

Medical Malpractice Research Guide

Overview

This research guide includes information and resources related to medical malpractice. Medical malpractice is defined as “a doctor’s failure to exercise the degree of care and skill that a physician or surgeon of the same medical specialty would use under similar circumstances” (*Black’s Law Dictionary, 11th ed.*). The resources listed below are not exhaustive and may not include the most up-to-date information. It is for information purposes only and should not be construed as legal advice or act as the substitute for legal counsel.
