

OVERVIEW

The Veterans Treatment Court (VTC) is a diversion program for Justice- Involved Veterans' (JIVs) who are currently facing prosecution for one or more criminal cases. The program offers offenders a treatment option that is judicially supervised. It is designed to divert JIVs out of the traditional criminal justice process and into appropriate rehabilitative alternatives. Once the JIV has been screened, assessed, and approved for participation in the program, he/she will promptly begin a treatment regimen that is specific to his/her needs.
