisting in the passage of federal and state legislative initiatives that favorably affect the City of Fort Worth and its citizens. It also is responsible for the coordination of affairs with other governmental and public entities.

### **General Fund**

The Police Oversight Monitor Division (OPOM) is the designated community oversight agency empowered to act fairly and impartially, ensuring greater accountability and public trust in Fort Worth law enforcement.

It is responsible for the review of Fort Worth Police Department (FWPD) policies, procedures, and patterns related to police interaction with the community, the monitoring of administrative investigations, inquiries, and uses of force to ensure a fair and equitable process while identifying patterns in its reviews and recommending policy and procedure changes. It monitors the recruitment process to ensure fairness and equitable treatment.

OPOM also participates in community-police engagement activities to understand diverse perspectives and identify solutions for improving community-police relations. They collect data and perform analysis, identify patterns and trends, and provide periodic reports on the OPOM's activities, initiatives, auditing, and review of FWPD policies, procedures, and practices. The office continues to serve as a community resource that works to improve trust between the police and citizens..

### **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

The Recommended Budget:

- Increases by \$168,187 for the addition of one (1) authorized position (AP) in the Governmental Relations Division and associated operating expenses
- Increases by \$335,611 in salary and benefits for previously approved costs associated with pay for performance, step increases, rising health care costs, pension contributions and retiree over limit adjustments
- Increases by \$60,500 for additional Council District operating budgets
- Increases by \$121,953 for allocations associated with retiree health, risk, workers compensation and IT Services

### DEPARTMENT PURPOSE AND GOALS

The City Secretary, appointed by City Council, is responsible for the management of the City Secretary's Office, The mission of the Office is to promote transparent and efficient government through proper recording and preservation of the City's Legislative history and documents; provide excellent customer service to residents; conduct municipal elections that are fair and compliant with the Texas Election Code; oversee the boards and commission program; provide support to Council meetings; ensure compliance with the Texas Open Meetings Act for Council and Board and Commission agendas; and provide for efficient and effective life-cycle management of all records of the City. To achieve the mission the Office is divided into four core functional areas:

The administration area is responsible for providing support to Council and Council Corporation meetings including posting of all meeting notices, speaker registration, retaining all Council meeting documentation, serving as a central repository for contracts, posting of all public notices, board and commission agendas and other related public notices, processing liquor licenses, coordinating the board and commission program, publication of the City Code of Ordinances, coordinating all required financial filings by Council Members and City Staff, managing the Public Records search page; and conducting research from Council, staff and residents for Council approved documents

The Office serves as the City-wide coordinator for the Public Information Program including the intake of all requests from the public, coordinating and processing the requests, ensuring deadlines are met, submitting requests for opinions from the Attorney General and serving as a point of contact with residents interested in accessing City records and information.

The City Secretary serves as the Election Administrator for all City-held elections, including contracting with the appropriate counties for election services, serving as point of contact with candidates, candidate filings, candidate packet and forms, campaign finance filings, election notices and publication notices of upcoming elections, new Council orientation, and serving as a resource for candidates, media and residents on election related questions.

### **General Fund**

The Records and Information Office advises and facilitates the creation, maintenance, retention, access and disposition of all City records to ensure compliance with all state requirements. The Office partners with the Information Technology Solutions Department to implement and manage enterprise information management solutions among City departments.

### **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

The Recommended Budget:

- Increases by \$179,949 for prior year commitments \$191,946 Salary & Benefits and (\$11,997) Operating & Maintenance
- Increases by \$10,000 for high-speed scanner for efficient document scanning to make Council documents available online and ensure their preservation
- Increases by \$2,500 to purchase promotional and marketing materials for better visibility at Citywide events and through outside entities

### DEPARTMENT PURPOSE AND GOALS

The Code Compliance Department's mission is to improve public health, welfare and safety through progressive services that focus on education, prevention, compliance and community partnerships. This mission is accomplished through six divisions: Administration, Code Enforcement, Environmental Health Services, Animal Welfare, Solid Waste Services and Environmental Protection.

The Administration Division provides support to the five operating divisions and consolidates departmental accounting, budgeting, purchasing, training, and human resource functions. In 2019, the Matrix Staffing Report found this arrangement and breakout to be a best practice for both function and accountability.

The Code Enforcement Division includes the Building Standards and Neighborhood Investigations Sections. Building Standards investigates substandard housing issues, manages the multifamily registration and inspection program, and facilitates the activities of the Building Standards Commission. Neighborhood Investigations provide neighborhood code enforcement, including investigating citizen complaints specific to trash and debris, junk vehicles, zoning violations, environmental investigations and high grass and weeds. The Consumer Health Division includes Consumer Health Services, Mosquito Disease Surveillance & Response (Vectors) and Commercial Code Compliance/Game Room sections. Consumer Health issues health permits, performs health inspections, and performs complaint investigations of food establishments, public swimming pools/spas, daycare centers and hotel/motels. Additional responsibilities include building plan reviews and food handler and pool operator training. The mosquito surveillance section ensures proactive measures to control vector diseases, as well as providing rapid responses to reduce the risk of exposure to citizens. The Commercial Compliance/Game Room Enforcement team addresses commercial zoning violations, as well as property maintenance issues such as litter, rodents, vermin, sewage overflows, etc.

Animal Welfare provides field responses for stray animals, hazardous or ill wildlife, animal cruelty complaints and bite investigations. It also provides care and a safe environment for sheltered animals, facilitating animal adoptions at two Shelters and two satellite adoption centers. In addition, the Department's spay/neuter clinic is administered through this division. Animal Welfare relies heavily on volunteer support, private donations, shelter operations, and partnerships with adoption programs.

NOTE: Solid Waste Services and Environmental Protection Summaries are included respectively in the Solid Waste Fund section and the Environmental Protection Fund section of the budget book.

### **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

A City reorganization will create the new Environmental Services Department in FY2024. The new Environmental Services Department will operate through the Solid Waste Fund, the Environmental Protection Fund, and the portion of the General Fund budget used to date for Code Compliance Consumer Health; thus, in FY2024, roughly \$4.6M of the General Fund budget previously allocated for Code Compliance Consumer Health will be under the direction of the Environmental Services Department. Though this could not be included in the Recommended Budget Book, City staff aims to reflect the reorganization in the adopted budget and FY2024 Adopted Budget Book. Aside from the impact of the new department director's salary, the reorganization will be budget-neutral.

The Recommended Budget:

- Increases by \$908,800 for 8 Approved Positions (AP) to increase the capacity for health and safety inspections.
- Increases by \$583,755 for 3 AP for homeless outreach.
- Increases by \$247,806 for 3 AP to increase staffing and equipment needs.
- Increases by \$220,295 for 2 AP to increase support for the Animal Control division.
- Increases by \$219,041 for 2 AP to enforce Boarding Home regulations.
- Increases by \$76,606 for 1 AP for a media services specialist.
- Increases by \$1,166,727 in salary and benefits for previously approved costs associated with pay for performance, rising health care costs and pension contributions.
- Increases by \$688,000 in revenue for expected increases in permitting and serving a growing city.
- Increases by \$248,894 in revenue due to a transfer from the Solid Waste Fund.

### DEPARTMENT PURPOSE AND GOALS

The City of Fort Worth Communications and Public Engagement office works with city departments, city leadership, and elected officials to inform and engage the residents of Fort Worth about the activities of the city through comprehensive use of public engagement and communication tools. It ensures that employees receive regular communications and information on initiatives and important city issues.

The program's key initiatives are to:

- Tell the city's story and educate the public on services and accomplishments
- Educate and inform the City of Fort Worth employees to become ambassadors for the city, emphasizing benefits, healthy living, volunteerism and education
- Use new and existing technologies to improve digital outreach for the city and enhance the delivery of city messages.
- Incorporate new technology and customer-focused strategies to improve our customer service and responsiveness to residents.
- Expand and improve outreach throughout the city, identifying underserved audiences and new opportunities for community engagement

The Department is composed of four distinct work areas: Communications, Community Engagement, FWTV and the City Call Center. The Communications division oversees all communications for the City of Fort Worth. This includes media relations, email marketing, internal and external communications, social media, graphic design, and the city's website. The Community Engagement Office is responsible for community outreach and education through regular contact with neighborhood associations, schools, and community organizations. The office is also provides training on a variety of topics and facilitates city special events and meetings. The City Call Center responds to all resident contacts that come in through the city's primary phone number, chat, texts, web Intake, MyFW app, email and voice mail channels. The division is the sole support f o r the city's Customer Relationship Management system - MyFW - which includes all platforms – Web Intake, Texting, Worker App and Citizen App.

### FY2024 DISCUSSION AND SIGNIFICANT CHANGES

The Recommended Budget:

- Increases by \$120,862 for the addition of one (1) authorized position (AP) for fiscal support and supporting costs
- Increases by \$253,157 in salary and benefits for previously approved costs associated with pay for performance, step increases, rising health care costs and pension contributions
- Increases \$15,237 for allocations associated with retiree health,risk, workers compensation, death benefits and IT Services

### DEPARTMENT PURPOSE AND GOALS

The Development Services Department's mission is to work together to build thriving neighborhoods and an equitable community by helping people make sound decisions to create safe, orderly, and sustainable development. Our vision is to collaborate with the development and community stakeholders to guide growth through innovative, inclusive, and accountable relationships and provide an exemplary customer experience. The Department currently has five divisions.

The Administration Division is responsible for human resources and customer service, which includes a call center and permit intake. It also oversees contract management, which coordinates administrative requirements for developer-led installation of public and private infrastructure (roads, water lines, sanitary and storm sewers, stormwater controls, and signage, in addition to certain real property contracts).

The Development Coordination Division is comprised of five sections. The Platting Section administers the city's subdivision regulations and implements the city's annexation policy. The Strategic Operations section is tasked with monitoring permit data, managing City-wide permitting system, and acting as a liaison with IT for projects and technology products. This section also includes the Transportation Impact Fee Office that is responsible for managing the city's Transportation Impact Fee Program and leveraging the funds to build public roadway infrastructure via Public/Private Partnerships. The Project Facilitation section is charged with helping expedite significant and signature development projects by heading inter-departmental project teams, negotiating special review accommodations, and acting as the developer's liaison throughout the development review process while also ensuring that the city's regulations and project requirements are met.

### **General Fund**

The Development Services Division Communications Section is charged with creating a voice for the department and proactively communicating changes, updates, and improvements both internally and externally to the community we serve. A recent reorganization also added the Business Support Section to this division. Business Support prepares the department's budget, leads out in the business plan, manages purchasing, accounts payable and receivable.

The Permitting and Inspections Division reviews and inspects all construction projects for compliance with construction codes to ensure safety and sound building practices and ensures compliance with the city's gas well ordinance. This division is comprised of the following three sections: The Development Support Services Section is responsible for permitting services and customer intake. The Building Services Section provides plans examination, building inspections, and sign ordinance inspections. The Gas Well Section performs safety inspections, permits gas well and gas-related right-of-way activity, and contracts with other municipalities for gas permitting and inspections.

The Zoning and Design Review Division has three sections. The Zoning Section administers the city's zoning regulations, including Urban Forestry regulations. The Design Review Section administers the city's historic preservation and urban design ordinances. The Appeals Section staffs two Zoning Boards of Adjustment.

The Infrastructure Development Division was added by merging various functions previously housed in the Transportation and Public Works Department and the Fort Worth Water Department into the Development Services Department. The merge is a purposeful effort to create a more efficient and customer- focused complete permitting process for our customers. The Division has five sections: Transportation Development Review, Infrastructure Plan Review, Stormwater Development Services, Parkway, and Water Development Services.

### **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

The Recommended Budget:

- Increases by \$125,862 for the addition of one authorized position (AP) due to the growth in the department, accountability and quality improvement
- Increases by \$2.35M in salary and benefits for previously approved costs associated with pay for performance, rising health care costs and pension contributions
- Increases by \$145,636 for increased contractual services
- Increases by \$37,984 in Microfilm Costs to increase digitization before move into new City Hall
- Increases by \$4,000 for North Texas Coalition of Governments' dues based on population
- Increases by \$1,819 in General Operating & Maintenance for previously approved costs associated with risk management and IT solutions allocation costs
- Decreases by (\$2.13M) in Consultant and Other Professional Services as a decrease in consultant services from Stormwater Utility
- Decreases by (\$270,000) in Capital Interfund Transfer Out
- Decreases by (\$276,735) for allocations and IT supplies
- Increases by \$764,467 in the revenue budget based on outcomes of the FY2023 year-end forecast, predominantly in building permit revenue as Fort Worth continues to be one of the nation's fastestgrowing large cities
- Decreases by (\$208,534) in Plan Review Fees due to decrease in requests for plan reviews
- Decreases by (\$191,743) in Planning Commission Fee revenue and (\$118,492) in Zoning Commission Fee
- Decreases by (\$190,107) in Zoning Letter revenue

- Decreases by (\$179,030) in Urban Forestry Fee revenue
- Decreases by (\$105,000) in Easements and Variant revenue due to decreases in easements from contractors
- Decreases by (\$67,248) in Board of Adjustment Fee revenue
- Decreases by (\$62,613) in Electrical Permit Fee revenue
- Decreases by (\$2.13M) in a Transfer In from Stormwater as agreed to by both departments

## DEPARTMENT PURPOSE AND GOALS

The mission of the Diversity and Inclusion Department is to support City Council priorities of economic development, community investment, community safety, infrastructure, responsible growth and fiscal responsibility. This is done through equity, opportunity, access and resilience policy and strategy development for resource allocation and decision making. We educate stakeholders on best practices in municipal operationalization, and promote the enforcement of fairness in housing, employment, public accommodations, Title VI and the Americans with Disability Act (ADA). The department also promotes progress in municipal service delivery, internal workforce development, capital projects, and quality of life for all residents in public safety, economic development, education, governance, health, housing and transportation.

The Department has three divisions: Business Equity, Civil Rights Enforcement, and Municipal Equity.

The Business Equity Division supports capacity building efforts for aspiring and existing small local businesses, including business equity firms. It also leads efforts to address fairness in City contracting and procurement, and assists small, local emerging and business equity firms in gaining access to prime contracting and sub-contracting opportunities offered through city procurement. This is in compliance with the City Council approved Business Equity Ordinance.

The Civil Rights Enforcement Division works to provide equitable treatment and justice for all under the law by providing education on, and enforcement of, the civil rights of Fort Worth residents. These include rights in employment, housing, places of public accommodation, and in City programs and services in compliance with the Human Relations Ordinance (Chapter 17 of City Code).

The Municipal Equity Division supports the data analysis and visualization of municipal service delivery for community decision-making stakeholders. The division provides best practice recommendations for key areas of outreach for criminal justice, economic development, education, governance, health, housing, and transportation. These best practices are outlined in the community led recommendations of the Race and Culture Initiative accepted by the City Council in 2018.

## FY2024 DISCUSSION AND SIGNIFICANT CHANGES

- Increases by \$165,332 in salary and benefits for previously approved costs associated with pay for performance, rising health care costs and pension contributions
- Increases by \$12,217 in General Operating & Maintenance for previously approved costs associated with risk management and IT solutions allocation costs
- Increases by \$4,190 in Other Contractual Services
- Increases by \$2,418 in additional training for staff

# DEPARTMENT PURPOSE AND GOALS

The Economic Development Department pursues high-wage job growth and a more sustainable tax base, driven less by residential property valuation and more by commercial and industrial investment; and has a commitment to "quality of place" throughout the community. This effort is to support the vision of competing successfully on the national and international stage for creative, high-growth businesses and the talented individuals who fuel them. The Economic Development Department accomplishes this through multiple divisions.

The Administration Division oversees the development and implementation of departmental goals, objectives, policies, and priorities as well as overall operational activities including budget, payroll, and human resources functions.

The Strategic Development and Revitalization division is responsible for business recruitment and retention, small business support, entrepreneurship and innovation initiatives, and targeted area redevelopment. This division is primarily responsible for the implementation of the Economic Development Strategic Plan Initiative, which was accepted by City Council in FY2018 and the refresh of which was recently approved in FY2022.

The Operations and Research division is responsible for oversight of the tax increment financing districts (TIFs) and public improvement districts (PIDs), compliance of Chapter 380 and tax abatement agreements, research of economic trends and demographics, and administration of component units, including the Local Development Corporation.

#### FY2024 DISCUSSION AND SIGNIFICANT CHANGES

- Increases by \$527,176 to support three authorized positions (APs): (2) Assistant Directors, and (1) Business Development Coordinator
- Increases by \$3M for a transfer to the Economic Development Incentive Fund
- Increases by \$1.5M in Other Contractual Services and increases by \$935,000.00 in lease and parking revenue for Crescent Hotel
- Increases by \$300,000 due to the increase of 380 Agreements
- Increases by \$44,505 in salary and benefits for previously approved costs associated with pay-forperformance, rising health care costs, and pension contributions
- Increases by \$112,534 to support statutory requirement for PID funding from exempt jurisdictions (CH.372-014) Texas Local Government Code
- Increases by \$120,000 to support contractual obligation for Quinn PR Contract (M&C 23-0330)
- Decreases by (\$10,268) in General Operating & Maintenance for previously approved costs associated with IT solutions allocation costs

## DEPARTMENT PURPOSE AND GOALS

The Financial Management Services Department has central oversight of the administration of financial activities across the City. These duties are performed by the following divisions: Administration, Accounting & Financial Reporting, Financial Systems Management, Central Purchasing, and Treasury.

The Administration Division is responsible for providing overall planning and support to the other elements of the Department which include administering fiscal and administrative responsibilities such as budget, human resources, payroll, revenue, asset management, information technology and procurement, and vendor invoice processing.

The Accounting & Financial Reporting Division maintains the general ledger, performs grant accounting and administration, and records and tracks the city's capital assets in an accounting system conforming to city charter requirements and municipal accounting principles. This team also completes bank and balance sheet account reconciliations in addition to performing fund-level reviews to ensure the accuracy of entries made to general ledger accounts. This team manages the traditional period-end close processes and oversees interfaces from external systems into the general ledger. The Financial Reporting area of this division prepares all financial publications including the city's Comprehensive Annual Financial Report (Annual Report) and coordinates the annual external audit by an independent audit firm as required by the city's charter within the Department of Financial Management Services and throughout the city. This division also assists with general ledger maintenance and completes complex entries to ensure compliance with modified accrual and accrual level account requirements as promulgated by the Governmental Accounting Standards Board (GASB).

The Financial Systems Management Division is responsible for the ongoing support of the financial management software systems. This team oversees the configuration and application of software to the day-to-day business operations while the city's Information Technology Department provides the network and infrastructure for which these systems are delivered to users. This team assists in driving efficiency in business processes by applying technology solutions across the department.

The Central Purchasing Division purchases goods and services for all city departments, assist with the disposal of obsolete or surplus materials/equipment, manages the city's Purchase Card Program, manages the city's vendor relationships, and oversees the city-wide mail operations.

The Treasury Division is responsible for effectively and efficiently managing the City's cash and investment portfolios, seeking the highest return possible while complying with Texas Public Funds Investment Act and applicable law. In addition, the Treasury Division is responsible for administration of the City's large and complex debt portfolio, executing vendor and payroll disbursements, and the billing and collection of a variety of city-wide revenue sources.

#### FY2024 Discussion AND SIGNIFICANT CHANGES

- Increases by \$176,242 and one one authorized position (AP) in salary and benefits related in retaining a mission critical Sr. Purchasing Manager
- Increases by \$146,060 and one AP in salary and benefits associated with addition of Financial Reporting Coordinator (FRC) in FMS
- Increases by \$135,228 and one AP in salary and benefits related associated with Sr. Management Analyst to provide analytical support to the Debt Manager
- Increases by \$100,694 and one AP in salary and benefits associated with addition of a second buyer
  position on the dedicated Water team to provide true procurement support. The cost is offset by transfer
  from Water Department
- Increases by \$660,390 in salary and benefits for previously approved costs associated with pay for performance, rising health care costs and pension contributions
- Increases by \$175,270 in salary and benefits related to equity adjustment for Sr. Accountants in FMS to offer a more market competitive salary to recruit & retain highly skilled and qualified staff

# DEPARTMENT PURPOSE AND GOALS

The Fire Department's mission is to serve and protect the community through education, prevention preparedness and response. It provides protection of life and property from fires, the first response for emergency medical services, fire safety and prevention programs, arson and fire cause investigations, and other services. The department encompasses 45 fire stations and is organized into four major sections: Administration, Executive Services, Operations, and Educational and Support Services.

The Administration Division administers fiscal and administrative responsibilities including the budget, human resources, payroll, revenue, asset management, grant management and purchasing, along with the information technology needs of the department.

The Executive Services Division oversees all arson/bomb activities, fire investigations, community risk reduction activities, commercial building inspections, fire safety education, professional standards, and behavioral health functions.

The Operations Division, which employs the vast majority of the department's personnel, is responsible for daily emergency response activities, building inspections, specialized responses such as aircraft rescue firefighting (ARFF), hazardous materials (HazMat) squad, technical rescue, and swift water rescue.

