

Premarital Agreements Research Guide

Overview

This research guide includes information and resources on premarital agreements. Also known as a prenuptial agreement, a premarital agreement is “an agreement made before marriage usually to resolve issues of support and property division if the marriage ends in divorce or by the death of a spouse.” (*Black’s Law Dictionary, 11th ed.*) The resources listed below are not exhaustive and may not include the most up-to-date information. It is for information purposes only and should not be construed as legal advice or act as the substitute for legal counsel.
