

Workers' Compensation Research Guide

Overview

This research guide includes information and resources on workers' compensation. Workers' compensation is a system of providing benefits to an employee for injuries occurring in the scope of employment. (*Black's Law Dictionary, 11th edition*) The resources listed below are not exhaustive and may not include the most up-to-date information. It is for information purposes only and should not be construed as legal advice or act as the substitute for legal counsel.