The Educational and Support Services Division is responsible for the initial training of new firefighters, continuing education, health and wellness programs, facility maintenance, fire apparatus, and equipment services, uniforms and supplies, and dispatch and alarm services.

## FY2024 DISCUSSION AND SIGNIFICANT CHANGES

- Increases by \$2,010,364 for 70 Approved Positions (AP) due to the increase of sworn positions to address the increasing overtime costs. 35 positions are partially funded in FY 2024 and the remaining positions will be fully funded in FY 2025
- Increases by \$384,879 for 6 AP due to the increase of civilian positions
- Increases by \$4,574,694 due to an updated collective bargaining agreement for civil service employees
- Increases by \$3,664,914 due to increasing Fire Trainees to address staffing needs
- Increases by \$3,046,120 due to the increase of the Fire Trainee positions to address attrition
- Increases by \$2,153,088 in General Operating & Maintenance for previously approved costs associated with risk management and IT solutions allocation costs
- Increases by \$1,869,284 in salary and benefits for pay band adjustment, rising health care costs and pension contributions
- Increases by \$1,000,000 as the General Fund absorbs costs due to phasing out the SAFER grant
- Increases by \$762,812 in salary and benefits for previously approved costs associated with pay for performance, rising health care costs and pension contributions
- Increases by \$530,400 for thermal imager replacements
- Increases by \$165,000 for Fire IT licensing and software
- Increases by \$300,000 in the revenue budget for recovery of labor cost reimbursements

#### DEPARTMENT PURPOSE AND GOALS

The FWLab was formed in 2023 to align the planning and budgeting activities of the City more closely with its long-range goals and strategies and enable greater staff engagement on critical issues while incorporating principles of data analytics and Priority-Based Budgeting (PBB). The Department is responsible for forecasting demographic and economic trends as well as municipal revenues and expenditures; analyzing the fiscal impact and return on investment of policy options; conducting a variety of citywide and small-area planning studies; conducting performance and budget analyses to increase the efficiency and effectiveness of municipal operations; conducting thorough analysis of City data to provide new insights; and focus on areas that need a fresh look or are undergoing significant change. Some of the FWLab's primary outputs for public consumption include the Comprehensive Plan, a Strategic Plan for the organization, the five-year Capital Improvements Program, and the annual Operating Budget.

The FWLab consists of the following divisions: Comprehensive Planning, Budget, Strategy and Performance, and Data Analytics. Comprehensive Planning develops the City's Comprehensive Plan and all associated functions. The Budget division develops, monitors, and manages City budgets for each fiscal year. The Strategy and Performance division coordinates organizational plans, strategies, and performance toward Council's Strategic Vision priorities. The Data Analytics division develops the citywide data strategy and conducts robust analytics to inform decisions.

## **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

- Increases by \$2,881,861 and eight (8) positions to allow for the FWLab to build its capacity to make datadriven decisions
- Increases by \$1,011,542 for the addition of four (4) positions and salary adjustments for to staff the newly created FWLab

- Increases by \$526,000 for appraisal district costs
- Increases by \$59,808 in revenues for interest earnings
- Increases by \$5,822 for allocations associated with retiree health, risk, workers compensation, and IT services

## DEPARTMENT PURPOSE AND GOALS

The mission of the Human Resources Department is to support and protect the city's most valuable assets, its employees. The department is committed to delivering quality service, ensuring equitable employment practices, offering professional development, and fostering a work environment that attracts and inspires excellence. Human Resources at the City of Fort Worth is characterized by leading positive change, excelling through customer service, and creativity in its approaches.

The Human Resources Department is comprised of nine divisions that include the Classification, Compensation, and Civil Service Division; the Employee and Labor Relations Division; the Human Resources Information Systems (HRIS)/Records Division; the Talent Acquisition Division; the Employee Benefits/Wellness Division; the HR Business Partner Division; the Organizational Development Division; and, two divisions representing the Risk Management function that include Property & Casualty and Workers' Compensation/Safety.

## **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

- Increases by \$159,945 and one authorized position (AP) for an Organizational Development Manager to allow our organization to keep up with new trends, knowledge, and changes that are shaping the training landscape
- Increases by \$149,586 and one AP for a HR Dimensions Administrator to assist with PSPS administration and configuration tasks
- Increases by \$ 115,376 and one AP for a HRIS Time & Labor Analyst to complete tasks and reduce backlog
- Increases by \$257,251 in salary and benefits for previously approved costs associated with pay for performance, rising health care costs and pension contributions

Increases by \$12,119 in General Operating & Maintenance for previously approved costs associated with risk management and IT solutions allocation costs

#### DEPARTMENT PURPOSE AND GOALS

The Information Technology Solutions (IT Solutions or ITS) Department provides for the management of the City's information technology infrastructure, systems and services.

IT Solutions is responsible for coordinating all information technology resources to support the strategic vision of the City of Fort Worth by providing quality service to the community. This coordination of technology is accomplished through services such as planning and project management, administrative support, technical services, software application development and acquisition, and telecommunications.

All City departments are customers of IT Solutions. ITS receives the bulk of its revenue from the allocations made to these customers. The Department's expenditures include personnel costs, operating supplies, contractual/ consulting services, licensing, maintenance and equipment such as servers, hardware and software.

IT Solutions operates and maintains the Fort Worth Regional Radio System. The system supports more than 39,000 subscribers throughout more than 168 jurisdictions. Revenue from this system offsets annual operating costs.

IT Solutions is organized into the following functional areas/bureaus: Infrastructure, Applications and Project Management, SER (Security, ERP and Radio) and Strategic Planning and Finance.

The Infrastructure Bureau consists of the following divisions: Platform Technologies, Network Services, Data Center Operations and Support Services. Platform Technologies provides server and storage operations and supports email administration. Network Services operates and maintains the City's data network and telephone systems. Data Center Operations provides 24/7 support and monitoring of all of the City IT systems and infrastructure. Support Services include desktop and hardware divisions that manage the city's computing functions and devices. This bureau also leverages Help Desk support to provide IT technical assistance and services for all city departments. A new division within this bureau is the formation of the Asset Management Division. This Division is responsible for the reconciliation and accountability of deployed physical assets such as desktops and laptops but also the management of assets to include software and licenses across the City.

The Applications and Project Management Bureau consists of the following divisions: Distributed Applications, Applications Public Safety, Database, GIS and Project Management Office. This bureau is responsible for application development and implementation of software systems together with the public safety specific systems for Police and Fire. This bureau also contains the Database and Geographic Information systems support functions. The Project Management Office division provides for portfolio management and project management to other city departments for technology related needs.

The SER Bureau is responsible for the operations and maintenance of the following divisions: Information Security, ERP, and Radio Services. The Security Division provides cyber threat and vulnerability analysis, early warning, and incident response assistance. The ERP system includes Human Capital Management Systems (Human Resource, Time & Labor, Payroll, Pay for Performance, Recruiting, and Benefits) and the Financial Management Systems (Asset Management, Accounts Payable, Cash Management, General Ledger, and Commitment Control). The Radio Services Division manages and operates the city's public safety and public works radio systems.

The Strategic Planning and Finance Bureau is responsible for the financial and budget management functions, allocations, citywide procurement of technology equipment and services, mobility procurement and management along with contract administration. This division is also responsible for the human resources related functions of the department. The Strategic Planning division provides for employee engagement, employee development, and communications for the department.

## FY2024 DISCUSSION AND SIGNIFICANT CHANGES

The Recommended Budget:

• The Information Technology Solutions department moved from the General Fund to a new Internal Services Fund in FY2023

## DEPARTMENT PURPOSE AND GOALS

The Fort Worth Public Library is a community gathering place for learning, self-discovery, shared experiences, and personal growth. The library's mission is "Building a community of learners, dreamers, and doers".

The strategic focus areas for the library are:

- Reducing barriers to access, expanding the library's reach, and evolving services beyond buildings
- Contributing to the City's thriving arts scene while celebrating the past and embracing the future
- Cultivating a community of readers and serving as the literary hub for the City
- Enriching out-of-school time and making learning fun and enjoyable
- Nurturing economic development, entrepreneurship, and opportunity for all
- Supporting City goals, developing employees, and aligning capacity with strategy

The Department is divided into two divisions: Public Services and System-Wide Services.

Public Services is responsible for providing library materials, programs, and outreach directly to the residents of Fort Worth. It includes seventeen branch libraries and the Fort Worth History Center. The Lifelong Learning team develops programming and outreach activities for residents of all ages.

System-Wide Services provide the structure and systems needed to maintain library services. The division consists of six operational units including Administrative Services, Communications, Data & Analytics, Facilities Management, Human Resources & Training, and Information Technology. Each has a unique responsibility to support the system-wide delivery of library services.

#### **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

- Increases in \$500,000 in costs associated with facilities build out costs for leased spaces
- Increases by \$478,500 in salary and benefits for previously approved costs associated with pay for performance, rising health care costs, and pension contributions
- Increases by \$246,299 for allocations related to information technology, fleet services, lawsuits, and commercial insurance premiums
- Increases by \$226,566 in initial cost, and \$159,570 in ongoing cost, to acquire space and open a downtown branch library
- Increases by \$78,668 ongoing for a new library branch in a leased space in council district 7

## DEPARTMENT PURPOSE AND GOALS

Municipal Court is a Court of Record located in the historic A.D. Marshall Public Safety & Courts Building. The Municipal Court is comprised of five courtrooms and provides full court and payments services. The Municipal Court also operates a twenty-four-hour, seven-day-a-week arraignment court and magistrate processes servicing the jail located at 350 W. Belknap. These courts have jurisdiction within the City of Fort Worth's territorial limits over all Class C misdemeanor criminal cases brought under City ordinances or the Texas Penal Code and civil parking cases. These cases are punishable by a fine only. The court's mission is to provide justice through the resolution of cases and quality service in a court environment.

The Department is divided into four divisions: Administration, Judicial, Clerk of the Court, and Marshals.

The Administration Division manages overall departmental operations—financial management, budget, accounting, performance, audit, purchasing, facilities, human resources, technology, community outreach, civil, administrative hearings, and acts as a liaison to other departments and agencies.

The Judicial Division consists of ten full-time judges and eight substitute judges, including a Chief Judge and a Deputy Chief Judge. The City Council appoints all judges. The Judicial Division is responsible for adjudicating all jury and non-jury trials, performing magistrate duties, and administering the Teen Court Program.

The Clerk of the Court Division is responsible for record-keeping of filed citations, case preparation, setting court dockets, fine collections, administering community service programs, managing the City's jury system, processing civil parking citations, and performing other court-related non-judicial activities.

The Marshal Division is responsible for bailiff duties, prisoner transfer, building security, and warrant service. The Division is also responsible for patrolling approximately 3,560 acres of the Lake Worth recreational area, the Fort Worth Nature Center and Refuge, area leased-property neighborhoods, and 14 surrounding City-owned parks.

## **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

- Increases by \$587,563 in salary and benefits for previously approved costs associated with pay for performance, step increases, rising health care costs and pension contributions
- Salary adjustments include increasing minimum wage to \$15 /hr
- Decreases by (\$65,105) for allocations associated with retiree health,risk, workers compensation, and IT Services, and general administration
- Decreases by (\$1,016,559) in Fines & Forfeitures revenues due to decreased receipt of traffic fines
- Decreases by (\$447,616) in Charge for Services revenues due to decreased receipt of penalty fees
- Decreases by (11,415) in Transfer out to the Parks department for the shared Safety Officer position

## DEPARTMENT PURPOSE AND GOALS

Created in 2015, the Neighborhood Services Department implements programs that promote economic independence, sustainable housing, and healthy successful neighborhoods. The department partners with residents, businesses, non-profits, and other governmental entities to support community development, social services, and human capital development.

The goal of the Neighborhood Services Department is to enhance the quality of life for residents by strengthening neighborhoods. Services are delivered through the following divisions: Housing and Community Development, Administrative Financial Services; Neighborhood Development and Revitalization; Compliance; Planning/ Reporting; Rehabilitation and Home Improvements; Community Services; Neighborhood Community Centers; and Directions Home.

The Housing and Community Development Division is focused on the development of affordable housing and the management of community improvement projects funded by federal grants. The Division manages the annual City policy review of projects applying for federal housing tax credits and supports the Fort Worth Housing Finance Corporation in incentivizing the development of affordable housing. This division also administers the Neighborhood Empowerment Zone (NEZ) program.

The Administrative Financial Services Division oversees the department's budget, finance, grant management, accounts payable, procurement and human resources functions. It also administers affordable housing loans and the City's homebuyer assistance programs (HAP).

The Community Services Division oversees seven of the City's network of Neighborhood Community Centers and two Community Action Partner (CAP) centers. The centers provide recreational, leisure, and essential human services primarily in low-income neighborhoods. This division also delivers more than \$27 million in state and federal grant-funded social services to eligible households in Fort Worth and Tarrant County through the Community Action Partners program.

The Neighborhood Development and Revitalization Division addresses systemic neighborhood issues and fosters resident self-sufficiency through the coordination of the Neighborhood Improvement Strategy (NIS). This division uses the Neighborhood Profile Area data developed by the Development Services Department to select NIS areas. Additionally, it supports the entire department by providing community outreach/communications for all neighborhood-based programs that the department operates and manages. Also, this division administers the HUD grant-funded Social Service contracts with non-profit agencies.

The Rehabilitation and Home Improvements Division delivers home repair services to low-income homeowners through the Priority Repair, Weatherization, Healthy Homes, and Lead Safe programs. This division performs housing quality inspections on all affordable housing assisted by department activities.

The Planning/Reporting Division ensures that the city continues to receive approximately \$20M in federal grants annually, through preparing the Consolidated Plan (ConPlan), and the Action Plans regulations, preparing HUD required performance reports, and maintaining the Key Performance Indicators (KPI).

The Compliance Division enforces regulatory compliance through training and monitoring activities for HUD grants.

The Directions Home Division transferred from the City's Management Office in January 2022. This division coordinates housing services and resources for homeless and at-risk of homelessness families and individuals living in Fort Worth and Tarrant County. Responsibilities includes overseeing \$3 million in city funds to reduce homelessness and keep clients housed, work with community partners to align resources and processes to most effective reduce homelessness, and facilitating development of permanent supportive housing to reduce chronic homelessness.

#### **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

- Increases by two Authorized Positions (AP) moved from grant funding to General Fund in an increase of \$405,485
- Increases by \$4.04M in Pay-Go to fund Neighborhood Improvement Strategy Program budget
- Increases by \$2.00M in Capital Transfers to fund the expansion of the Priority Home Repair Program
- Increases by \$1.01M in salary and benefits for previously approved costs associated with pay for performance, rising health care costs and pension contributions
- Increases by \$498,373 in Other Contractual to fund the expansion of the Homeless Rapid Exit Program
- Increases by \$215,416 in General Operating & Maintenance for previously approved costs associated with risk management and IT solutions allocation costs
- Increases by \$280,390 in Other Contractual to fund the City's Cold Weather Emergency Overflow Shelter
- Increases by \$201,346 in Gas Utility Service
- Increases by \$46,560 in Miscellaneous Employee Reimbursement for temporary employees
- Increases by \$15,223 in Training and Workshops for additional staff training
- Increases by \$14,218 in Vehicle Repair and Maintenance due to the needs of an aging fleet
- Increases by \$3,000 in office copy services due to needs of the department

- Increases by \$2,000 for new gym equipment for community centers
- Increases by \$1,700 in professional license and fees to send more employees to training
- Increases by \$155,000 to fund Capital interfund transfer out increase to cover capital expenditures
- Increases by \$104,281 in Registration revenue
- Decreases by (\$157,017) in Contribution from Others revenue
- Decreases by (\$14,500) in ID card revenue due to new policy of adolescents no longer having to have an ID card to access a neighborhood center

## DEPARTMENT PURPOSE AND GOALS

Non-Departmental cost centers have traditionally been used to record General Fund expenditure items not exclusively within the programmatic responsibilities of a General Fund department. In FY2016, many of these allocations such as retiree health benefits, economic incentives, debt service for the energy savings program, electric utility costs, risk management costs, and appraisal district fees were transferred out to the responsible departments. The goal is to have all the costs of an activity shown in the respective department at the end of the fiscal year.

The department is now used mainly for budgeting, with no funds expended from a Non-Departmental account. For FY2024, the major Non-Departmental accounts include, but are not limited to, separation leave costs for General Fund employees and civil service employees, election costs, training and education, the Tuition Reimbursement Program, and non-recurring other contractual costs. Also earmarked from Non-Departmental is an annual subsidy to support stability of the Municipal Golf Fund and Pay-As-You-Go capital intended for community partnerships.

The budget in Non-Department will go through a "true up" annually for any expenditures paid from the responsible department. The budget for such expenditures move from Non-Departmental to the participating department as needed and approved by the City Manager or his delegate.

## **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

The FY2024 Recommended Budget for Non-Departmental increases by \$2.3M. The Non-Departmental budget provides an annual reserve for major expenditures on overtime and separation leave and other expenses departments are not expected to absorb, such as tuition reimbursement. The Non-Departmental budget also typically includes significant one-time expenditures, especially for contracts which do not fall within any other department's scope. The FY2024 budget includes special provisions for a transition from a major contractor, one-time capital costs, and replacing city infrastructure.

## DEPARTMENT PURPOSE AND GOALS

The Park & Recreation Department is responsible for planning, designing, developing, and maintaining the city's network of parks, as well as the planning and administration of the city's recreational programs. The Department is organized into five divisions.

The Administration Division provides overall administrative support to the department, including the coordination of volunteer activities, equipment/vehicles, safety management, fiscal and human resources, purchasing, management of the Fort Worth Zoo contract, and staff support for the Park & Recreation Advisory Board.

The Park Operations Division manages the General Fund operations for the Water Gardens, park reservations, and the management of various operations-related contracts (excluding construction). These contracts include instructors for the Park & Recreation and Neighborhood Services Departments, leases, licenses, professional services, adopt-a-park programs, and grounds maintenance. At present the scope for the ground maintenance contracts includes city parks, medians, rights-of-way, commercial corridors, tax-foreclosed properties, as well as some other departments' city-owned properties. This division also manages the Botanical Research Institute of Texas (BRIT) contract and the Crime Control and Prevention District (CCPD)- funded Graffiti Abatement Program.

The Recreation Division manages fourteen (14) community centers, the Log Cabin Village, the Fort Worth Nature Center & Refuge, Forest Park and Marine Park Pools, Sycamore Sprayground, and the management contracts related to the operation of the Northpark YMCA and McDonald YMCA pools.

The Planning and Resource Management Division manages the identification of park system needs/inventory, new parkland acquisition, oversight of park development projects, park system infrastructure maintenance, inhouse small capital project construction, and the supply of and care for trees on city-owned property. Additionally, this division is responsible for tracking the expenditure of park gas well funds in compliance with the city's Financial Management Policy Statements.

The Golf and Athletics Division includes the Municipal Golf Fund and the General Fund athletic facilities and programs. Athletics includes Haws Athletics Center, McLeland Tennis Center, Sycamore Community Center (SYCC), athletics maintenance, adult and youth athletics programs, portions of the CCPD-Parks Community Policing Programs, and the CCPD-Funded Late Night Program (FW@6) at SYCC. The Municipal Golf Fund is discussed in the Special Revenue Section.

#### **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

A City Council adopted policy that made ID Cards free to Fort Worth youth residents is reflected in the reduction of this revenue line for FY2024. Additionally, a City Council adopted policy reduced the cost of the After School Program to match the cost in the Neighborhood Services Department, which is reflected in the revenue line for FY2024. Overall, Community Centers are seeing increased interest in Registration and Fitness Memberships post-COVID, and this is anticipated to continue through FY2024.

The Fort Worth Nature Center and Refuge have taken over the operation of the souvenir shop, which is reflected in a new revenue line for FY2024.

Northwest Community Center will open in FY2024 which is reflected in revenue and expense changes.

The department will continue addressing current and future recreation and open space operations and budget implications related to economic cost increases and supply chain delays.

- Increases by \$446,369 and 8 positions for the opening and full operation of Northwest Community Center
- Increases by \$333,050 and 4 positions for maintenance and litter abatement in high traffic areas with enhanced landscaping
- Increases by 3 Sr. Maintenance Worker positions for a net-neutral cost in the North and East Districts for the ongoing maintenance of the new parkland, trails, and capital improvements to existing parks. The department reduced overtime to offset the cost of two additional positions
- Increases by \$2,866,950 for mowing more frequently during the growth season
- Increases by a net of \$2,736,842 in salary and benefits for previously approved costs associated with pay for performance, rising health care costs and pension contributions, allocated business services costs, Fort Worth Zoo CPI, and Botanic Garden CPI
- Increases by \$800,000 to fully fund contract mowing
- Increases by \$409,943 to fund maintenance of park and city assets acquired by Council approval in calendar year 2022
- Increases by \$200,000 for studies to increase resource efficiency
- Increases by \$172,570 for operating supplies tied inflation of costs
- Increases by \$100,000 for Forest Park tree planting
- Increases by \$100,000 for TxDOT corridor tree mitigation
- Decreases by \$95,949 due to moving administrative personnel out of leased office space and into New City Hall

- Increases by \$82,152 to fund increased rental costs of vehicles used by the After School Programs at Community Centers that do not have vans
- Increase \$72,640 for the Citywide Fleet RFID Reader project
- Increases by \$48,000 to fund the work order system that is fully deployed
- Increases by \$39,700 to fund increased costs for Aquatics operations
- Decreases by \$8,069 and 1 position due to combining two part-time positions into one full-time position that is eligible for greater pay and full benefits

## DEPARTMENT PURPOSE AND GOALS

The Fort Worth Police Department, under the direction of the Chief of Police, exists to safeguard the lives and property of those we serve, to reduce the incidence and fear of crime, and to enhance public safety through partnering and building trust with the community. Components of this are found in our vision to make Fort Worth the nation's safest major city and in our mission to provide quality service to create a safe environment for all, both in partnership with the community.

