

Paternity Research Guide

Overview

This research guide includes information and resources on paternity, including establishing paternity through the courts. A paternity case can establish the legal father for a child through the court to grant the father certain rights to the child as well as set up support for the child. This research guide is not exhaustive and may not have the most up-to-date information. It is for information purposes only and should not be construed as legal advice or act as the substitute for legal counsel.
