## District Clerk

Dear legal professionals,

As you know, we are working on replacing our computer systems. The new criminal case management went live in 2023.

Now, we must replace the case management system for Civil, Family, Juvenile and Accounting.

Our systems were initially built in the late 1980's and are proprietary – that means we pay no license fees and can update them when needed. Millions of dollars were therefore saved for the taxpayers.

Me and my staff are building the requirements for a new system so we can begin to solicit bids from vendors.

This is an arduous task but must be done before we begin to experience major breakdowns. With 66,000 new cases filed last year, we must be able to use our systems that are integrated with state and local entities. A crash of the system would be devastating to the operation of the District Courts and the Rule of Law.

Stay tuned for more later.

Regards,

A handwritten signature in cursive script that reads "Tom Wilder".

## Family/Civil Collections

The Family/Civil Collections section audits and reviews all cases after they close, as well as reconciling daily receipts and performing various accounting functions. The Collections Clerks are responsible for reviewing orders signed by the judge. If a party is ordered to pay court cost, Collections produces a cost bill detailing court cost ordered to be paid.

Once a billable party receives their cost bill, they will contact one of our Collections Clerks and they will work with them to set up a payment plan. The department utilizes various reminders such as phone calls, mail, and emails as a reminder for any past due court cost that was ordered to be paid.

This year the Family/Civil Collections section began utilizing an IVR system to increase volume and efficiency in the phone call process. The IVR system is an automated service that sends out regularly scheduled phone calls to parties who are delinquent in payment. Since initiation, the IVR system has made 8,349 calls and has collected \$33,930.52 based off those calls.

In FY24 Family/Civil Collections collected a total of \$408,490.71.

Our Family/Civil Collections staff consists of:

Jessica Gray, Accounting Manager: 817-884-1782

Dusty Pulliam, Accounting Collection Specialist: 817-212-7219

Cynthia King, Collections Clerk: 817-212-7538

Debbie Mahan, Collections Clerk: 817-884-2736

## A Farewell to our Family Assistant Manager

After seventeen dedicated years of service, our Family Assistant Manager Bill Hahn will be retiring this May from the District Clerk's Office. Since joining our team in 2008, Bill has become an invaluable member of our department, known for his exceptional work ethic and unwavering dedication.

Bill's colleagues know him as a reliable professional whose experience has helped guide our office through numerous challenges and transitions. His attention to detail and commitment to excellence have set a high standard for everyone who has had the pleasure of working alongside him.

When not in the office, Bill enjoys the simple pleasures of home life. A self-described homebody, he spends quality time with his beloved dog Baylee, who has been his faithful companion through the years. Bill can often be found unwinding with classic black and white films that showcase the golden age of cinema or keeping up with current events to stay informed about the world around him.

"Bill's experience, dedication and work ethic have been tremendous assets to our department," noted his manager. His presence will be deeply missed, but his influence will continue to be felt long after his retirement.

Please join us in wishing Bill all the best as he begins this new chapter in his life. The District Clerk's Office will not be the same without him, but we are grateful for his years of service and the lasting impact he has made on our team.