The Department's five-year strategic plan (FY2023-FY2027) outlines the six priorities, noted below, include 21 objectives and 105 actions to implement and proactively focus work towards these goals.

- 1. Organization: Provide the optimum level of well-trained and prepared employees to achieve objectives and meet the needs of a growing community.
- 2. Culture: Create a culture in the department where all people are safe, healthy, and resilient.
- 3. Communication: Be a model for excellence in internal and external communication.
- 4. Crime Reduction: Continue to develop meaningful strategies that result in crime reduction.

- 5. Community Policing: Continue to implement best practices of community policing that enhance the safety of both officers and the public.
- 6. Infrastructure: Ensure Police Department infrastructure is operationally adequate to serve the community.

The Fort Worth Police Department (FWPD) is organized into three bureaus: Patrol, Support, and Finance/ Personnel. Each bureau includes commands, with divisions, sections, and units under each command.

- a. Patrol Bureau: The majority of employees are in the Patrol Bureau, which consists of six divisions representing various geographic areas of the city. This includes directed response teams, the traffic division, and patrol support services. This Bureaus also includes specialized teams such as tactical medics, crisis intervention, homeless outreach, civilian response teams, and air support.
- b. Support Bureau: The main role of the Support Bureau is further policy support in the form of detective and investigative presence, intelligence, community programs, records and property room, the crime lab, and specialized functions including but not limited to SWAT, Narcotics, and Gang Units.
- c. The Finance/Personnel Bureau provides the administrative and fiscal foundation necessary to manage departmental finances, maintain the workforce, operate the communications center, and provide for departmental recruiting and training needs..

#### **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

- Increases by \$4,061,037 for funding prior year costs of 45 sworn officers
- Increases by \$4,035,723 for scheduled increases in civil service employee pay as outlined in the current Meet and Confer agreement
- Increases by 21 AP (sworn) for additional patrol positions, which will be unfunded and absorbed with attrition cost, and are recommended by the Matrix staffing study.
- Increases by \$2,287,961 for increased fleet costs
- Increases by \$1,825,013 for overtime costs
- Increases by \$1,795,716 for IT Service allocations
- Increases by \$1,507,078 as a result of transferring in 13 APs previously funded by grants as part of the COPS Hiring grant
- Increases by \$1,482,152 for pay for performance for general employees
- Increases by \$1,050,002 and 14 AP (general) for the Police Communications Division, as recommended by the Matrix staffing study
- Increases by \$907,266 for group health insurance adjustments
- Increases by \$785,738 for workers compensation allocations
- Increases by \$798,605 for salary adjustments attributed to \$15/hr minimum wage movement and 2% pay band adjustments
- Increases by \$539,969 for retiree health insurance allocations
- Increases by \$387,539 for funding Fleet RFID readers for a new fleet management system by the Property Management Department
- Increases by \$380,000 for additional ammunition budget to due price increases
- Increases by 3 AP (sworn) for the Crime Scene Unit, which will be unfunded and absorbed with attrition cost, and are recommended by the Matrix staffing study

- Increases by \$328,281 for risk allocations
- Increases 2 AP (sworn) for the Domestic Violence Team, which will be unfunded and absorbed with attrition cost, and are recommended by the Matrix staffing study
- Increases by \$231,580 for fleet service admin allocations
- Increases by 2 AP (sworn) for the Major Case/Missing Persons unit, which will be unfunded and absorbed with attrition cost, and are recommended by the Matrix staffing study
- Increases by 2 AP (sworn) for expansion of the Real Time Crime Center Unit, which will be unfunded and absorbed with attrition costs.
- Increases by \$160,000 for equipment replacement
- Increases by \$158,046 and 2 AP (general) for biologists for DNA evidence processing
- Increases by \$134,510 and 2 AP (general) for admin support of public information requests in the Police Internal Affairs Division
- Increases by \$131,228 and 1 AP (general) for an Intelligence Analyst in the Fusion Center
- Increases by \$125,646 for 1 AP (general) for support to the records management system
- Increases by 1 AP (sworn) for the Fusion Center, which will be unfunded and absorbed with attrition costs
- Increases by \$63,000 and 1 AP (general) for the Firearms unit in the Crime Lab
- Increases by \$49,113 and 1 AP (general) for admin support to the Crimes Against Children Unit, as recommended by the Matrix staffing study
- Increases by \$8,696 and decreases by a net of 1 AP due to reducing 2 part-time positions and adding 1 full-time position for increased admin support
- Increases by a net of \$1,600 as a result of transferring out 11 AP (10 sworn and 1 general) and associated operating costs from General Fund to CCPD Fund and transferring in 8 AP (sworn) from CCPD Fund to General Fund for a net decrease of 3 AP (sworn) in the General Fund in an effort to align positions in fund-supported activities
- Decreases by (\$1,623,722) for fleet-related costs moved from the General Fund to CCPD Fund to cover vehicle maintenance and fuel costs for vehicles in the CCPD-fund
- Increases by \$200,000 in the revenue budget for recovery of labor cost reimbursements

# DEPARTMENT PURPOSE AND GOALS

The Property Management Department consists of four divisions including Facilities Management, Fleet Services, General Services, and Real Estate.

The Facilities Management Division is responsible for the planning, development, utilization, and maintenance of the majority of city facilities. This includes but is not limited to architectural and construction management services citywide.

The Fleet Services Division is charged with maintaining the city's fleet and is budgeted and accounted for in the Fleet & Equipment Services Fund.

The General Services Division has five sections, including Administrative Services, IT Services, Contract Compliance Management, Utility Administration, and Fuel Services. The functions of each section include:

- The Administrative Services Section oversees fiscal and administrative responsibilities, including administration, budget, human resources, payroll, revenue, asset management, and purchasing
- The IT Services Section manages all IT-related projects, such as the annual computer refresh, FASTER WEB, VueWorks, SharePoint, City Map Viewer, etc.

- The Contract Compliance Management Section administers janitorial and other related services contracts (Lawn Service, Pest Control, Solid Waste/Recycling, Restroom Deodorization, etc.) for General Fund facilities, as well as all the Facilities Maintenance and the Fleet Services division contractual services. The Fleet Acquisition section maintains responsibility for the in-processing and disposal of vehicles and equipment citywide
- The Utility Administration Section manages the administrative responsibilities for the City's electric and natural gas municipal facility accounts and manages various City energy management initiatives. Utility Administration negotiates and oversees the City's franchise and license agreements, and administers fiscal and administrative responsibilities concerning telecommunications revenue
- Fuel Services oversees 98 fuel-related sites anchored by six larger multi-fuel sites; full propane alternative infrastructure and fueling. This section is funded through the Fleet & Equipment Services Fund

The Real Estate Division has five sections, including Real Property, Tax Foreclosed Property, Lease Administration, Mineral Management, and Lake Worth Lease Management. The functions of each section include:

- The Real Property Section is responsible for acquiring land and property interest for the City of Fort Worth as it relates to capital improvement projects through offers, negotiations and administrative processes.
- The Tax Foreclosed Property Section is responsible for managing the sales of tax foreclosed and City surplus properties
- The Lease Administration Section is responsible for identifying properties, negotiating lease terms and rates for the City of Fort Worth use of the private property and coordinating space planning with the Facilities Division for leasing of City-owned property
- The Mineral Management Section manages all City of Fort Worth mineral interests and activities including oil and gas lease negotiation, execution, and royalty compliance
- The Lake Worth Lease Management Section coordinates the land management activities related to the leasing of properties owned by the City of Fort Worth around the lake, the Lake Worth boat ramp permit program, the acquisition of properties for the Nature Center, and the platting of City property

#### **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

- Increases by \$1,331,799 for Other Contractual Services plus four authorized skilled trade positions for Future City Hall maintenance
- Increases by \$234,175\* for two authorized positions to Real Property Division and capital improvement projects (\$78,249 to General Fund / \$155,926 to General Capital Projects Fund)
- Increases by \$147,773 for one authorized project manager position to Architectural Services Division
- Increases by \$101,860 for one authorized facility planning position to Facility Maintenance Division
- Increases by \$1,422,812 for facilities costs associated with the Future City Hall building
- Increases by \$415,535 in salary and benefits for previously approved costs associated with pay for performance, rising health care costs, workers compensation plus \$206,848 retirement benefits
- Increases by \$611,566 in risk management allocations due to additional commercial insurance premiums on the Future City Hall
- Increases by \$375,544 for utility costs, including Future City Hall at full occupancy
- Increases by \$190,538 due to an increase in capital transfers related to PayGo capital projects
- Increases by \$154,222 for Other Contractual Services for waste management and recycling
- Decreases by (\$150,000) due to one-time of extractors for the Fire Department

- Increases by \$58,369 for IT allocations
- Increases by \$40,368 for additional maintenance and contractual services costs for new city facilities opening in FY2024, including Forest Park Pool and the Northwest Community Center
- Decreases by (\$547,291) due to funding for Future City Hall property taxes not being needed in FY2024
- Revenue budget decreases by (\$1,511,782) in Future City Hall lease revenue associated with one tenant, Burns & McDonnell, moving out of the building by the end of FY2023. Only two tenants will remain in Future City Hall for FY2024

## DEPARTMENT PURPOSE AND GOALS

The Transportation & Public Works Department strives to improve the condition of the City's infrastructure by effectively managing the city street system, traffic signals, drainage structures, street lights, street signs, street pavement, and pavement markings. The Department is funded through five different funds: General Fund, Crime Control & Prevention District Fund, Stormwater Utility Fund, Municipal Parking Fund, and the Capital Project Services Fund. Divisional alignment and management of the organization cross funding sources based on functional efficiencies. The divisions within the Department include Business Support, Capital Delivery, Streets & Stormwater Operations, Stormwater Management, Regional Transportation and Innovation, and Transportation Management.

The Business Support Division is responsible for managing and coordinating the Department's business related activities, including capital and operating budgets, capital project fiscal support, fleet management, human resources, information technology administration, and workplace safety.

The Capital Delivery Division is responsible for program management, engineering design, project management, surveying, quality control, and construction inspection services for infrastructure improvement projects. The division is also responsible for

both pavement management planning and delivering contract street maintenance (PayGo) projects. For the planning component, the group provides continual pavement condition assessments as part of the overall priority planning for the entire street network. The Pavement Condition Index is used for the prioritization and programming of capital improvements (reconstruction), Bond Programs, and major maintenance (resurfacing and rehabilitation) of the street network. For the contract maintenance component, the group oversees the procurement and construction of the City's minor and major street maintenance contracts such as County ILA projects, joint seal, concrete restoration, bridge maintenance, and asphalt rehabilitation projects.

The Regional Transportation and Innovation Division is responsible for Transit Coordination, Railroad Coordination, Regional Coordination, Transportation Planning, and Innovation in Transportation.

The Street Operations Division provides in-house street pavement maintenance and is a first responder during emergency operations for snow/ice events or other natural disasters which require assistance with heavy equipment and personnel. The pavement maintenance types currently include asphalt overlays, asphalt pavement repairs, concrete panel restoration, pothole repairs and crack sealing.

The Transportation Management Division is responsible for traffic engineering services; the oversight of traffic safety programs; municipal parking; and the planning, maintenance, and operation of street lights, traffic signals, traffic signs, and roadway markings. The Division is also responsible for sidewalk and ADA projects. Safety programs include Vision Zero, Safe Routes to School, and ground transportation regulation. This scope of this division has also expanded scope to include the Right-of-Way (ROW) Management program. The ROW Management program is responsible for the following: coordination, permitting, and inspection of private utility work within the ROW; providing communications, utility coordination, project documentation, and process improvement support to project delivery within the ROW, and for performing the City Engineer function including development and maintenance of infrastructure standards, specifications, policies and practices involved in the review and approval of engineering plans in the ROW.

#### FY2024 DISCUSSION AND SIGNIFICANT CHANGES

- Increases by \$1.9 million and six authorized position (APs) in salary and benefits for additional concrete crew and associated equipment. This additional crew will increase production and decrease concrete maintenance backlog by an additional 20% annually, then be able to maintain responsiveness to service request
- Increases by \$6.4 million for the Pay as You Go (PAYG) portion for Capital items
- Decreases by (\$2.2 million) for the transfer of funds to Non-Departmental associated with one-time cost
- Increases by \$1.2 million in salary and benefits for previously approved costs associated with pay for performance, rising health care costs and pension contributions
- Increases by \$975,000 to cover Paving Material Costs increases in order to maintain response to Pothole and Street repair requests which affects public safety, quality of life, and infrastructure maintenance
- Increases by \$250,000 for Artificial Intelligence (AI) for Accessing Asset Conditions
- Increases by \$247,000 for CDL Training and Incentive Pay
- Increased by \$161,456 to cover fuel cost increase recommendations from Property Management Department
- Increases by \$83,612 in General Operating & Maintenance for previously approved costs associated with risk management, administrative cost and IT solutions allocation costs
- Increased by \$69,312 in Stormwater Utility Fee as a result of Increase SWU fee by 15%

# FUND PURPOSE AND GOALS

Debt service funds account for the accumulation of financial resources for the payment of principal, interest, and related costs on long-term obligations paid primarily from taxes levied by the city. The city will utilize seven debt service funds to accumulate the resources to make principal and interest payments on existing bond issues. Debt service funds include the General Debt Service Fund, Culture and Tourism Debt Service Fund, Venue Debt Service Fund, Stormwater Debt Service Fund, Solid Waste Debt Service Fund, Municipal Parking Debt Service Fund, and a Water Debt Service Fund. The total FY2024 debt service requirements, for all funds' outstanding debt are \$291,589,119 (does not include capital leases, energy conservation loans, or handling charges).

# TOTAL GENERAL OBLIGATION DEBT

Of the total debt amount projected for the upcoming fiscal year (FY2024), \$157,682,020 is for general obligation bonds, certificates of obligation, loans, and tax notes.

# Ad Valorem Tax Supported Debt

Current property tax collections cover most of the general debt service assisted by delinquent property tax collections. Other revenues include a transfer to the General Debt Service Fund from the Crime Control and Prevention District (CCPD) for CCPD-eligible activities, a transfer from the Trinity Lakes TIF, and interest earnings. Projected revenues for debt service are as follows:

| Current Property Tax | \$<br>161,328,713 |
|----------------------|-------------------|
| Other Revenue        | \$<br>6,248,939   |
|                      | \$<br>167,577,652 |

State property tax law allows the city to levy a property tax to pay for its long-term (over 1 year) debt obligations and for the next fiscal year \$0.1475 (20.14%) of the total tax rate is devoted to paying long-term debt service obligations. For FY2024 the city's combined recommended property tax rate is \$0.6725 per \$100 of assessed valuation with a 98.25% collection rate. This represents a \$0.15 decrease from the prior year's property tax rate. The debt service levy rate of \$0.1475 per \$100 of assessed valuation is expected to yield approximately \$161 million which, along with other revenues, will allow the repayment of all current general debt obligations.

The State Constitution limits the tax rate to \$2.50 per \$100. Administratively, the Texas Attorney General will only allow up to \$1.50 per \$100 for all tax-supported debt. This amount is calculated at the time the bonds are sold and based on a 98.50% collection rate. Self-supporting debt does not count against the \$1.50.

The city's credit ratings are complimentary of strong financial performance, maintaining reserves, and strong financial governance. The city's credit strengths are somewhat offset by the city's unfunded pension liability and fixed cost burden. Moody's Investors Services (Moody's), S&P Global Rating Services (S&P), Fitch Rating Services (Fitch), and Kroll Bond Rating Agency (Kroll) have all assigned ratings to the City of Fort Worth's outstanding debt. The city's general obligation debt is rated 'Aa3' by Moody's, 'AA' by both S&P and Fitch, and 'AA+' by Kroll. The city's water and sewer system revenue bonds are rated 'Aa1' by Moody's, 'AA+' by S&P, and 'AA' by Fitch. The city's drainage utility system revenue bonds are rated 'AA+' by both S&P and Fitch. The city's special tax revenue bonds are not rated by S&P or Kroll, and are rated 'A1' and 'AA' by Moody's and Fitch, respectively.

# FUND PURPOSE AND GOALS

The General Debt Service Fund debt is used to provide funds for the repayment of long-term debt obligations issued to support the capital delivery of voter supported bond programs and other capital necessities such as equipment purchases, upgrades, repairs, construction of buildings, streets, and infrastructure to meet the needs of the city. This includes the debt paid by property tax authority rather than debt paid by an enterprise fund revenue source.

Tax-supported debt is shown in the following chart. Not included in the chart are handling charges, contribution to fund balance, and other administrative expenses.

# FUND PURPOSE AND GOALS

The Culture & Tourism debt service fund is used to finance upgrades, updates, and construction projects to cityowned facilities that would add to the tourist attractions in the City of Fort Worth. Examples include the Convention Center and the Will Rogers Memorial Coliseum.

The following chart provides the principal and interest for each bond issuance that has a payment due in FY2024.

| FY2024                         | Principal          | Interest  | <b>Total Debt Service</b> |

# FUND PURPOSE AND GOALS

The Municipal Parking Debt Service Fund is used to finance upgrades, repairs, and construction of city parking facilities. In the past, parking revenues were not sufficient to cover the debt; therefore, general debt service supported coverage of the obligation. This was executed by a transfer in of funds from the General Debt Service Fund. Again in FY2024, the General Debt Service Fund will support the repayment of the parking obligation from a transfer in of funds.

The following chart provides principal and interest by series for each bond issuance that has a payment due in FY2024.

| FY2024                   | Principal       | Interest        | То | tal Debt Service |

# FUND PURPOSE AND GOALS

The Stormwater Debt Service Fund is used to fund the repayment of Drainage Utility Revenue Bonds that were issued to support projects which update, upgrade, or improve the city's current storm water system. It also includes long-range development planning of the system.

The following chart provides principal and interest by series for each debt issuance that has a payment due in FY2024. Handling charges are included separately from principal and interest depicted in the chart, as is a contribution to fund balance.

| FY2024                | Principal       | Interest        | Total Debt Service |            |  |

# FUND PURPOSE AND GOALS

Water & Sewer Prior Lien Debt Service Fund uses revenue debt to fund projects which update, upgrade, or improve the city's current water and sewer system. It also includes long-range development and planning of the systems.

The city's Water & Sewer Enterprise System has outstanding debt service obligations for previously issued waterrelated debt. Issues include water & sewer revenue bonds and loans from the Texas Water Development Board's State Revolving Loan Fund. The Water & Sewer Operating Fund collects fees for its services to support ongoing operations and its outstanding debt service obligations.

The following chart shows principal and interest by series for each bond issuance with a payment due in FY2024. An additional minimal amount is included in debt service accounts that do not show below. This is due to bond covenant requirements in addition to budgetary needs.

| FY2024                  | Principal        | Interest         | <b>Total Debt Service</b> |

# FUND PURPOSE AND GOALS

In addition to the outstanding general obligation debt, the Water & Sewer Prior Lien Debt Service Fund includes state revolving loan debt used to fund projects which update, upgrade, or improve the city's current water & sewer system. It also includes long-range development and planning of the systems. This debt works in conjunction with the city's other water & sewer debt in that issues are subordinate liens to the primary water & sewer system debt.

All debt obligations were relieved in FY2020 and no outstanding obligations remain for FY2024.

# FUND PURPOSE AND GOALS

In February 2015, the Alliance Airport Authority, Inc. transferred ownership of the Alliance Fort Worth Maintenance Base (Facility) to the City of Fort Worth as approved by the City Council (M&C L- 15748).

As part of the transfer of ownership of the Facility, the parties agreed that all contracts and agreements relating to the operations, maintenance, property management, and leases of the Facility would be assigned to the City of Fort Worth. This assignment includes the property management agreement (City Secretary Contract No. 46423) with AFWM Services, LLC, which will be administered under the direction of the Property Management Department.

The property management agreement requires AFWM Services, LLC, to provide the City of Fort Worth an operating budget for the management of the Facility for each Fiscal Year. The budget is used as a guide for the actual operational costs on an annual basis.

The objective and goal each year is to continue to identify, negotiate, and execute long term leases to increase lease revenues and utility reimbursements to the City to operate the Facility; and, with new leases, increase tenant contributions to the Capital Reserve fund for the Central Utility Plant (CUP) to fund capital improvements as needed to the CUP resulting in the reduction of operational expenses.

## FY2024 DISCUSSION AND SIGNIFICANT CHANGES

- Increases by \$1,029,366 for Other Contractual Services (Maintenance & Repair items/services)
- Decreases by (\$520,000) for transfers out to capital related to \$260,000 one-time purchases of capital equipment at the Central Utility Plant and the Fuel Farm and \$500,000 for painting exterior metals at Industrial Waste Water Treatment Facility (IWWTF)
- Increases by \$316,215 for higher utility costs (electricity and gas)
- Revenue increases by \$2,465,734 for various utility recoveries
- Revenue increases by \$1,008,944 for leased space within the Alliance Maintenance Facility
- Revenue increases by \$65,094 for fuel flowage fees as a result of the anticipated fuel farm expansion

# FUND PURPOSE AND GOALS

The Community Tree Planting Program (Program), under the direction of the Planning and Resource Management Division of the Park & Recreation Department (PARD), provides a variety of trees on public property that are of exceptional quality, drought-resistant, well adapted to the urban environment, and of superior health and form. Trees are grown and transplanted from the city's tree farm to city facilities, parks, golf courses, parkways, medians, and capital improvement projects. Trees are also provided to residents to be planted on city rights-of-way.

Benefits of the Program include the beautification of the city, improved air quality, reduction of stormwater runoff, and a reduction in energy consumption. The Program also provides education and training for the Citizen Forester Program and trains volunteers for tree planting, data collection, and ongoing care and maintenance of the city's tree farm.

## **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

The FY2024 Recommended Budget includes funding for equipment replacement and facility repair and maintenance needs. There are five positions in the General Fund that are partially funded by the Community Tree Planting Fund, which amount to 4.40 FTE.

In the past, the Program was funded by the Program's Fund Balance and by annual disbursements from the PARD's Gas Endowment Fund. For the FY2024 Recommended Budget, the Program is funded by annual disbursements from the PARD's Gas Endowment Fund.

- Increases by \$45,810 for Vehicle and Equipment Replacements
- Increases by \$18,620 for Salary and Benefit adjustments

# FUND PURPOSE AND GOALS

In the late 1980s, Fort Worth experienced double-digit increases in crime and had one of the highest crime rates in the United States. In 1995, the citizens of Fort Worth voted to establish a Crime Control & Prevention District (CCPD; the District) as allowed under Chapter 363 of the Texas Local Government Code, also referred to as the Crime Control and Prevention District Act. It was supported by a half-cent sales tax for a five-year period, with the mission to enhance the Fort Worth Police Department's ability to provide quality service and to work in partnership with the community to reduce crime and to create a safe environment for all. The District has since been renewed by voters in 2000, 2005, 2009, and 2014 for subsequent five-year periods, and again in 2020 for a ten-year period.

# **Special Revenue Fund**

# **Crime Control and Prevention District**

Revenue from the ½ cent sales tax provides the necessary resources to effectively implement crime reduction strategies pertaining to the following funding categories or initiatives: enhanced response; neighborhood crime prevention; partners with a shared mission; recruitment and training; equipment, technology, and infrastructure. These strategies include deploying officers to respond to emerging crime trends, supporting citizen participation and crime prevention programs, replacing vehicles and equipment critical to crime control, increasing security at schools, and providing an adequate number of officers throughout Fort Worth's neighborhoods. With multiple programs that constitute the crime control plan and scope, the initiatives capture the allowable expenses under the Crime Control and Prevention District Act. The annual funding application provides a detailed list of the programs supported by the District.

The Fund is administered by the Fort Worth Police Department and includes a needs assessment process to consider crime reduction programs and solutions overseen by other city departments. The process continues to evolve in collaboration with City Management, the FWLab, and the Police Department. This year, the Fund provides resources for programs primarily for Police but also includes allocations for programming in Neighborhood Services, Library, Park and Recreation, Public Events, and Transportation and Public Works.

The Fund is managed by an eleven-member board of directors that establishes the annual budget and policies, oversees expenditures, and evaluates programs funded by the District. Each year, the board adopts a budget that is then submitted to the city council. The council approves or rejects the budget as submitted by the CCPD board.

The CCPD maintains a comprehensive set of financial management policy statements that are administered by city staff on behalf of the Crime Control & Prevention District. These policies aim to ensure that financial resources are available to meet the present and future needs through effective program planning for CCPD revenue.

CCPD Goals:

- Manage the budget based on funding priorities
- Continue to provide opportunities for citizens to learn about CCPD
- Support efforts to reduce violent crime and gang-related activities through enhanced enforcement activities and crime prevention programs
- Support efforts to increase the safety of residents and decrease crime throughout Fort Worth neighborhoods.
- Support efforts to increase the safety of youth and reduce juvenile crime through crime prevention and intervention programs
- Support efforts to enhance crime-fighting and prevention tools and efforts through diverse recruitment, training, and retention of high-quality officers; technology and equipment; and capital improvements

More information about CCPD may be found at https://police.fortworthtexas.gov/CCPD/

## DEPARTMENT PURPOSE AND GOALS

The Neighborhood Services Department (NSD) is a participant of the CCPD fund, and partially manages the FW@6 Late Night Initiative. The FW@6 Late Night initiative is offered at the Worth Heights Community Center, Martin Luther King Community Center, Northside Community Center and Como Community Center. The program creates a safe haven for "at-risk" youth living in high-crime areas of the city. The program's goal is to decrease youth participation in crime and gangs through enrichment and recreational activities designed to reduce crime, stimulate self-determination and increase community pride.

# **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

- Increase by \$32,836 for outside services associated with community center programs
- Decrease by (\$22,936) in Salaries due to prior vacancies budgeted at midpoint, but position not filled at midpoint
- Decrease by (\$30,000) in Civil Services Overtime to support Rising Star Leadership Academy

## DEPARTMENT PURPOSE AND GOALS

The Park & Recreation Department is a participant of the CCPD Fund and manages three CCPD-funded initiatives: Parks Community Policing, Gang Graffiti Abatement Program, and the FW@6 Late Night Program.

The Parks Community Policing initiative provides a safe environment for the public and staff by having an officer present at specific sites and events. In addition, private security is provided at the Diamond Hill Community Center.

The Gang Graffiti Abatement initiative aids in the removal of graffiti from tagged or vandalized properties and participates in commissioning artist work for murals across the City.

The FW@6 Late Night initiative is offered at the Sycamore Community Center. The program creates a safe haven for "at-risk" youth living in high-crime areas of the city. The program's goal is to decrease youth participation in crime and gangs through enrichment and recreational activities designed to reduce crime, stimulate self-determination and increase community pride.

# **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

Due to the closure of Forest Park Pool at the end of the 2022 pool season, the need for off-duty police security was not used in FY2023. The pool is expected to reopen in FY2024, which will cause expenses to rebound.

The cost of graffiti removal products is expected to increase in the upcoming year. Paint costs have risen and paint products are hard to supply. Some paint removal products have also increased and will most likely continue to rise in cost. Due to an increase in graffiti over the years and having to find quality products to abate graffiti, operating supplies expenditures have increased, which may require additional budget adjustments in future years.

- Increase by \$260,745 and 5 positions for community center coverage.
- Decreases by \$27,368 to accurately budget for salaries and benefits at the FW@6 Site at Chisholm Trail Community Center.

# **Special Revenue Fund**

- Increases by \$32,246 to account for rising costs in existing supplies for graffiti abatement.
- Increases by \$12,500 to implement a mural program in the graffiti abatement program to help deter graffiti throughout the city.
- Increases by \$10,500 to pay software fees for a recently deployed work order system in graffiti abatement.

## DEPARTMENT PURPOSE AND GOALS

The Police Department, under the direction of the Chief of Police, develops and implements programs to deter crime and to protect life and property in Fort Worth. Specific departmental responsibilities are:

- Reduction of violent crime and gang-related activities through enhanced response activities and crime prevention programs
- Increased safety of residents and decreased crime throughout Fort Worth neighborhoods
- Increased safety of youth and reduced juvenile crime through crime prevention and intervention programs
- Enhancement of crime-fighting and prevention tools and efforts through diverse recruitment, training, retention of high-quality officers, technology, equipment, and capital improvements

# **Special Revenue Fund**

The Fort Worth Police Department (FWPD) consists of the following three bureaus: Patrol, Support, and Finance/ Personnel. Each bureau includes commands, with divisions, sections, and units under each command. The FWPD's use of the CCPD Fund is organized among five initiatives:

- Enhanced Response
- Neighborhood Crime Prevention
- Partners with a Shared Mission
- Recruitment and Training
- Equipment, Technology, and Infrastructure

## **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

- Decreases by \$6,000,000 after a FY2023 one-time capital purchase was removed from the budget
- Increases by \$4,000,000 for the purchase of a new helicopter
- Increases by \$3,390,000 in capital funding for vehicles and equipment purchases
- Increases by \$3,365,761 for recruit and lateral-entry classes
- Increases by \$1,623,722 for fleet-related costs moved from the General Fund to CCPD Fund to cover vehicle maintenance and fuel costs for vehicles in the CCPD-fund
- Increases by \$1,335,385 and 13 AP (sworn) for the Crisis Intervention Team
- Increases by \$1,033,632 and 12 AP (general) for the Police Communications Call Taker program
- Increases by
- Increases by \$844,971 for Meet and Confer obligations
- Increases by \$663,956 in salary and benefits for previously approved costs associated with pay for performance, step increases, rising health care costs and pension contributions.
- Increases by \$605,424 and by 4 AP (general) for support to the Technology Services division
- Increases by \$560,071 for allocations associated with retiree health,risk, workers compensation, and IT Services
- Increases by \$593,130 for IT Services allocations
- Increases by \$468,619 for the addition of fleet costs to the CCPD Fund
- Increases by \$432,968 and 4 AP (sworn) for the HOPE team, as recommended by the Matrix staffing study
- Increases by \$391,484 for pay for performance for general employees
- Increases by \$337,005 and 2 AP (sworn) for the Officer Wellness Team
- Increases by \$216,635 for group health insurance adjustments
- Increases by \$196,312 and by 2 AP (general) for the NIBN team
- Increases by \$180,000 for funding a strategic and crisis communication contract
- Decreases by a net of \$1,600 as a result of transferring out 8 AP (sworn) and associated operating costs from CCPD Fund to General Fund and transferring in 11 AP (10 sworn, 1 general) from General Fund to CCPD Fund for a net increase of 3 AP (2 sworn, 1 general) in the CCPD fund in an effort to align positions in fund-supported activities

- Increases by \$108,282 for risk allocations
- Increases by \$88,000 for workers compensation allocations
- Increases by \$75,534 and 1 AP (sworn) for admin support in the Community Alliance Division
- Increases by \$71,522 for 2% pay band adjustments for general employees
- Increases by \$13,618 and 1 AP (general) for admin support to the CCPD Partners with a Shared Mission and is offset with reductions for external staffing agency costs
- Decreases by (\$52,785) for fleet service admin allocations

# DEPARTMENT PURPOSE AND GOALS

The School Crossing Guard Program is administered by the Transportation Management Division and provides school crossing guard services at elementary and middle schools in 12 districts in the City of Fort Worth.

Texas Local Government Code Section 343.014 mandates that municipalities take part in determining the demand for and provision of crossing guards to promote the safe crossing of roadways. By placing crossing guards where necessary, FWPD works with the Transportation and Public Works Department to support Safe Routes to School efforts, ensuring that students have the infrastructure and supportive guidance to safely access their elementary and middle schools via walking and biking.

## FY2024 DISCUSSION AND SIGNIFICANT CHANGES

- Decreases by \$(787,533) for one-time funding of vehicle/equipment and school zone infrastructure needs.
- Increases by \$204,950 in contractual commitments due to inflationary and growth factors.
- Increases by \$16,161 in General Operating & Maintenance for previously approved costs associated with risk management and IT solutions allocation costs.
- Increases by \$9,166 in salary and benefits for previously approved costs associated with pay for performance, rising health care costs and pension contributions.

# DEPARTMENT PURPOSE AND GOALS

Beginning in FY2024, Public Events will begin receiving CCPD funding for security cameras at the Will Rogers Memorial Center. This program provides an extra layer of oversight and serves as a proactive tool to help track and identify criminal activity and individuals involved.

# **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

The Recommended Budget:

• Increases by \$136,140 for adding security cameras to Will Rogers Memorial Center campus

# DEPARTMENT PURPOSE AND GOALS

Beginning in FY2024, Municipal Courts will begin receiving CCPD funding for an additional City Marshal to be staffed at Fort Worth Library locations. In response to various incidents at City facilities, Library and Municipal courts worked in tandem to request CCPD funding in the interest of crime prevention and creating a safe environment for staff and the public alike.

# **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

The Recommended Budget:

• increases by \$173,72 for the addition of one Deputy Marshall to provide security to the public libraries.

# FUND PURPOSE AND GOALS

The Culture & Tourism (C&T) Fund is a special revenue fund of the City of Fort Worth established in 1989 to provide funding to enhance tourism and promote, develop, and maintain cultural activities in Fort Worth.

The Culture & Tourism Fund is supported by two primary revenue sources: The Hotel/Motel Occupancy Tax, and service revenues generated by the Fort Worth Convention Center (FWCC) and the Will Rogers Memorial Center (WRMC).

Funding is allocated in the Culture & Tourism Fund for the Public Events Department's (PED) operations, including the Office of Outdoor Events, the Fort Worth Convention Center, the Will Rogers Memorial Center, and debt payments for both of those facilities as well as Dickies Arena.

# **Special Revenue Fund**

The Culture and Tourism Fund also provides the commercial insurance premiums on Dickies Arena, operational funding for Visit Fort Worth (VFW) - formerly known as the Convention & Visitor's Bureau (CVB), which includes the Fort Worth Herd - and administrative support to the Fort Worth Sports Authority.

In FY2010, the Public Events Department (PED) moved from the General Fund to the Culture & Tourism Fund. This was completed to align the department's revenues and expenditures, particularly with regard to the relational impact PED's activities have on the Hotel Occupancy Tax.

The Hotel Occupancy Tax (HOT) captures revenues collected from hotels, motels, bed & breakfasts, inns, shortterm rentals, as well as condominiums, apartments, and houses rented for less than 30 consecutive days. The current hotel occupancy tax rate of 15%, levied on every room night charge, is split 7% for the City, 6% for the State, and 2% for capital improvements and meeting existing debt service obligations for the Fort Worth Convention Center, Will Rogers Memorial Center, and (if necessary) Dickies Arena.

## **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

The FY2024 revenue budget includes \$33.5M (62%) from the 7% HOT allocated to operations, \$15.8M (29%) for PED facilities and the balance of \$4.7M (9%) from other sources including the Office of Outdoor Events and other partnerships. The FY2024 expenditure budget includes \$50.7M for operating expenses and a planned contribution of \$3.4M to fund balance for a total of \$54.1M. The FY2023 adopted operational budget of \$46.4M, including a planned contribution of \$1.4M to fund balance, was amended during the year to expenditures of \$54.4M and \$5.3M planned use of fund balance as a result primarily of the need for advanced capital funding of improvements at WRMC and new contractual stipulations with VFW that were offset by a 9% (\$2.5M) increase in the 7% HOT revenue projections for an amended FY2023 revenue budget of \$49.1M.

When comparing operational expenditures for the FY2023 to FY2024, the major contributors to the budget increase are associated with commercial insurance premiums and other allocations, staff salary and benefits, and contractual obligations with VFW, which required budget amendments in FY2023. Additionally, economic development grant rebates for the Omni, Sheraton and Kimpton hotels will increase in FY2024 and the C&T Fund continues to reimburse Trail Drive Management Company for the Dickies Arena commercial liability insurance (estimated to be \$688K in FY2024).

In FY2024, with the sustained stability of not just recovery but growth to the travel and tourism industry, the Public Events Department will focus on maintaining facility revenues while major capital improvements are taking place at with the expansion of the Fort Worth Convention Center and at multiple facilities across the Will Rogers Memorial Center campus, including the major renovation of the Sheep & Swine Barn.

- Increases by \$2.9M in the other contractual services due to contracts renewed with higher rate because of inflation.
- Increases by \$1.0M in salary and benefits for previously approved costs associated with pay for performance, step increases, rising health care costs and pension contributions.
- Increases by \$922,326 due to the increase of commercial insurance premium.
- Increases by \$300,000 to fund the department governance study needs and the cost is offset by the reduction in Contribution to Fund Balance.
- Increases by \$531,900 in the operating and maintenance for covering increase of operation cost, like electricity cost.
- Increases by \$108,590 in VERF transfer out for purchasing vehicles.
- Increases by \$60,000 to fund the audit program that both the City and ETF clients believe adds value to the ETF application process. The cost is offset by the reduction in Contribution to Fund Balance.

# FUND PURPOSE AND GOALS

Culture & Tourism promotes increased economic activity through visitor spending generated by events held at the Fort Worth Convention Center and Will Rogers Memorial Center.

On November 18, 1997, the City Council increased the Hotel Occupancy Tax Rate to 9%. 2% of the tax collected is to be used only for the construction and expansion of an existing convention center facility or for pledging payment of revenue or revenue refunding bonds issued in accordance with state law for the construction of the expansion.

The Culture and Tourism 2% Tax Fund was created in FY2016 to separate the 2% portion of the Hotel Occupancy Tax dedicated to the debt of facilities and expansion and improvements associated with the Fort Worth Convention Center (FWCC) and the Will Rogers Memorial Center (WRMC) from the other revenue sources of the Culture & Tourism Fund, to more accurately track the uses of the different revenue sources.

## **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

The adopted FY2023 budget of \$7.9M for the Culture and Tourism 2% Hotel Tax (HOT 2%) was based on collaborative projection efforts between the Fort Worth Convention and Visitors Bureau-Visit Fort Worth (VFW) and the Public Events Department (PED) in May of 2022 then amended in March 2023 to \$8.6M to account for higher than anticipated collections and revised forecasting by PED financial consultants in December 2022. The amendment increased planned contributions to fund balance by \$741K to \$1.59M.

Through May of 2023 tax collections continued to surpass projections, reaching a 30% increase over the same period of the previous year with the fund forecasted to surpass the amended budget by (4%) reaching \$9.04M. Based on these results and the same collaborative projection efforts between VFW and PED, the proposed budget increases to \$9.5M for FY2024, 20% higher than the adopted FY2023 budget.

The FY2023 expenditure budget was adopted with a \$2.74M contribution to venue bond debt service. However, with the significant revenue increases in both the Venue Tax and the PFZ projections, in November of 2022 the budget was amended and all HOT 2% transfers to the Venue Debt Fund were eliminated and replaced with other sources, leaving expenditures of \$976K for the Fort Worth Convention Center (FWCC) Legacy debt service and a \$3.37M transfer for improvements and capital expenditures at the FWCC, resulting in a total \$4.33M planned contribution to fund balance for the HOT 2% fund.

- Increases by \$2.3M in debt interest account and increases by \$865,000 in debt principal account for debt obligation \$979K for FWCC Legacy debt service and adds \$3M for the first year of annual debt service payments on the new 2023 Combination Tax and Revenue Certificates of Obligation issued in May of 2023 for the FWCC Phase I Expansion
- Decreases by (\$1.1M) budget for capital improvements

# FUND PURPOSE AND GOALS

In 1998, the City of Fort Worth entered into an agreement with the Cities of Euless (and subsequently Coppell and Grapevine) and Dallas to provide for the sharing of Rental Car taxes generated at DFW International Airport. There are additional agreements with cities where incremental tax revenues generated by economic development projects within the geographical boundaries of the DFW Airport are remitted to the City of Fort Worth.

In 2009, the City Council amended the Financial Management Policy Statements providing that the revenues from DFW Revenue Sharing be dedicated to facility improvements at the Fort Worth Convention Center, Will Rogers Memorial Center, and the new Dickies Arena.

This fund was established in FY2016 to separate the revenues of the DFW Revenue Sharing from the other revenue sources in the Culture & Tourism Fund. Revenues received in this fund remain dedicated to the debt and improvements associated with the Fort Worth Convention Center, the Will Rogers Memorial Center, and the new Dickies Arena. With the addition of the new Dickies Arena, the debt associated will take precedence for this revenue source.

This fund is restricted to covering scheduled debt and contributing to cash-funded capital projects at the above facilities.

## FY2024 DISCUSSION AND SIGNIFICANT CHANGES

Consistent with increases in HOT, as recovered stability continued in the travel and tourism industry, DFW Revenue Share increases by 36% to \$9.8M for FY2024 as compared to the FY2023 adopted budget.

Like the past three fiscal years, this Fund outperformed its budget in FY2023, with collections exceeding budgeted revenues by 39% (\$2.81M), creating a contribution to fund balance in the same amount, bringing the balance to approximately \$7.4M and strengthening the fund's financial position to incur additional debt payments for the issuance of new bonds for capital improvement in FY2024.

The Will Rogers Memorial Center (WRMC) legacy debt of approximately \$2.5M will be fully covered by revenue generated from the Fund in FY2024, in addition to \$1M for capital improvements and \$5.9M proposed as contribution to fund balance in the budget. However, with the issuance of new debt anticipated in the fall of 2023 for the Sheep & Swine Barn Renovation Partnership with Events Facilities Fort Worth/ Southwestern Exposition and Livestock Show and other major capital improvements at WRMC, the FY2024 debt payment is expected to increase by approximately \$5.6M. At such time, a budget amendment will be brought before the City Council to decrease adopted contributions to fund balance and appropriate increased transfers for debt service payments from the DFW Revenue Share Fund to cover these costs.

- Decreases by (\$875,000) in the capital improvements to meet department needs
- Increases by \$2.6M in the DFW sharing revenue collection due the strong performance in previous years

# FUND PURPOSE AND GOALS

Culture & Tourism promotes increased economic activity through visitor spending generated by events held at the Fort Worth Convention Center and the Will Rogers Memorial Center.

This Fund is restricted to paying the debt associated with facility improvements and/or capital facility enhancements. This fund was established in FY2016 to separate the revenues of the Project Finance Zone from the other revenue sources in the Culture & Tourism Fund. The Project Finance Zone (PFZ) #1 was designated by Ordinance No. 21011-10-2013 in October 2013. The ordinance dedicates the increment from the growth in the 6% State Hotel Occupancy Tax, state sales tax, and state mixed beverage tax to pay bonds or other obligations to qualified projects. The State portion is separated from the City's 9% of the Hotel Occupancy Tax. Currently, the two qualified projects are the Fort Worth Convention Center expansion and Dickies Arena. The base year is 2013. Funds that are collected at hotels in the three-mile radius surrounding the project by the State Comptroller's Office are deposited in this fund.

## **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

The addition of four new hotels in the PFZ and continued growth of revenues for hotels in the PFZ during 2023 created a significant driver for increases in the Fund's growth, as the State does not retain any portion of taxes generated from those establishments opening after 2013. The FY2023 adopted budget of \$8.2M was based on projections in May of 2022, with no certainty of new hotel openings in the coming fiscal year at that time. However, based on performance, in March of 2023 the revenue budget was amended to \$9.3M, which then provided for a planned \$1.1M contribution to fund balance. Collections as of April 2023 had increased by 58% compared to the same period in the prior year, creating an FY2023 anticipated total of \$12.7M for FY2023 tax collections and an anticipated contribution of \$4.6M to fund balance.

Based on FY2023 performance and revised forecasting by Public Events Department financial consultants, the FY2024 revenue budget increases to \$12.1M, 47.5% higher than the adopted FY2023 budget.

The FY2023 adopted expenditure budget included \$6.5M in venue bond debt service, and \$1.6M in planned contributions to fund balance. However, planned contributions to fund balance were eliminated with a budget amendment in November 2022 increasing the debt service payment to \$8.2M, covering 54% of the total \$15M payment. This allowed for the elimination of all contributions from the HOT 2% to venue bond debt service FY2023.

The FY2024 expenditure budget includes \$6.5M in venue bond debt service, covering 43% of the \$15M payment, does not include any capital transfers and provides for a \$6.5M planned contribution to fund balance in a strategic effort to continue building for future debt capacity.

- Decreases by (\$958,009) in debt service to meet department debt obligations
- Increases by \$3.9M in revenue collections due to the market performance is strong and recovering back to before COVID level

# FUND PURPOSE AND GOALS

Chapter 334 of the Texas Local Government Code (LGC) authorizes the City to designate various sports and community-related capital improvements as "venue projects". In July 2014, the City Council adopted a resolution (No. 4327-07-2014) to authorize a new Multipurpose Arena designated as the venue project. In November 2014, a special election was held and the majority voted in favor of authorizing these specific taxes to assist in the financing of the venue project.

The special venue taxes are:

- Stall Taxes each stall or pen that a person can use or occupy in connection with a Livestock Event, at a rate of \$1.00 per stall or pen per day, with the aggregate total not to exceed \$20.00 per stall or pen
- Admission (Ticket) Taxes the rate of 10% of the price paid for an Admission ticket(s) to or in connection with an event at the Venue project
- Parking Taxes each motor vehicle parked at a Venue Parking Facility at the rate of 50% of the charge imposed, but not to exceed \$5.00

This fund was established to separate the venue taxes that become effective with the opening of the Dickies Arena in November 2019.

## **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

The revenues generated from venue taxes are used to meet debt obligations for Dickies Arena.

An increase in the number of events booked after the FY2023 budget submission in June of 2022 resulted in revenue exceeding budget by 14% (\$1.1M) for tax collections on events through the monthly of June 2023. This also created an FY2023 year-end projection of \$10.6M in total tax revenues, anticipated to exceed budget by 36%, restoring a solid fund balance of approximately \$8.5M.

- Increases by \$3.7M and is proposed entirely for debt obligations on Dickies Arena covering 60% of the total \$15M payment, an increase from 40% coverage (\$5.9M) in FY 2023
- Increases by \$4.5M in the revenue collections due to due to the market performance is strong in previous years.

## DEPARTMENT PURPOSE AND GOALS

The Economic Development Initiatives Fund (EDIF) was started with an initial deposit of \$4,575,896, which was transferred to the City from the LDC following the sale by the LDC of the 250 Lancaster project and the second deposit of \$400,000 also from the LDC from 250 Lancaster sales proceeds. On May 18, 2021, the LDC adopted a resolution authorizing the transfer of a portion of net proceeds from the Blue Mound Road Complex sale in the amount of \$1,000,000 to the City of Fort Worth to provide additional funding to the EDIF.

In March of 2023, the City Council adopted a resolution formally establishing a policy for the EDIF as a dedicated cash fund for the purposes of supporting economic development in the city. The policy outlines intended long-term funding sources and the use of the EDIF to support programmatic needs (i.e. the one-time or multi-year support of programs, initiatives, and administration of economic development efforts) and reserved funding for use in incentivizing future projects. In addition to one-time contributions to the Fund resulting from certain property transactions (including those described above), the EDIF policy also identifies anticipated annual funding, authorized by budget approval, for dedicated deposit to the fund, including certain amounts that are calculated in relation to City ad valorem contributions to terminated TIF districts.

## **Special Revenue Fund**

The use of the EDIF to support private projects was recommended by the Economic Development Strategic Plan that was recently updated in 2022. The recommendation was guided by the City's Economic Development Program Policy which identifies the EDIF as an incentive tool that may be used to support qualified projects in all industries, but with strong consideration given to applicants that operate in Target Sectors outlined in the policy and as approved by City Council.

## FY2024 DISCUSSION AND SIGNIFICANT CHANGES

Since the inception of the fund, the City Council has approved four awards for a total amount of \$2,090,750 subject to verification that project commitments have been achieved.

These approved awards include: \$1,000,000 to Wesco/Incora Aircraft for the creation of 615 jobs (and other project commitments), \$218,750 to Watts/PVI for the creation of 243 jobs (and other project commitments), \$212,000 to Ariat International for the creation of 450 jobs (and other project commitments), and \$660,000 to Smart Action for the creation of 81 jobs (and other project commitments). Of these authorized projects, agreements for Wesco/Incora Aircraft and Watts/PVI were either unexecuted or terminated for non-performance and, therefore, grants from the EDIF will not be delivered to the companies but will instead remain deposited in the EDIF for use towards future projects.

The FY2024 Recommended budget increases by \$3,000,000 for Economic Incentives, fully funded by a transfer from the General Fund.

## FUND PURPOSE AND GOALS

Formally established in 1995, the Environmental Protection Fund (EPF) assists the city in paying for regulated environmental quality programs, projects, and services which are designed to address air, land and water pollution and generally improve public health, welfare, and safety (e.g., hazardous materials management and litter control). Environmental programs ensure that the city and community achieve compliance with local, state and federal environmental rules and regulations. For example, the Environmental Quality Division has historically deployed and applied the following types of services aimed to reduce or prevent pollution in Fort Worth:

- Surface water pollutant monitoring in local creeks, rivers and lakes
- Litter control (community cleanups, public education, operational planning)
- · Soil/groundwater pollution remediation projects and site cleanup projects
- Hazardous materials management and disposal (e.g., asbestos abatement)

- Air pollutant monitoring
- Municipal environmental compliance
- Environmental compliance inspection and audits
- Environmental compliance outreach and technical education
- Environmental emergency responses

The Environmental Quality Division staff examines and verifies the scope of each project request from other city departments. Examples of environmental services may include environmental site assessments, pollution remediation on city property, disposal of environmental wastes from city operations, etc. The Environmental Quality Division maintains due diligence studies and oversees a variety of environmental capital improvement projects (CIP). These efforts support a common goal for a clean, safe, and livable city.

## **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

A City reorganization will create the new Environmental Services Department in FY2024. The new Environmental Services Department will operate through the Solid Waste Fund, the Environmental Protection Fund, and the portion of the General Fund budget used to date for Code Compliance Consumer Health; thus, in FY2024, the entire Environmental Protection Fund budget will be under the direction of the Environmental Services Department. Though this could not be included in the Recommended Budget Book, City staff aims to reflect the reorganization in the adopted budget and FY2024 Adopted Budget Book. Aside from the impact of the new department director's salary, the reorganization will be budget-neutral.

- Increases by \$173,694 for 2 Approved Positions (AP) from a transfer from the Solid Waste Fund
- Decreases by (\$4,495,000) from a transfer out to fund capital projects
- Increase by \$743,660 for increase in contracts
- Increases by \$661,471 in General Operating & Maintenance for previously approved costs associated with risk management and IT solutions allocation costs
- Increases by \$550,000 to construct an Aquatic Litter Control Waterwheel Interceptor, which is offset by a use of Fund Balance
- Increases by \$73,531 in salary and benefits for previously approved costs associated with pay for performance, rising health care costs and pension contributions
- Decreases by (\$60,000) to transfer the Cowboy Compost program to the Solid Waste fund, which is offset by a contribution to fund balance

## FUND PURPOSE AND GOALS

The City of Fort Worth Municipal Golf Fund, managed by the Golf and Athletics Division of the Park & Recreation Department, provides enjoyable, safe, and comprehensive golf programs through three municipally-owned golf courses: Pecan Valley, Meadowbrook, and Rockwood Park. On October 1, 2019, the Sycamore Creek location ceased operations as a golf course and was converted to public parkland.

Pecan Valley Golf Course is a 36-hole facility located in the southwest part of the city with a fully-equipped pro shop, snack shop, and driving range. An expansive outdoor pavilion is also available to handle large tournaments and corporate outings.

Meadowbrook Golf Course is an 18-hole facility located on the east side of the city. It has a fully-equipped pro shop and features a full snack bar and grill service.

## **Special Revenue Fund**

Rockwood Park Golf Course is an 18-hole facility with a driving range, pro shop, snack shop, and six-hole practice course. Rockwood Park has the distinction of serving as the host site for The First Tee of Fort Worth and the Ben Hogan Learning Center. The 18-hole course received an extensive renovation and reopened in June 2017. The newly constructed clubhouse opened in May 2021. The course is located in the near northwest part of the city.

Municipal Golf Fund expenditures are financed primarily from charges-for-service, classified as taxable and nontaxable revenue, in the form of green fees, cart rentals, and other fees at all golf courses. In August 2014, the City Council approved a resolution providing an annual subsidy to the Municipal Golf Fund beginning in FY2015. In July 2015, the Municipal Golf Fund was changed from an Enterprise Fund to a Special Revenue Fund.

In FY2016, the annual subsidy was apportioned to pay previous Peoplesoft FINS Phase II debt, while also continuing to support the Municipal Golf Fund.

## **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

The Municipal Golf Fund is currently planning for a renovation of Meadowbrook Golf Course. Due to the 2022 Bond Program – Proposition B that passed in May of 2022, Meadowbrook Golf Course is scheduled to close on November 1, 2023, and reopen in Spring 2025. No revenue would be generated during the closure, but expenditures would be incurred for staff salaries and benefits to oversee construction and for utilities. All financial strategies for the Municipal Golf Fund need to account for the impacts of the closure and the financial performance when the facility reopens following the renovation.

The FY2024 Recommended Budget includes an overall decrease in earned revenues of \$401,005 (-6.6%) over the FY2023 Adopted Budget, primarily due to the Meadowbrook closure. The annual subsidy also will decrease by \$75,000 to \$245,000. The Municipal Golf Fund will use fund balance to balance the FY2024 Golf Operating Budget.

- Increases by \$89,376 and 3 full-time positions to fund three Maintenance Workers at Meadowbrook Golf Course to assist in turf grow-in and other renovation needs.
- Decreases by (\$243,231) for transfers to golf capital projects
- Increases by \$39,567 in General Operating & Maintenance for previously approved costs associated with risk management, IT solutions allocation costs, and fund administration
- Increases by \$63,405 in salary and benefits for previously approved costs associated with pay for performance, rising health care costs and pension contributions

## FUND PURPOSE AND GOALS

The Special Donations Fund was created in FY2016 to capture and track monetary donations received by various departments within the City. Each year some departments receive donations or revenues from private entities on a regular basis. These revenues may be limited in use by the donor. In the past, these funds were commingled with other types of revenue, and the Special Donations Fund was set up to budget for these cash/monetary donations only.

The budget is based on the anticipated revenue from each General Fund department that receives donations and is included in the budget appropriation for the fiscal year. Revenues and expenditures are budgeted in a Non-Departmental center within the Special Donations Fund and once a donation is received, both the revenue and expenditure budget will be transferred to the applicable center for the department receiving the donation within the fund.

## **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

There are no significant changes in service level represented in the FY2024 Recommended Budget.

## FUND PURPOSE AND GOALS

The Library Special Revenue Fund was established in 1986 for funding the library's integrated library system. The Fort Worth Public Library provides services to six local libraries by sharing the integrated library system, courier services, and systems support. The libraries are Benbrook, Burleson, Haltom City, Keller, Richland Hills, and Watauga. These participating cities pay into the fund for the services provided. Funds in this account are reserved to offset the costs associated with operating and improving library system operations.

## **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

The fund is being closed out and retained in the FY2024 Recommended book for historical purposes since there has been fiscal activity in the past three years. In FY23 most of the remainder of these funds were put towards technology for the Vivian J. Lincoln Library.

## FUND PURPOSE AND GOALS

The Municipal Court Special Revenue Fund is used to manage several of the department's programs and projects:

The Court Technology Project of the Special Purpose Fund was established under the authority of Article 102.0172 of the Texas Code of Criminal Procedure to finance the purchase and maintenance of technological enhancements for the Municipal Court.

The Juvenile Case Management Project of the Special Purpose Fund was established under the authority of Article 102.0174 of the Texas Code of Criminal Procedure to pay for costs related to juvenile case manager positions.

## Special Project Funds Municipal Court Special Revenue Fund Statement

The Truancy Prevention & Diversion Project of the Special Purpose Fund was established under the authority of Article 102.015 of the Texas Code of Criminal Procedure. This legislation allows a governing body of a municipality by ordinance to create a juvenile case manager fund.

## **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

These projects remain active and unappropriated revenue received through FY2022 totals \$74,802. This fund has 1 AP allocated 50% to Juvenile Case Manager Project and Truancy Prevention & Diversion Project. There are legislative mandates effective September 1, 2023 that will affect operations in the Truancy Prevention & Diversion project in later years.

## FUND PURPOSE AND GOALS

The CCPD Community Based Fund, a life-to-date fund created to track multi-year funding awards, provides financial support for crime prevention or intervention programs of local, registered non-profit agencies. These programs are to supplement the current crime prevention strategies funded by the District. These programs must address at least one of the following goals: reduce violent crime and gang related activities, support efforts to increase the safety of residents and to support effort to increase the safety of youth as well as reduce juvenile crime through crime prevention and intervention programs.

Agencies submit proposals to the Fort Worth Police Department (FWPD), outlining the details of their crime prevention programs, including a project overview, budget summary, outcomes, and activity measures. Agencies are encouraged to integrate evidence-informed strategies and describe how their project impacts the District's mission.

All proposals are reviewed and scored by a committee. The Scoring Committee makes recommendations to the CCPD Board, and programs are awarded funding on a competitive basis based on the amount of funds allocated towards community-based programming each fiscal year.

## FUND PURPOSE AND GOALS

Enterprise funds provide direct deliverables to customers who receive goods or services in exchange for payment. The City charges rates for these services and deposits the revenue into separate operating funds. This revenue pays for the delivery of each service or product. Each operation is intended to be a self-supporting business, therefore employing the enterprise financial model. The City currently operates five funds on this basis: Water and Sewer, Municipal Airports, Municipal Parking, Stormwater Utility, and Solid Waste.

The Municipal Airports Fund supports the operations of Alliance, Meacham, and Spinks Airports through the collection of revenue primarily generated by land and terminal building leases, as well as landing fees, hangar rental, and fuel flowage.

The Municipal Parking Fund is managed by the Transportation and Public Works Department and maintains six parking garages, twenty surface lots, and more than 3,000 metered spaces. Revenues are generated from fees charged to users of those surface lots, garages, and street metered parking spaces, the lease of office and retail space, and fines collected from parking ordinance violations. Operations are financed from these revenues and debt is issued for large capital projects.

The Solid Waste Fund is responsible for the collection of refuse and recycling throughout the city. Operations are financed by monthly residential refuse collection rates, service charges for special bulk/brush collection, residential recycling rates, and other miscellaneous fees. These comprehensive solid waste service charges are collected from residents through a monthly fee added to their water bill.

The Stormwater Utility Fund has the responsibility of providing stormwater management to approximately 244,000 residential, commercial and industrial customers. Program operations are financed through utility fees for residents and commercial customers based on the measure of impervious surface area or equivalent. Residential units charges are collected from residents through a monthly fee added to their water bill.

The Water and Sewer Fund is responsible for providing water, wastewater, and reclaimed water services to residential, commercial, industrial, irrigation, and wholesale customers. The fund serves approximately 1.3 million people in Fort Worth and 33 surrounding communities. Operations are financed through a rate structure based on the amount of service used, which is billed to customers every month. Debt is issued for large capital projects.

## FUND PURPOSE AND GOALS

The Aviation Department oversees a system of airports, which includes: Fort Worth Meacham International Airport (Meacham), Fort Worth Spinks Airport (Spinks), and Perot Field Fort Worth Alliance Airport (Perot Field). The Department is responsible for airport operations, budget administration, grant administration, facility and land leasing, and capital project planning for all airports. Airport management oversees and maintains the airport infrastructure in compliance with Federal Aviation Administration (FAA) regulations.

Meacham International, constructed in 1925, was the first airport in the Fort Worth system and has a rich history of providing aeronautical services to the community. The airport is named after H. C. Meacham, who was the Mayor of Fort Worth from 1925 to 1927. Meacham was named the 2013 Airport of the Year by the Texas Department of Transportation's Aviation Division. Meacham has two runways, precision instrument approaches, and an FAA control tower. A large variety of companies that provide aviation services choose Meacham as a base of operations.

## **Enterprise Funds**

Spinks became a part of the system in 1988 when the Oak Grove Airport was acquired from a private operator, Maurice Hunter "Pappy" Spinks, a renowned aerobatic competitor/promoter and aviation manufacturer. Spinks has two runways, a precision instrument approach, and an FAA contract control tower. A variety of companies that provide aviation services have chosen Spinks as a base of operations.

Perot Field, constructed in 1989, is one component of a master-planned mixed-use community known as Alliance, Texas and developed by Hillwood. The airport serves as an inland logistics port with air, rail, and trucking. Perot Field has two runways, precision instrument approaches, and a 24-hour FAA control tower. Airport management, operations and maintenance, and repair of infrastructure at Perot Field are conducted by Alliance Air Management through a management agreement with the City of Fort Worth.

## **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

- Increases by one authorized position (AP) for Administrative Assistant for an increase of \$80,638 (offset by increased revenue) to assist with increased fiscal, budget, purchasing and other administrative tasks whose costs are offset by Temporary Labor Services and Training and Workshops
- Increases by one authorized position (AP) for one Spinks Airport Operations Technician for an increase in \$80,638 (offset by increased revenue) to assist in providing aircraft operations coverage and maintenance operations coverage whose costs are offset by Miscellaneous and Operations Expenses and Group Health Insurance
- Increases by \$472,233 in salary and benefits for previously approved costs associated with pay for performance, rising health care costs and pension contributions
- Increases by \$92,753 for Consultant and Other Professional Services
- Increases by \$87,143 in Facilities Repair and Maintenance Supplies for the repair and upkeep of facilities
- Increases by \$52,947 in Commercial Insurance Premiums
- Increases by \$28,426 in Chemicals
- Increases by \$16,638 in Fleet Outside Repair and Maintenance and \$16,212 in Vehicle Repair and Maintenance due to the needs of an aging fleet
- Increases by \$4,017 in Contractual Pavement Maintenance for pavement repairs throughout the year
- Increases by \$2,020 in General Operating & Maintenance for previously approved costs associated with risk management and IT solutions allocation costs
- Increases by \$1,792,185 in Capital Interfund Transfer Out for capital projects
- Increases by \$50,000 in Intrafund Transfer Out
- Increases by \$370,820 in Hangar Lease revenue and \$292,185 in Land Lease revenue
- Increases by \$194,185 by Administration Building Office Lease revenue
- Increases by \$186,000 in Fuel Flowage revenue is anticipated due to greater fuel flowage volume as fuel costs remains at 18 cents a gallon

## FUND PURPOSE AND GOALS

The Parking Services Division within the Transportation and Public Works Department maintains and manages six parking garages, 20 surface lots, and over 3,200 metered parking spaces citywide.

The city garages are located at 10th and Taylor Street, 1200 Houston Street, 1301 Commerce Street, 1401 Gendy Street, 246 West 15th Street, and 8th and Main Street, which is under a long-term lease to the Hilton Hotel. These facilities provide parking for the general public, especially as it relates to the Will Rogers Memorial Center, Museum of Science and History, Amon Carter Exhibits Hall, the Community Arts Center in the Cultural District, the Fort Worth Convention Center, City Hall, and the Central Business District in Downtown. They also allocate space for city vehicles and the personal vehicles of city employees.

Metered parking exists throughout the Downtown Central Business District, the Texas Christian University/Berry Street area, the West 7th Urban Village, the Cultural District, and the Hospital District.

## FY2024 DISCUSSION AND SIGNIFICANT CHANGES

- Decrease by (\$993,834) in Transfer Out & Other as a result of the decreases by (\$2.9 million) for Debt Service and increase of \$1.9 million to Contribution to Fund Balance. In FY24 the transfer to Parking Debt Service fund was made directly from the General Debt Service fund
- Increases by \$988,204 in General Operating & Maintenance for previously approved costs associated with risk management, administrative cost and IT solutions allocation costs
- Decreases by (\$222,713) for contractual obligations
- Increases by \$140,000 for Houston Street Garage Automation Upgrade
- Increases by \$99,570 in salary and for previously approved costs associated with pay for performance, rising health care costs, pay band adjustment and pension contributions

## FUND PURPOSE AND GOALS

The Solid Waste Fund provides residential solid waste collection, recycling processing, and waste disposal, as well as numerous other solid waste management-related services within the city. It fulfills these duties through the internal staff responsible for key program elements and by using and managing contractors for operational solid waste services.

## **Enterprise Funds**

The Solid Waste Fund has six functional areas: Contract Compliance provides management over seven solid waste service contracts; Field Operations manages City forces that operate the drop off stations, the environmental collection center, provide illegal dump investigation and clean up, litter & nuisance abatement, street sweeping of key strategic roadways and dead animal collections; Community Education provides public education and outreach; Planning & Research develops and oversees long-term plans for Solid Waste and other areas within the Code Compliance Department. In addition, Solid Waste Administration oversees the various programmatic areas, revenue sources for fund sustainability, and long-term landfill disposal capacity for the City's residential and commercial waste streams; and the Neighborhood Stability Section, part of the Code Enforcement Neighborhood Investigations Division, conducts Safe Neighborhood Initiatives, presents nuisance abatement cases to the Building Standards Commission, and coordinates the Code Ranger Program.

The Solid Waste Fund pays for the collection of sidewalk containers, mitigates and investigates all illegal dumping activity, and litter & nuisance abatement throughout the city. Additionally, Solid Waste pays a percentage of Code Enforcement costs (based on solid waste enforcement hours). Currently 50% of revenues collected under the grant of privilege are passed through to Transportation and Public Works to offset road wear and tear from commercial service providers, with the remaining 50% staying in the Solid Waste Fund to help align and fund the related commercial and residential sector benefits.

The Solid Waste Fund strives to operate cost-effective, financially sound, and award-winning programs that continually serve as a role model for managing garbage, recycling, and waste reduction services for the residents of Fort Worth, while supporting the city's six Core Values with an exceptional level of customer service.

## **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

A City reorganization will create the new Environmental Services Department in FY2024. The new Environmental Services Department will operate through the Solid Waste Fund, the Environmental Protection Fund, and the portion of the General Fund budget used to date for Code Compliance Consumer Health; thus, in FY2024, the entire Solid Waste Fund budget will be under the direction of the Environmental Services Department. Though this could not be included in the Recommended Budget Book, City staff aims to reflect the reorganization in the adopted budget and FY2024 Adopted Budget Book. Aside from the impact of the new department director's salary, the reorganization will be budget-neutral.

- Increases by \$6,596,963 in contractual commitments due to inflationary and growth factor, which is offset by a partial amount in contribution to fund balance
- Decreases by (\$1,762,253) in the Transfer Out & Other category due to a reduction in contribution to fund balance (\$2,440,902) and an increase to operating transfer out \$678,649
- Increases by \$731,982 from increasing Landfill expenses, which is offset by a contribution to fund balance
- Increases by \$174,159 from increasing GOP hauler fee, which is offset by a contribution to fund balance
- Decreases by (\$173,694) for 2 Approved Positions (AP) from a transfer to the Environmental Protection Fund, which is offset by contribution to fund balance
- Increases by \$60,000 to transfer the Cowboy Compost program from the Environmental Protection fund, which is offset by a use of fund balance

## FUND PURPOSE AND GOALS

The Stormwater Utility Fund is an Enterprise Fund with the responsibility for providing stormwater management to approximately 262,000 residential and non-residential customers in the City of Fort Worth. The Stormwater Management Program is responsible for managing program resources to protect people and property from harmful stormwater runoff by effective maintenance and rehabilitation of the municipal drainage system, construction of projects to mitigate flood and erosion hazards, warning the community of flood and erosion hazards that cannot be mitigated in the short-term, and reviewing private development for compliance with city drainage standards.

## FY2024 DISCUSSION AND SIGNIFICANT CHANGES

- Increases by \$2.9 million and 12 authorized positions (APs) for a dedicated team of five APs to inspect on a cycle all culvert assets and seven APs for Pre-CCTV Pipe Inspection and Cleaning Teams. The increase is offset by revenue generated from a 15% stormwater utility fee increase effective January 1st
- Decreases by (\$50,658) and one AP for the purpose of transferring vacant position to Development Services department for support of Development Services streetlight plan reviews
- Decrease by (\$3.1 million) in Interfund Transfer Out to Development Services by moving back the consultant budget within the Stormwater Fund to leverage savings through the year for other program needs
- Increases by \$3 million in PayGo and a debt program to advance the delivery of high priority capital flood mitigation improvement project phases in several neighborhoods. The increase is offset by revenue generated from a 15% stormwater utility fee increase effective January 1st
- Decrease by (\$2.9 million) in Capital Interfund Transfer Out for Capital Improvement Projects
- Increase by \$2.6 million for Debt Service associated with FY23 debt issuance
- Increases by \$2 million in contractual commitments as result of moving back the consultant budget within the Stormwater Fund
- Increases by \$586,006 in salary and benefits for previously approved costs associated with pay for performance, rising health care costs and pension contributions
- Increases by \$164,579 in General Operating & Maintenance for previously approved costs associated with risk management and IT solutions allocation costs
- Increases by \$90,000 in salary and benefits for Incentive pay for TPW staff

## FUND PURPOSE AND GOALS

The Water and Sewer Fund is an Enterprise Fund responsible for providing water, wastewater and reclaimed water services to residential, commercial, industrial, irrigation, and wholesale customers. Fort Worth Water (the Utility) serves approximately 1.4 million people in Fort Worth and 33 surrounding communities. Operations are financed through a rate structure based on the amount of services used, as well as base service fees, which are billed to customers on a monthly basis. Debt is issued for large capital projects.

The Water and Sewer Fund provides resources for three separate departments: water, sewer and reclaimed water. These services are billed separately to more accurately capture the cost of each service. However, the Water and Sewer Departments share administrative staff, and many of the employees are partially expensed to more than one department.

## **Enterprise Funds**

The Water Department is responsible for providing safe, clean drinking water to Fort Worth residents and customer cities. The Sewer Department collects, monitors, treats and processes domestic and industrial waterborne waste from Fort Worth and other contracting communities. The Reclaimed Water Department provides highly treated effluent from Fort Worth's water reclamation facility. Reclaimed water is distributed through a separate system to wholesale and retail reclaimed water customers for non-potable uses such as irrigation and industrial cooling towers.

The Customer Care Division performs metering services as well as billing and collection functions for water, sewer, reclaimed water, stormwater, environmental, and solid waste services for wholesale and retail customers. It also processes orders for new services, collects delinquent payments and investigates complaints. The division also manages programs to encourage efficient water use, provides educational programming to the public, and is responsible for internal and external communications. In addition, the division provides backflow prevention services as well as industrial pretreatment by permitting and monitoring businesses and industries that produce a high level of concentrated waste to reduce the impact to the sewer system. The division also coordinates development activities for the Utility with the Development Services Department.

The Management Services Division develops and monitors operating budgets and capital improvement programs, determines rates, and coordinates all fiscal and administrative functions for the Utility, including procurement activities and capital improvement project accounting. The division also provides capital project support, organizational development, information technology services, environmental health and safety program administration, security and emergency planning, records management and workforce development.

The Strategic Operations Division is responsible for developing a master plan for all water and sewer capital projects. This division provides infrastructure and facility planning, asset management, technical support, and SCADA systems management for the Utility. The regulatory affairs section serves as the departmental liaison on all intergovernmental and regulatory issues related to water and sewer services. The laboratory section provides water and sewer sampling and laboratory analysis.

The Capital Delivery Division is responsible for engineering and construction of facilities and pipeline projects including water and sewer mains, new development infrastructure, treatment facilities, storage tanks, pump stations, and lift stations. The division provides in-house design, construction inspection services and coordination of projects with the City's street bond program.

The Plant Operations Division treats and distributes a safe water supply to meet customer needs and operates five water treatment plants and various water storage and pumping facilities located throughout the city. It is responsible for the metering of all the wholesale customer cities' water and sewer services. The division also provides wastewater treatment services for Fort Worth and its customer cities through a regional water reclamation facility. Furthermore, this facility dewaters and treats Class AB biosolids for beneficial re-use. The facility sells biogas produced in its onsite digesters for RIN credit to MAS Energy (Renovar). The water reclamation facility generates about 45% of its energy using natural gas turbines.

The Field Operations Division is responsible for the maintenance and repair of more than 7,000 miles of water distribution and sewer collection system pipelines. The division handles main break and leak repairs, line location services, sewer overflows, inspection and cleaning of sewer lines, water and sewer taps, and fire hydrant and valve maintenance.

## **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

- Increases by \$271,328 and two APs to assist with leak investigations whose cost is offset by Pay-Go
- Increases by \$249,708 and two APs to assist with development requested studies whose cost is offset by Pay-Go

## **Enterprise Funds**

- Increases by \$141,759 and one AP to assist with backflow permitting and inspections whose cost is offset by Pay-Go
- Increases by \$100,694 in Interfund Transfers Out for the continued funding of one General Fund position in the Financing Purchasing Division whose cost is offset by Pay-Go. These positions help the Water Department with procurement needs on a daily basis
- Increases by \$66,396 and one AP to assist with administering sample log-ins from external customers whose cost is offset by Pay-Go
- Increases by \$14.39 million in required debt payments to keep up with growth and increased demand
- Increases by \$11.2 million in Transfers to Water/Sewer (PAYGO) to address rehabilitation and replacement needs
- Increases by \$7.9 million in Raw Water Purchases due to a 4.9% Tarrant Regional Water District rate increase as well as a small increase in the amount of purchased water
- Increases by \$7.8 million in Outside Wastewater Treatment (Other Contractual) due to a 10.9% Trinity River Authority Central rate increase and a 56.1% Trinity River Authority Denton Creek rate increase
- Increases by \$5.3 million in Other Contractual (not including TRA) due to the addition of plant operations maintenance contracts and field operations paving and small diameter contracts
- Increases by \$4.98 million in Salary and Benefits for previously approved costs associated with pay for performance, staff retention increases and pension contributions
- Increases by \$4.5 million to fund allocations for Administrative Costs, Risk Management, Information Technology and Transfers to the General Fund
- Increases by \$1.47 million in Chemicals and Electricity to keep up with increased demand
- Increases by \$1 million in vehicle/heavy equipment purchases to keep up with necessary replacements of aging fleet
- Increases by \$454,065 in salary and benefits for previously approved costs associated with pay for performance, rising health care costs and pension contributions
- Increases by \$383,370 in General Operating & Maintenance for previously approved costs associated with risk management and IT solutions allocation costs
- Increases by \$30.04M in Sewer Service and Contracts revenue
- Increases by \$29.24M in Water Service revenue
- Increases by \$75,000 in Wholesale Reclaimed Water revenue

## FUND PURPOSE AND GOALS

Internal Service Funds finance the goods and services provided by one department of the City of Fort Worth to another. Departments utilizing services provided in-house are charged a fee by the Internal Service Fund department providing the service. The Internal Service Fund departments depend upon revenue generated from those fees to support all departmental functions. The city currently operates five funds on this basis: Capital Projects Service, Fleet and Equipment Services, Group Health and Life Insurance, the Risk Financing Fund, and Information Technology Fund.

The Capital Projects Service Fund, through the Transportation & Public Works Department and the Property Management Department, provides engineering services for other city departments. Engineering services provided include project design and management, surveying, quality control testing, and construction inspection for all water, storm drain, sidewalk, and other infrastructure projects.

The Fleet and Equipment Services Fund enables the Property Management Department to procure and manage fuel and acquire, maintain, repair, and dispose of vehicles and equipment in the city fleet.

The Group Health and Life Insurance Fund coordinate the health insurance programs for active employees and their dependents. It also provides basic life insurance and manages the Employees' Wellness Program.

The Risk Financing Fund, which manages the Risk Management and Workers' Comp Divisions, is responsible for property and liability insurance and claims management, coordinating loss identification, reduction, and prevention programs, and providing workers' compensation benefits.

The Information Technology Fund, provides for the management of the city's information technology infrastructure, systems, and services. Fund expenditures range from routine replacement of IT equipment to major infrastructure projects.

## FUND PURPOSE AND GOALS

The Capital Projects Service Fund provides for program management, engineering design, project management, surveying, and quality control and construction inspection services for most water, sewer, street, storm drainage, sidewalk, and other city initiated infrastructure improvement projects. Additionally, construction inspection services and quality control are provided for developer-initiated infrastructure projects under Community Facility Agreements.

The Fund's core functions include leadership and management of the City's high profile capital programs and projects; implementation of Integrated Program Management; facilitation and improvement of tracking and reporting of project/program status in partnership with the Management Team and Financial Management Services Department; improvement and capacity expansion of the city capital program and project delivery systems; and synchronization of the city's capital planning process with the City's Comprehensive Plan.

## DEPARTMENT PURPOSE AND GOALS

Total

The City Attorney's Office, under the direction of the city attorney, is responsible for the administration of all legal affairs of the city; city representation in all lawsuits, litigation and hearings; preparation of ordinances, contracts, and all other legal documents; and the rendering of legal advice and opinions to the city council, city manager, and city departments.

4.00

4.00

During the 2023 period, four approved positions from the City Attorney's Office assigned to capital project work were paid from this fund. The City Attorney's Office is not expected to use this fund in FY2024.

## **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

The Recommended Budget:

• Reduces by \$421,941 to zero as the City Attorney's Office (CAO) is no longer expected to use this fund.

## DEPARTMENT PURPOSE AND GOALS

The Capital Projects Service Fund provides for program management, engineering design, project management, surveying, and quality control and construction inspection services for most water, sewer, street, storm drainage, sidewalk, and other city-initiated infrastructure improvement projects. Additionally, construction inspection services and quality control are provided for developer-initiated infrastructure projects under Community Facility Agreements.

## **Internal Service Funds**

The Fund's core functions include leadership and management of the City's high profile capital programs and projects; implementation of Integrated Program Management; facilitation and improvement of tracking and reporting of project/program status in partnership with the Management Team and Financial Management Services Department; improvement and capacity expansion of the city capital program and project delivery systems; and synchronization of the city's capital planning process with the City's Comprehensive Plan.

## **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

- Decreases by (\$421,941) and four authorized positions (APs) for costs associated with 4 positions being moved to General Fund.
- Increases by \$779,533 in salary and for previously approved costs associated with pay for performance, rising health care costs, pay band adjustment and pension contributions.
- Increases by \$338,029 in General Operating & Maintenance for previously approved costs associated with risk management, administrative cost and IT solutions allocation costs.
- Increase by \$293,101 in Capital Interfund Transfer Out for Capital Improvement Projects.
- Increases by \$82,075 for additional pay adjustment 2,5% for hard to fill positions..

#### FUND PURPOSE AND GOALS

The Fleet & Equipment Services Fund, an Internal Service Fund, is managed by the Fleet Services division of the Property Management Department. The Fleet Services division is responsible for the maintenance, servicing and accident repair of the entire City's fleet. The Fleet & Equipment Services Fund also accounts for funding related to fuel services for the entire City's fleet, although these functions are the responsibility of the General Services Division of the Property Management Department. Asset acquisition and asset disposition functions have historically been under the Fleet Services Division, however, in FY2022 these functions were transferred to the General Services Division.

# **Internal Service Funds**

# Fleet and Equipment Services

The Equipment Services Fund is principally sustained by revenues received from the interdepartmental billing of departments. As an Internal Service Fund, the majority of Equipment Services' operating funds come from interdepartmental charges from other city departments for fuel, parts, and other vehicle and equipment- related services. The application of an overhead charge to all vehicle repair parts, fuel, and outside services, as well as an annual administrative fee assessed on most numbered vehicles and equipment, allows Fleet Services to support its general, non-department specific administrative functions.

Fleet Services operates the following five locations throughout the city of Fort Worth: James Avenue Service Center, Southside Service Center, Water Service Center, North Service Center and Brennan Avenue body shop. Each of the Service Centers provides repair, maintenance, in-servicing and out-processing of fleet assets. The Brennan Avenue body shop location provides accident repair along with asset salvage and auction processing.

Fleet services not only operates service and maintenance functions, but all centers provide onsite fueling stations. Petroleum availability includes; unleaded fuel, low Sulphur diesel, DEF additive, and propane. In addition, Fleet Services operates a non-manned fueling site in Southeast Fort Worth which includes a slow-fill compressed natural gas station.

In a continuing effort to provide the best possible fleet services, the Fleet Services division also contracts a wide variety of fleet-related services to outside entities when contracting is deemed the most efficient and effective means to provide the required service. Maintenance and repair services are contracted out for the following reasons:

- The required expertise is not available in-house including proprietary diagnostic needs.
- Substantial capital investment would be necessary to perform the service in-house.
- The service could be performed less expensively by an outside vendor.
- Workload overflow relief as needed.

As part of the strategy, Fleet Services privatized its parts inventory system at the end of FY2002. The FY2024 budget contains the continuation of that program. Integrated Business Solutions (NAPA Genuine Parts Company), as the current contracted provider, supplies the Fleet Division with vehicle and equipment parts.

In FY1996, Fleet Services implemented a robust vehicle replacement plan. As part of the plan, the Fleet Acquisition section, which during FY2022 was transferred to the General Services Division, analyzes the entire city fleet, evaluating each vehicle's maintenance costs, useful life, mileage, downtime, and with other determining factors to determine a replacement rating. Based on this yearly analysis, the vehicles and equipment are prioritized for replacement. The Fleet Acquisition section subsequently meets with each department to review and fine-tune the replacement rankings. The replacement lists are consolidated to determine replacement vehicle priorities for the coming fiscal year.

Additionally, to stabilize budgeting for major purchases in vehicles and equipment, the city created a Vehicle and Equipment Replacement Fund (VERF) in FY2014. This provides a systematic, citywide approach to procurement and disposition of fleet, as well as ensures adequate funds are available to purchase vehicles and equipment.

#### **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

The Recommended Budget:

- Increases by \$111,376 and one authorized position from the conversion of an overage Buyer position
- Increases by \$918,864 for salaries and benefits
- Increases by \$397,934 for Citywide vehicle and equipment services outside repair and maintenance
- Increases by \$344,941 due to increased fuel costs Citywide
- Increases by \$264,060 for Citywide vehicle and equipment repair and maintenance parts

# **Internal Service Funds**

- Increases by \$118,361 for utilities (Water, Electricity & Gas Utility Service)
- Increases by \$108,185 in the Administrative Cost Allocation
- Increases by \$102,903 for IT Allocations
- Increases by \$74,654 for Risk Management Allocation costs
- Increases by \$9,600 for Fleet RFID readers to replace the Fleet & Fuel Management System
- Revenue increases by \$2,541,114 for increased fleet repair activity, labor and parts inflation, and higher utilization of outside repair subcontractors for heavy or aged equipment. Revenue is mostly offset by higher expenses

#### FUND PURPOSE AND GOALS

The Group Health & Life Insurance Fund administers health insurance for employees and their dependents in addition to basic life insurance for employees. Since FY2002, the Group Health & Life Insurance Fund has included a budget for the Employees' Wellness Program. Fund revenues come from active employees, contributions from city funds, and interest on investments.

The Group Health & Life Insurance Fund is comprised of the Benefits & Wellness Divisions, which were combined into the Benefits/Wellness division in FY2021.

### FY2024 DISCUSSION AND SIGNIFICANT CHANGES

The Recommended Budget:

- Increases by \$3.3 million in Clime Payments/Settlements due to City's claims costs to rise significantly
- Increases by \$74,575 in Claims Administration Expenses
- Increases by \$63,017 in salary and benefits for previously approved costs associated with pay for performance, rising health care costs and pension contributions
- Increases by \$46,066 in General Operating & Maintenance for previously approved costs associated with risk management, administrative cost and IT solutions allocation costs

#### FUND PURPOSE AND GOALS

The Risk Financing Fund is responsible for maintaining the commercial and self-insurance programs, claims management, and safety risks for the city. The Risk Financing Fund is comprised of two functions: Workers' Compensation and Risk Management. The Risk Management Function is comprised of the Property & Casualty Division and the Employee Health & Safety Division. Within these functions, there are personnel who promote return to work, safety, and subrogation interests.

The Workers' Compensation division is responsible for providing statutorily-mandated benefits to city employees who are injured in the course and scope of employment, provided the claims are deemed compensable under the Texas Workers' Compensation Act. The division also harbors specialists responsible for employee return to work efforts.

# **Internal Service Funds**

The Property & Casualty (P&C) division maintains all other aspects of the city's insurance program. Utilizing both self-insured and outside commercial insurance programs, the P&C division focuses on controlling costs from property and casualty claims and/or litigation. It also strives to preserve and protect the city's assets through loss prevention, loss control, and risk financing mechanisms.

The Employee Health & Safety Division helps to educate our city's workforce on the importance of maintaining safety processes and controls. Both Workers' Compensation and Risk Management pursue subrogation when possible, recovering funds from third parties who are liable for losses paid by the city.

#### FY2024 DISCUSSION AND SIGNIFICANT CHANGES

The Recommended Budget:

- Increases by \$3.5 million due to Commercial Insurance policy increases
- Increases by \$1.7 million due to Workers' Compensation claim administration and cost
- Increases by \$621,238 due to General Liability Insurance cost
- Increases by \$125,020 in salary and benefits for previously approved costs associated with pay for performance, rising health care costs and pension contributions
- Increases by \$18,976 in General Operating & Maintenance for previously approved costs associated with risk management, administrative cost and IT solutions allocation costs

#### DEPARTMENT PURPOSE AND GOALS

The Information Technology Solutions (IT Solutions or ITS) Department provides for the management of the city's information technology infrastructure, systems, and services.

IT Solutions is responsible for coordinating all information technology resources to support the strategic vision of the City of Fort Worth by providing quality service to the community. This coordination of technology is accomplished through services such as planning and project management, administrative support, technical services, software application development and acquisition, and telecommunications.

# Internal Service Funds

All City departments are customers of IT Solutions. ITS receives the bulk of its revenue from the allocations made to these customers. The Department's expenditures include personnel costs, operating supplies, contractual/ consulting services, licensing, maintenance and equipment such as servers, hardware and software.

IT Solutions operates and maintains the Fort Worth Regional Radio System. The system supports more than 39,000 subscribers throughout more than 168 jurisdictions. Revenue from this system offsets annual operating costs.

IT Solutions is organized into the following functional areas/bureaus: Infrastructure, Applications and Project Management, SER (Security, ERP and Radio) and Strategic Planning and Finance.

The Infrastructure Bureau consists of the following divisions: Platform Technologies, Network Services, Data Center Operations and Support Services. Platform Technologies provides server and storage operations and supports email administration. Network Services operates and maintains the City's data network and telephone systems. Data Center Operations provides 24/7 support and monitoring of all of the City IT systems and infrastructure. Support Services include desktop and hardware divisions that manage the city's computing functions and devices. This bureau also leverages Help Desk support to provide IT technical assistance and services for all city departments. A new division within this bureau is the formation of the Asset Management Division. This Division is responsible for the reconciliation and accountability of deployed physical assets such as desktops and laptops but also the management of assets to include software and licenses across the City.

The Applications and Project Management Bureau consists of the following divisions: Distributed Applications, Applications Public Safety, Database, GIS and Project Management Office. This bureau is responsible for application development and implementation of software systems together with the public safety specific systems for Police and Fire. This bureau also contains the Database and Geographic Information systems support functions. The Project Management Office division provides for portfolio management and project management to other city departments for technology related needs.

The SER Bureau is responsible for the operations and maintenance of the following divisions: Information Security, ERP, and Radio Services. The Security Division provides cyber threat and vulnerability analysis, early warning, and incident response assistance. The ERP system includes Human Capital Management Systems (Human Resource, Time & Labor, Payroll, Pay for Performance, Recruiting, and Benefits) and the Financial Management Systems (Asset Management, Accounts Payable, Cash Management, General Ledger, and Commitment Control). The Radio Services Division manages and operates the city's public safety and public works radio systems.

The Strategic Planning and Finance Bureau is responsible for the financial and budget management functions, allocations, citywide procurement of technology equipment and services, mobility procurement and management along with contract administration. This division is also responsible for the human resources related functions of the department. The Strategic Planning division provides for employee engagement, employee development, and communications for the department.

The Information Technology Solutions (IT Solutions or ITS) Department moved from the General Fund to the Information Technology Systems Fund in FY2023.

#### **FY2024 DISCUSSION AND SIGNIFICANT CHANGES**

The Recommended Budget:

- Increases by \$592,039 to support five authorized positions (APs): (2) IT Tech Support Analyst I, (2) IT Tech Support Analyst II, (1) Sr IT Tech Support Analyst to establish an Audio Visual Team
- Increases by \$300,854 to support two APs: (1) PeopleSoft System Administrator and (1) Sr IT Business Planner to assist with ERP system to improve services level

# **Internal Service Funds**

- Increases by \$264,177 to support two APs: (1) IT Tech Support Analyst II, (1) Sr IT Tech Support Analyst to meet existing and growing network needs
- Increases by \$3.8M for adjustments due to inflationary and growth factors as well as contractual commitments
- Increases by \$1.2M in salary and benefits for pay band adjustment, rising health care costs, and pension contributions
- Increases by \$84,436 in Operating and Maintenance category
- Increases by \$10,280 in allocations associated with retiree health,risk, workers compensation, and IT Services

#### FUND PURPOSE AND GOALS

The Retiree Healthcare Trust fund was created to aid in financial management activities, demonstrate legal compliance, and allow for the separation of functions and activities related to the administration of retirees. The Retiree Healthcare Trust Fund accounts for revenue generated and expenditures incurred in administering retired employees' group benefits. Fund revenues come from retiree contributions, contributions from city funds, and interest on investments.

# FY2024 DISCUSSION AND SIGNIFICANT CHANGES

The Recommended Budget:

- Increases by \$5.1 million in Claims Payments/Settlements due to City's claims costs to rise significantly. The cost is offset by \$3.5 million reduction to Contribution to Fund Balance
- Increases by \$26,648 in General Operating & Maintenance for Medicare Part A-B penalty cost

# FUND PURPOSE AND GOALS

Rock Creek Ranch PID continues with development on 1,755-acres located in southwest Fort Worth off the Chisholm Trail Parkway. The development will include commercial, mixed-use, and residential properties, as well as a new 80-acre campus for Tarleton State University. The campus opened in August 2019 and is expected to have 2,500 students. The Rock Creek PID Debt Service Fund was originally created to pay for debt issued to finance the improvements related to the development. The debt takes the form of special assessment revenue bonds that are secured by pledged revenue of annual installments levied against the property within the PID. The debts are special and limited obligations of the city, and shall never be payable out of funds raised or to be raised by taxation or from any other revenues, properties, or income of the city. The city is acting as the property owner's agent within the district in collecting future assessments, forwarding collections to trustees, approving bond proceed disbursements, and initiating any future foreclosures. Beginning FY2022, the Rock Creek debt is presented in the Rock Creek Trust Fund.

Previously, debt for Rock Creek Ranch PID was budgeted as a governmental debt service fund. During FY2021, it was determined that the Rock Creek PID Debt Service Fund should be classified and accounted for as a fiduciary fund in adherence with GASB. FY2021 debt activity and balances were transitioned from the Rock Creek PID Debt Fund to the Rock Creek Trust Fund mid-year. All current and future actions will occur in the Rock Creek Debt Trust Fund, while prior activity can be found in the Governmental Fund - Debt Service section of this document.

# **Fiduciary Funds**

The following chart provides the principal and interest for each debt issuance that has a payment due in FY2024. Handling charges are included separately from principal and interest depicted in the chart.

| FY2024                      | Principal     | Interest      | -  | Fotal Debt<br>Service |

| 2018 Special Assessment Rev | 225,000       | 223,500       |    | 448,500               |

#### Glossary

The Annual Budget and Program Objectives document contains specialized and technical terminology that is unique to public finance and budgeting. To help both city departments and citizens understand the terminology used during the budget process, this glossary is provided as a reference.

**<u>Account</u>**: A seven-digit numerical code of which the first character defines the specific classification of dollar values in the financial records, i.e., assets, liabilities, equities, revenues, and expenditures/expenses. The remaining digits provide a further breakdown of account types into specific character and object groupings.

<u>Accounting System</u>: The methods and records established to identify, assemble, analyze, classify, record, and report a government's transactions and to maintain accountability for the related assets and liabilities.

<u>Accrual Basis of Accounting</u>: A basis of accounting under which transactions are recognized when they occur, regardless of the timing of related cash flows. For example, in accrual accounting, revenue that was earned on April 1, but for which payment was not received until July 10, is recorded as revenue on April 1st regardless of the timing of when the payment is received.

Activity: Activities are the major tasks performed to create outputs. One or more activities could be deemed critical for achieving *Council goals*.

Ad Valorem Tax: A tax based on value (e.g., a property tax).

**<u>Agency Fund</u>**: A fund is normally used to account for assets held by a government as an agent for individuals, private organizations, or other governments and/or other funds.

**Annual Financial Report (AFR):** Previously known as the Comprehensive Annual Financial Report until FY 2021, this document is a thorough and detailed presentation of a government's financial condition. It reports on the government's activities and balances for each fiscal year. The AFR is presented in three sections: 1. introductory section – includes a transmittal letter with a financial overview, discussion of the overall economy, and organization charts of the entity. 2. Financial Section – includes the independent auditor's report, management's discussion and analysis, government-wide financial statements, notes to the financial statements, required supplemental information, combining financial statements and schedules. 3. The statistical section – includes additional financial, economic, and demographic information on a multi-year basis.

Appraisal Cap: Limitation on value increases of residential homesteads from year to year.

<u>Appraised Value</u>: Either the market value or value is determined by using another method of valuation according to the Property Tax Code Chapter 23.

**<u>Appropriation</u>**: A legal authorization made by the City Council that permits the city to make expenditures and to incur obligations for specific purposes. An appropriation is usually limited in amount and the time in which it may be expended.

**<u>Appropriation Ordinance</u>**: The official enactment by the City Council to establish legal authority for city officials to obligate and expend resources.

**Assessed Valuation:** A value that is established for real or personal property for use as a basis for levying property taxes.

**Assessor:** A person either elected or appointed by the governing body that calculates taxes and prepares the tax bills.

<u>Audit</u>: A comprehensive examination of how an organization's resources were utilized, concluding in a written report of the findings. A financial audit is a review of the accounting system and financial information to determine how government funds were spent and whether expenditures complied with the legislative body's appropriations. A performance audit consists of a review of how well the organization met its stated goals.

<u>Authorized Position (A.P.)</u>: A position included in the budget document, authorized by the City Council as part of the total authorized strength of a department. Positions are specifically approved by designated classification titles and corresponding salary levels, based on an analysis by the Human Resources Department of the tasks to be performed.

**Balanced Budget:** A budget in which planned expenditures can be met by current income from taxation and other central government receipts.

**Balance Sheet:** A financial statement that discloses the assets, liabilities, and equity of a specific governmental fund as of a specific date.

**Basis of Accounting:** A term used to refer to when revenues, expenditures, expenses, and transfers - and the related assets and liabilities - are recognized in the accounts and reported in the financial statements. Specifically, the basis of accounting relates to the timing of the measurements made, regardless of the nature of the measurement, through either the cash method or the accrual method.

**Benchmark:** A standard or point of reference against which processes, results, or data may be compared or assessed. Benchmarks may be internal or external.

**Bond:** An interest-bearing certificate of debt; a written contract by an issuer to pay to the lender a fixed principal amount on a stated future date, and a series of interest payments on the principal amount until it is paid.

**<u>Budget</u>**: A financial plan for a specified period (i.e., a fiscal year) that includes all planned expenditures for various municipal services and the proposed means of financing them.

**<u>Budget Calendar</u>**: The schedule of key dates or milestones which the city departments follow in the preparation, adoption, and administration of the budget.

**<u>Budget Document</u>**: The instrument used by the city staff to present a comprehensive financial program to the City Council.

**Budget Message:** The opening section of the Budget Document that provides the City Council and the public with a general summary of the most important aspects of the budget, changes from the current and previous fiscal years, and the views and recommendations of the City Manager. The Budget Message is also referred to as the City Manager's Message or Budget Transmittal Letter.

**Budgetary Control:** The control or management of a governmental unit or enterprise with an approved budget to keep expenditures within the limitations of available appropriations and available revenues.

**Budgeted Funds**: Funds that are planned for certain uses but have not yet been formally or legally appropriated by the legislative body. The budget document that is submitted for City Council approval is comprised of budgeted funds.

**Business Plan:** A department-level plan; in this plan, departments outline each division's Service Areas and associated key performance indicators and priority initiatives for each. This document is meant to serve as a high-level annual performance plan, in which measures are periodically updated to facilitate continuous observation, trend analysis, and improvement of department activities and services.

**Business Unit Department:** A numerical code that details financial responsibility for revenues and expenditures. The center specifically shows the department-division-section for operating funds, department-fund-project for bond funds, and department-project for grants and other capital project funds.

<u>Capital Assets</u>: Long-lived tangible assets obtained or controlled as a result of past transactions, events, or circumstances. Capital assets include buildings, equipment, infrastructure, improvements other than buildings, and land. In the private sector, these assets are referred to most often as "property," "plant," and "equipment."

**<u>Capital Expenditures</u>**: Expenditures resulting in the acquisition of, or in addition to, the government's general capital assets.

<u>Capital Improvement Program (CIP)</u>: A program that describes the capital projects and associated funding sources the city intends to undertake in the current fiscal year plus four successive fiscal years, including the acquisition or construction of capital facilities and assets, and the maintenance thereof.

<u>Capital Improvement Program Budget</u>: A Capital Improvement Program (CIP) Budget is a section of the budget. Items in the CIP are usually construction projects designed to improve the value of government assets. Examples of capital improvement projects include new roads, sewer lines, buildings, recreational facilities, and large-scale remodeling.

**<u>Capital Projects Fund</u>**: A governmental fund established to account for resources used for the acquisition of large capital improvements and non-reoccurring expenses other than those acquisitions accounted for in proprietary or trust funds.

**<u>Cash Accounting</u>**: A basis of accounting in which transactions are recorded when cash is either received or expended for goods and services.

<u>Cash Balance</u>: The amount of cash on hand and cash equivalents at any point in time, net of inflows and outflows.

<u>Cash Management</u>: Refers to the management of the cash that is necessary to pay for government services while investing temporary cash excesses to earn interest revenue. Cash management refers to the activities of forecasting the inflows and outflows of cash, mobilizing cash to improve its availability for investment, establishing and maintaining banking relationships, and investing funds to achieve the highest interest and return available for temporary cash balances.

<u>Categories</u>: A basis for distinguishing types of expenditures; the three major categories used by the City of Fort Worth are: salary & benefits, general operating & maintenance, capital, debt service, and transfer out & other. Below provides more detail on these three with the addition of capital and debt service:

- Salary & Benefits consist of the costs associated with compensation to individuals providing services to the city as employees and includes all salary, supplemental costs, and indirect and non-cash compensation paid to an employee such as social security, unemployment compensation, workers compensation, health insurance, life insurance, medical plan, paid vacation, pension, and gratuity.
- General Operating & Maintenance includes items such as the following:
  - Professional and Technical Services represent costs associated with services or activities performed under-expressed or implied costs and charges for professional, specialized, or trade services rendered. This category includes services provided to city departments through Internal Service Funds such as computer technical support, copy and mailroom services, vehicle fleet maintenance services, per-capita-allocated service costs such as insurance, healthcare, legal, and administrative services.
  - Utilities, Repairs, and Rentals consist of items and supplies that are necessary to perform public service duties.
  - **Other Purchased Services** are expenses that may be required in connection with a public works project meeting the definition of public work.

- Supplies consist of the costs associated with goods that are consumed or used in connection with providing city services and that are of either limited cost or have a limited useful life. Examples include basic office supplies; minor electronic equipment; books and magazines; construction raw materials; postage; uniforms; vehicle fuel and accessories; and library books.
- Capital is expenses and outlays related to the acquisition or construction of fixed assets. The city's fixed assets fall primarily into the following categories: 1) Land; 2) Improvements other than buildings; 3) Buildings; 4) Equipment.
- **Debt Service** expenses refer to money paid as interest and principal on loans received or public securities issued by the city as borrower or issuer.
  - Principal refers to the unpaid balance of funds borrowed, excluding any interest or other fees.
  - Interest refers to money that is paid in exchange for borrowing or using another person's or organization's money.
- **Transfer Out & Other** is an approved movement of monies from one separate fund to another fund. Budgets can call for Transfers-In to the General Fund to pay for centralized expenditures such as utilities, insurance, or fringe benefits. Transfers Out from the General Fund may be required to subsidize new special activity funds or those with insufficient or unreliable revenue sources.

<u>Certificate of Obligation</u>: Debt that local government may use to fund public works without voter approval unless 5 percent of qualified voters within the jurisdiction petition for an election on the spending in question. The debt is supported by property taxes or other local revenues and is often issued to take advantage of lower interest rates.

**<u>Collector</u>**: A person who collects and accounts for the property taxes for the taxing unit.

**<u>Commitment</u>**: The pledge of appropriated funds to purchase an item or service. Funds are committed when a requisition is issued through the Purchasing Division of the city.

**<u>Community Indicator</u>**: Use of citizen survey response data to evaluate city progress toward *Council goals*. Community indicators can be used as *key performance indicators* for strategic-level *objectives*, but they must be used in coordination with internal measures.

**Contribution to Fund Balance:** Refers to the allocation of money from revenues received during the fiscal year in a Governmental Fund that the city receives, does not expend, and carries forward for future use.

<u>Contribution to Net Position</u>: Refers to the allocation of money from revenues received during the fiscal year in a Proprietary or Fiduciary Fund that the city receives, does not expend and carries forward for future use.

<u>Core Objective</u>: The broad, continuous goals of the city as identified in the management plan. Core objectives are established to assist departments in aligning their activities with Council goals.

**<u>Council Goals</u>**: Goals set by City Council, based on citizen input, that all management plan core objectives, department objectives, programs, and initiatives strive to attain.

**<u>Current Taxes</u>**: Taxes that are levied and due within one year.

**Debt**: An obligation resulting from the borrowing of money or the purchase of goods and services. Debts of governments include bonds, time warrants, and notes. See Accounts Payable, Bond, Note Payable, Long-Term Debt, and General Long-Term Debt.

**Debt Rate**: For all taxing units, the debt rate portion of the voter-approval tax rate is the current year's debt payments divided by the current year's property values. The debt rate may rise as high as necessary to cover debt expenses.

**Debt Service**: The cash that is required for a particular period to cover the repayment of interest and principal on a debt. Debt Service is projected on an annual basis.

**Deficit:** (1) The excess of the liabilities of a fund over its assets. (2) The excess of expenditures over revenues during an accounting period, or, in the case of proprietary funds, the excess of expenses over revenues during an accounting period.

**Delegated Authority:** The City Council authorizes and delegates to the City Manager, or his designee, the authority to transfer appropriations within and among departments and funds, in a cumulative amount not to exceed the total amount appropriated for each purpose. This authority is used for items such as separation pay, contractual services, elections, and training initiatives.

**Delinquent Taxes**: Taxes that remain unpaid on and after the date due, after which a penalty for nonpayment is attached.

**Department:** A major administrative division of the city that indicates overall management responsibility for an operation or group of related operations within a functional area.

**Depreciation:** The process of estimating and recording the lost usefulness or expired useful life from a fixed asset that cannot or will not be restored by repair and will be replaced. The cost of the fixed asset's lost usefulness is the depreciation or the cost to reserve to replace the item at the end of its useful life.

**Disbursement:** Payment for goods and services in cash or by check.

<u>Effective Rate</u>: The rate that would generate the same amount of levy as last year's rate based on the current year's values. This terminology is now known as the No-New-Revenue Tax Rate.

<u>Effectiveness</u>: A measure of how adequately the intended purpose is accomplished and the intended or expected results are produced.

**Encumbrance:** The commitment of appropriated funds to purchase an item or service. Committed funds become encumbered when a purchasing requisition becomes an actual purchase order.

**Enterprise Fund:** Proprietary fund type used to report an activity for which a fee is charged to external users for goods or services. Enterprise funds within the City of Fort Worth are established for services such as water and sewer, parking facilities, airports, and solid waste management.

**Estimated Revenue**: The amount of projected revenue to be collected during the fiscal year. It may also be defined as the proposed financing sources estimated to finance the proposed projected expenditure.

**Exemption**: Excluding all or part of property value from taxation.

**Expenditure (Governmental Funds):** Decreases in the use of net financial resources other than through interfund transfer. Expenditures include current operating expenses requiring the present or future use of net current assets; debt service and capital outlays; and intergovernmental grants, entitlements, and shared revenues.

**Expenses (Proprietary Funds)**: Outflow or other depletion of assets or incurrence of liabilities during a specific period that results from the delivery or production of goods, rendering of services, or carrying out other activities that constitute the entity's ongoing major central operations.

**External Indicator**: External entity data that is used to evaluate city progress toward *Council goals*. External indicators can be used as *key performance indicators* for strategic-level *objectives*, but they must be used in coordination with internal measures. Data sources could include TXDOT (Texas Department of Transportation), the T (the Fort Worth Transportation Authority), TCEQ (Texas Commission on Environmental Quality), TRWD (Texas Regional Watering District), NCTCOG (North Central Texas Council of Governments), or the Chamber of Commerce.

**Fiduciary Funds**: Fiduciary funds are used to account for assets that the city holds in trust for the benefit of other specified entities or individuals and that are unavailable for the city's purposes.

**<u>Financial Resources</u>**: Cash and other assets that, in the normal course of operations, will become cash.

**Fines and Forfeitures:** Refers to payments as a result of or in connection with an alleged violation of the law and includes deferred disposition fees, penalty fees, traffic fines, general fines, court service fees, and truancy court fees.

**Fiscal Year**: The twelve-month period to which the annual operating budget applies and at the end of which a government determines its financial position and the results of its operations. The City of Fort Worth's fiscal year is October 1 through September 30.

**<u>Fixed Assets</u>**: Assets of long-term character that are intended to continue to be held or used, such as land, buildings, machinery, furniture, and other equipment.

**<u>Forecast</u>**: Process of taking year-to-date financial information, using that information to project future financial performance for the remainder of the fiscal year, then comparing the result to the fiscal year budgeted amount as a way to gauge financial performance. The forecast process takes place for months five and eight of the fiscal year for most funds.

**Full-Time Equivalent (FTE):** Hours worked by one employee on a full-time basis. An FTE is considered to be 2,080 hours on an annual basis which is calculated as eight hours per day in a five-day workweek.

**Function**: A group of related programs crossing organizational (departmental) boundaries and aimed at accomplishing a broad goal or major service.

**<u>Fund</u>:** A fiscal and accounting entity with a self-balancing set of accounts that records all financial transactions for specific activities of government functions. Seven major fund types and two account groups are commonly used: general fund, special revenue funds, debt service funds, capital project funds, enterprise funds, trust and agency funds, internal service funds, general fixed asset account group, and general long-term debt account group.

**Fund Accounting:** An accounting system emphasizing accountability rather than profitability, used by non-profit organizations and governments. In this system, a fund is a self-balancing set of accounts, segregated for specific purposes following laws and regulations or special restrictions and limitations. State and local governments use three broad categories of funds: governmental funds, proprietary funds, and fiduciary funds. Governmental funds include the following fund types: General Fund, Special Revenue Funds, Capital Projects funds, debt service funds, and permanent funds. Proprietary funds include the following types: enterprise funds and internal services funds. Fiduciary funds include pension trust funds, investment trust funds, private-purpose trust funds, and agency funds.

**Fund Balance**: The difference between (a) assets and deferred outflows of resources and (b) liabilities and deferred inflows of resources.

**Fund Type:** Any one of three categories into which all funds are classified in governmental accounting. The fund types are general, special revenue, debt service, capital projects, permanent, enterprise, internal service, private-purpose trust, pension trust, investment trust, and agency.

**Generally Accepted Accounting Principles (GAAP)**: Uniform minimum standards and guidelines for financial accounting and reporting. These principles govern the form and content of the financial statements of an entity and encompass the conventions, rules, and procedures necessary to define accepted accounting practice at a particular time. Including not only broad guidelines of general application but detailed practices and procedures, these principles provide a standard by which to measure financial presentations. The primary authoritative body for the application of GAAP to state and local governments is the Governmental Accounting Standards Board (GASB).

<u>Governmental Accounting Standards Board (GASB)</u>: The authoritative accounting and financial reporting standard-setting body for government entities.

General Debt Obligation: Refers to revenues generated from the sale of public securities.

<u>General Debt Service Funds</u>: Funds used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

<u>General Fund</u>: The largest fund within the city that accounts for all financial resources of the government except for those required to be accounted for in another fund. General Fund revenues include property taxes, licenses and permits, local taxes, service charges, and other types of revenue. This fund usually includes most of the basic operating services, such as fire and police protection, finance, public health, parks and community services, libraries, public works, and general administration.

<u>General Ledger</u>: A file that contains a listing of the various accounts necessary to reflect the financial position and results of governmental operations.

<u>General Obligation Bonds</u>: Bonds that finance a variety of public projects such as streets, buildings, and improvements. The repayment of these bonds is usually made from the debt service portion of the city's property tax, and these bonds are backed by the full faith and credit of the issuing government. General obligation bonds are issued with the belief that a municipality will be able to repay its debt obligation through taxation or revenue from projects.

**<u>Goal</u>**: The result or achievement towards which an effort is directed and intended to accomplish.

**Governmental Funds:** Governmental Funds are used to account for activities traditionally associated with the government and that are primarily funded from tax revenues. Examples of such activities include public safety services, acquisition or construction of infrastructure and other capital assets, and the servicing of general long-term debt.

<u>Grant</u>: A contribution by a government or other organization to support a particular function. Grants may be classified as either categorical or block depending upon the amount of discretion allowed to the grantee.

**Initiative:** A department action or project with a timeline and measurable *outcomes* that pursues a department *objective*. Initiatives are measured by *milestones* which are generally *qualitative*.

**Interest and Sinking Fund Tax:** Assets and their earnings are earmarked for the retirement of bonds or other long-term liabilities. A fund arising from particular taxes, imposts, or duties, which is appropriated toward the payment of interest and principal on a public loan.

**Intergovernmental Revenue:** Revenue received from another governmental entity for a specified purpose. Examples of these are funds from Tarrant County, the State of Texas, and recovery or reimbursement of indirect costs from federal and state agencies.

**Internal Service Fund:** A fund used to account for the financing of goods or services provided by one department to another department on a cost-reimbursement basis. Examples of some of these funds are as follows: the Fleet & Equipment Services Fund and the Risk Financing Fund.

**Inventory:** A detailed listing of property currently held by the government showing quantities, descriptions, and values of the property, units of measure, and unit prices.

**Invoice**: A bill requesting payment for goods or services by a vendor or other governmental unit.

Key Performance Indicator (KPI): A strategic level performance measure that demonstrates how well the city is achieving Council goals and management plan core objectives.

**Key Performance Measure (KPM):** A performance measure that demonstrates how effective a department is at achieving management plan core objectives. These may also be identified as key performance indicators by city management.

**Levy:** To impose taxes, special assessments, or service charges for the support of city activities. Also, the amount of tax for an individual property or the sum of all individual amounts of tax.

**Liabilities:** Probable future sacrifices of economic benefits, arising from present obligations of a particular entity to transfer assets or to provide services to other entities in the future as a result of past transactions or events; what you owe.

**Licenses and Permits**: Payments received in connection with the city's regulatory activities and its review and issuance of permission to undertake an activity or pursue an occupation; they include utility franchise fees; building, electrical, and plumbing permit fees; parking permit fees; health and safety permit fees; and occupational license charges.

**Line-Item Budget:** A budget that lists each expenditure category (salary, materials, telephone service, travel, etc.) separately along with the dollar amount budgeted for each specified category.

**Long-Term Debt**: Any un-matured debt that is not a fund liability and at the same time has a maturity of more than one year.

**<u>Maintenance and Operations (M&O)</u>**: Taxes that are generated by the taxing unit for general expenses.

<u>Major Fund</u>: Funds whose revenues, expenditures/expenses, assets, or liabilities are at least 10 percent of the total for their fund category (governmental or enterprise) and 5 percent of the aggregate of all governmental and enterprise funds in total.

<u>Management Plan</u>: A high-level strategic plan developed by the city's executive-level staff that communicates overall guidance and direction on Council goals and the organizational actions required to pursue those goals. This plan assists departments in aligning their activities with Council goals.

<u>Milestone</u>: A task, event, or critical decision point related to an initiative or project. Milestones can be tracked to evaluate achievement or level of completion of an initiative or project.

Mission: A statement describing an organization's fundamental purpose.

**Modified Accrual Accounting:** Modified Accrual Basis of Accounting – The accrual basis of accounting adapted to the governmental fund type spending measurement focus. Under this basis of accounting, revenues are recognized when they become both "measurable" and "available" to finance expenditures in the current period. For example, revenue that is earned and measurable on April 1, is billed on April 30<sup>th</sup>, and paid on May 1<sup>st</sup> would not be recorded as revenue until payment is received on May 1<sup>st</sup>.

<u>Municipal Bonds</u>: Debt securities issued by a state, municipality, or county to finance its capital expenditures. Municipal bonds are exempt from federal taxes and most state and local taxes, especially if you live in the state in which the bond is issued.

<u>Net Income</u>: Proprietary fund excess of operating revenues, non-operating revenues, and operating transfers in over operating expenses, non-operating expenses, and operating transfers out.

<u>Net Position</u>: Net Position is the difference between (a) assets and deferred outflows of resources and (b) liabilities and deferred inflows of resources in a proprietary fund.

**No-New-Revenue Rax Rate:** Enables the public to evaluate the relationship between taxes for the prior year and for the current year, based on a tax rate that would produce the same amount of taxes if applied to the same properties taxed in both years.

**<u>Objective</u>**: The reason for making specific efforts or taking deliberate actions with the intent to attain or accomplish an identified goal, targeted level, or meet a defined purpose; the broad, continuous goals of a department.

**Operating Budget:** The portion of the budget concerning daily operations that provide basic governmental services. The operating budget contains appropriations for such expenditures as personnel, supplies, utilities, materials, travel, and fuel and the proposed means of financing them.

**Operating Fund:** A fund that records activity on a single fiscal year basis.

**Operating Revenue:** Revenues from regular taxes, fees, fines, permits, charges, for service, and similar sources. Operating Revenues exclude proceeds from long-term debt instruments used to finance capital projects and other financial sources.

**<u>Operating Statement</u>:** The financial statement disclosing the financial results of operations of an entity during an accounting period in conformity with Generally Accepted Accounting Principles (GAAP). In governmental financial reporting, operating statements and statements of changes in fund equity are combined into "all-inclusive" operating statement formats.

**<u>Operating Transfers</u>:** Interfund transfers (e.g., legally authorized transfers from a fund receiving revenue to the fund through which the resources are to be expended) where there is no intent to repay. See Interfund Transfers and Residual Equity Transfers.

<u>Other Local Taxes</u>: Refers to specialized taxes that are limited to certain products, activities, or occupations; they include alcoholic beverage and other product-specific taxes, hotel occupancy taxes, and communication provider taxes.

**<u>Other Revenue</u>**: Refers to miscellaneous receipts that fall outside of the other listed categories and include third-party reimbursement for labor costs and include some internal service charges.

**<u>Outcome</u>**: The actual effects, impacts, or results of programs, projects, or initiatives. Outcomes can be measured based on their efficiency or effectiveness.

**Pay-As-You-Go (PAYG) Financing:** The use of currently available cash resources to pay for capital investment. It is an alternative to debt financing.

**Performance Budget:** A budget that focuses on activities rather than line items. Workload and unit cost data are collected to assess the efficiency of services. Typical data collected might include miles of streets paved per year, cost of paved streets per mile, tons of garbage collected per employee hour, or cost per employee hour of garbage collection.

**Performance Measure (PM)**: A *quantitative*, tracked assessment of a department activity or process that logs achievement, change, or performance over an interval of time. There are four basic categories of performance measures.

- Inputs: The resources needed to complete an activity. Some inputs include FTEs, budget, and material data already in place in the department. Other inputs are equipment or information associated with each transaction.
- Outputs: The immediate results of activities. These are measures of units provided, services provided, or people served by a program or department. Output measures are usually expressed in the past tense and are usually within the city's control.
- Efficiency measures: A type of outcome measure that focuses on the city's view of performance, by measuring the cost to the organization in time and resources. Measuring efficiency tells us how well we are using resources to provide city services.
- Effectiveness measures: A type of outcome measure that focuses on the customer's view of performance by measuring how well activity or service meets the customer's expectations.

**<u>Personal Property</u>**: Items that can be owned but are not real property – divided into two types: tangible and intangible.

**<u>Program Budget</u>**: A budget that focuses upon the goal and objectives of an agency or jurisdiction rather than upon its organizational budget units or object classes or expenditures.

**<u>Projected Beginning Fund Balance</u>**: Refers to monies in a Governmental Fund that are expected to be collected and on hand at the beginning of the fiscal period.

<u>Projected Beginning Net Position</u>: Refers to monies in a Proprietary or Fiduciary Fund that is expected to be collected and on hand at the beginning of the fiscal period.

**Projected Ending Fund Balance:** Refers to monies in a Governmental Fund that are expected to have been collected and be on hand at the end of the fiscal period.

**<u>Projected Ending Net Position</u>**: Refers to monies in a Proprietary or Fiduciary Fund that is expected to have been collected and be on hand at the end of the fiscal period.

**Property Tax:** Taxes levied on both real and personal property according to the property's valuation and the tax rate.

**Proposed Rate**: The rate that is under formal consideration by the governing body for the current year.

**Proprietary Fund:** A class of fund types that account for a local government's businesslike activities. Proprietary funds are of two types: enterprise funds and internal service funds. Both use the accrual basis of accounting and receive their revenues from charges to users. Examples of Enterprise Fund: Water and Sewer Fund, Stormwater Utility Fund, Municipal Parking Fund; Internal Service Fund examples: Equipment Services, Information Systems Fund.

**Qualitative Data:** Non-numeric information collected through interviews, focus groups, observation, and the analysis of written documents. Qualitative data can be quantified to establish patterns or trends.

**<u>Quantitative Data</u>**: Information that is counted, or compared on a scale.

Reconciliation: A detailed analysis of changes in revenue or expenditure balances within a fund.

**<u>Regular Employees</u>**: This is referred to as full-time employees working 40 hrs. /week. They make up the total Authorized/Approved Positions (AP) adopted by the City Council every fiscal year. They are divided into two categories:

- General (civilian) employees: All classification other than Police and Fire ranks. Their salary is charged to 5110101 "REGULAR EMPLOYEE SALARIES". Police and Fire trainees are considered General employees until they graduate from the academy and join the ranks.
- Civil Service Employees: Pertains to Police and Fire all ranks. Their salary is charged to 5115101 "CIVIL SERVICE BASE PAY".

**<u>Requisition</u>**: A written request from a department to the purchasing office for specific goods or services. This action precedes the authorization of a purchase order.

**<u>Reserve</u>**: An account used to indicate that a portion of a fund's balance is legally restricted for a specific purpose and is, therefore, not available for general appropriations.

**Revenue:** Increases in the net current assets of a governmental fund type from other than expenditure refunds and residual equity transfers, and increases in net total assets of a proprietary fund type from other than expense refunds, capital contributions, and residual equity transfers. Included are such items as tax payments, fees from specific services, receipts from other governments, fines, forfeitures, grants, shared revenues, and interest income.

**Revenue Bonds:** Bonds are usually sold for constructing a project that will produce revenue for the government. All or part of the revenue is used to pay the principal and interest of the bond. A revenue bond is a special type of municipal bond distinguished by its guarantee of repayment solely from revenues generated by a specified revenue-generating entity associated with the purpose of the bonds, rather than from a tax. Revenue bonds may be issued to construct or expand upon various revenue-generating entities, including Water and Sewer utilities; toll roads and bridges; airports, seaports, and other transportation hubs. Generally, any government agency or fund that is run like a business, generating operating revenues and expenses (sometimes known as an enterprise fund), can issue revenue bonds.

<u>**Risk Management:**</u> This is an organized attempt to protect a government's assets against accidental loss, utilizing the most economical methods.

**Rollback Rate:** This is a limiting rate. If a governing body adopts a rate that exceeds the rollback rate, the voters may be able to force the taxing unit to roll back or lower the rate to this limit. This terminology is now known as the Voter-Approval Tax Rate.

<u>Salary Savings</u>: The amount of salary expense that is saved when a position is vacant or filled at a lower salary level than the budgeted level.

<u>Sales Tax</u>: Tax based on the value of most goods and services sold or consumed in the city. Sales tax is the second-largest revenue source for the General Fund.

**<u>Scorecard</u>**: A tabular display of department performance measures and initiatives that highlights the current status and overall progress.

<u>Service Charges</u>: Payments received as a result of administrative services such as inspections associated with the issuance of building and other permits, automobile impoundment, private-property mowing, athletic league administration, and library charges.

<u>Single Audit Report (SAR)</u>: An annual publication that provides information about the government's expenditures of Federal and State awards. The Single Audit Report also includes Auditor's reports on internal control and compliance as well as findings and questioned costs relating to financial statements and Federal financial assistance programs. The SAR consists of 6 major sections. 1. The introductory section consists of the purposes and contents of the report, letter of transmittal, and overview. 2. Auditor's report on internal control over financial reporting, and report on compliance for each major federal and state program 3. Schedule of expenditures of federal and state awards, and notes to the schedule of expenditures of federal and state awards. 4. Schedule of findings and questioned costs. 5. Corrective action plan. 6. Status of prior audit findings.

**Source of Revenue:** Revenues are classified according to their source or point of origin.

**Special Revenue Fund:** Governmental fund type used to account for the proceeds of specific revenue sources that are restricted or committed to expenditures for a specified purpose other than debt service or capital projects and exclusive of resources held in trust for individuals, private organizations, or other governments.

**Supplemental Appropriation**: A legal procedure utilized during the fiscal year by the city staff and City Council to revise a budget appropriation. The City of Fort Worth's City Charter requires City Council approval through the adoption of a supplemental appropriation ordinance (which specifies both the source of revenue and the appropriate expenditure account) for any interdepartmental or inter-fund adjustments. City staff has the prerogative to adjust expenditures within a departmental budget.

<u>Target</u>: A quantifiable, desired result to be achieved within a stated time, against which actual results can be compared. Targets may be based on regulatory or industry standards, policy decisions, historical data, or benchmark data.

Tax Levy: The total property taxes imposed in a year.

Tax Rate: The number when multiplied by taxable value gives the amount of tax.

Taxable Value: The appraised value is shown on the appraisal roll minus any applicable exemptions.

Taxing Unit: A local government that levies a property tax.

**Total Exemption:** An exemption that exempts all of a property's value-form taxation.

Total Taxable Value: The sum of the taxable values of all properties on the appraisal roll for a taxing unit.

Transfers: Amounts transferred from one fund to another.

<u>Trust Funds</u>: A fund held by a trustee for the specific purposes of the trust; in a more general sense, a fund which, legally or equitably, is subject to be devoted to a particular purpose and cannot, or should not, be diverted therefrom.

**<u>Unencumbered Balance</u>**: The amount of an appropriation that is neither expended nor encumbered. It is the amount of money still available for future purchases.

**Use of Fund Balance:** Refers to an allocation of money in a Governmental Fund that the city previously received from some source and did not expend. This category differs from all other listed categories because the amounts in question are the result of past receipts rather than projected income during the fiscal year.

<u>Use of Money and Property</u>: Refers to money generated from the sale, loan, or rental of the city's tangible and intangible assets and includes interest earned on invested cash, short-and long-term rental income, concessionaire payments, and proceeds from the sale of surplus or abandoned property.

<u>Use of Net Position</u>: Refers to the allocation of money in a Proprietary or Fiduciary Fund that the city previously received from some source and did not expend. This category differs from all other listed categories because the amounts in question are the result of past receipts rather than projected income during the fiscal year.

**<u>Vision</u>**: A description of an organization's desired future state. The vision describes where the organization is headed, what it intends to be, or how it wishes to be perceived in the future.

<u>Voter-Approval Tax Rate</u>: A calculated maximum rate allowed by law without voter approval. Most taxing units calculate a voter-approval tax rate that divides the overall property taxes into two categories - M&O and debt service. The voter-approval tax rate provides cities and counties with about the same amount of tax revenue it spent the previous year for day-to-day operations plus an extra three and a half percent for operations and sufficient funds to pay debts in the coming year.

**<u>Voucher</u>**: A document indicating that a transaction has occurred. It usually specifies the accounts related to the transaction.
