**RFP FOR ANNUAL CONTRACT FOR DEFENDANT-PAID CONTINUOUS ALCOHOL
MONITORING SERVICES**

The Texas Public Information Act gives the public the right to request access to government information, subject to certain narrow exceptions. Tarrant County is an entity subject to this Act. Therefore, please be advised that your company's declaration that certain information submitted in response to a Proposal is "confidential" will not be treated as such if Tarrant County receives a request for a copy of the Proposal. Tarrant County will, of course, make every effort to inform your company of such a request and to provide you with an opportunity to object to the release of any proprietary information per the procedure outlined in Texas Government Code Section 552.305. Notice to your company under Section 552.305 may be sent via either certified mail or e-mail using the contact information provided by you on the signature form. Please be advised that Tarrant County cannot and will not make an agreement to withhold information from the public contrary to Tarrant County's responsibilities under the Act.

Additionally, to the extent your proposal is incorporated into the contract, the proposal will become an official record available for public inspection.

Proposals shall be opened to avoid disclosure of contents to competing Respondents and kept secret during the process of negotiation. All Proposals that have been submitted shall be open for public inspection after the contract is awarded, except for trade secrets and confidential information contained in the proposals and identified as such.

All proposals shall specify terms and conditions of payment, which will be considered as part of, but not control, the award of the proposal. Tarrant County review, inspection, and processing procedures ordinarily require thirty (30) days after receipt of invoice, materials, or service. Proposals which call for payment before thirty (30) days from receipt of invoice, or cash discounts given on such payment, will be considered only if, in the opinion of the Tarrant County Purchasing Agent, the review, inspection, and processing procedures can be completed as specified.

Invoices shall be sent directly to the Tarrant County Auditor's Office, Attention: Accounts Payable, 100 East Weatherford, Room 506, Fort Worth, Texas 76196, or email to SAP-invoices@tarrantcountytx.gov. In accordance with the Prompt Payment Act, it is the intention of Tarrant County to make payment on completed orders within thirty (30) days after receipt of invoice or items; whichever is later, unless unusual circumstances arise. **Invoices must be fully documented as to labor, materials, and equipment provided and must reference the Tarrant County Purchase Order Number in order to be processed. No payments shall be made on invoices not listing a Purchase Order Number.**

Continuing non-performance of the Vendor in terms of specifications shall be a basis for the termination of the contract by Tarrant County. Tarrant County shall not pay for work, equipment, or supplies which are unsatisfactory. The Vendor will be given a reasonable opportunity before termination to correct deficiencies. This, however, shall in no way be construed as negating the basis for termination for nonperformance.

The **contract may be terminated** by either party upon written thirty (30) day notice prior to cancellation.

Proposals will be considered non-responsive if they show any omissions, alteration of form, additions or conditions not called for, or inconsistency of any kind. However, Tarrant County reserves the right to waive any inconsistencies and to make an award in the best interest of Tarrant County.

The vendor must agree that Tarrant County will have access during normal working hours to all necessary facilities, staff and workspace in order to conduct audits. III. POLICY GUIDELINES

- A. Tarrant County, its contractors, their subcontractors and suppliers, as well as all vendors of goods, equipment and services, shall not discriminate on the basis of race, color, creed, gender, age, religion, national origin, citizenship, mental or physical disability, veteran's status or political affiliation in the award and/or performance of contracts. All entities doing business or anticipating doing business with the County shall support, encourage and implement affirmative steps toward a common goal of establishing equal opportunity for all citizens and businesses of the county.
- B. Tarrant County will use and recognize the State of Texas certification process in conjunction with the implementation of this policy. The County does recognize other agencies' certifications. Tarrant County reserves the right to review the certification status of any vendor applying to do business with the County. This review will be accomplished to determine the validity and authenticity of the vendor's certification as a HUB.
- C. The Commissioners Court may establish HUB target goals. Through a systematic approach of soliciting quotes, bids and proposals from certified HUBs and in compliance with applicable state and federal law this policy will strive to meet those goals.
 1. Target goals should consider:
 - the availability of HUB firms within the specific category of goods or services to be procured; and
 - the diversity of the county's population.
 2. The goals should be reviewed and amended periodically.
 3. The program may apply to all County procurements including construction and professional services.
 4. Particular attention will be given to HUB participation on purchases in excess of the statutory bid limit.
 5. The Commissioners Court herein establishes a 20% good faith target goal for Tarrant County.

- D. Tarrant County will actively seek and encourage HUBs to participate in all facets of the procurement process by:
1. Continuing to increase and monitor a database of certified HUB vendors, professionals and contractors. The database will be expanded to include products, areas of expertise and capabilities of each HUB firm.
 2. Continuing to seek new communication links with HUB vendors, professionals and contractors to involve them in the procurement process.
 3. Continuing to advertise bids on the County's website and in newspapers including newspapers that target socially and economically disadvantaged communities.
 4. Continuing to provide bid notifications to minority Chambers of Commerce.
- E. As prescribed by law, the purchase of one or more items costing in excess of the statutory bid limit must comply with the competitive bid process. Where possible, those bids will be structured to include and encourage the participation of HUB firms in the procurement process by:
1. Division of proposed requisitions into reasonable lots in keeping with industry standards and competitive bid requirements.
 2. Where feasible, assessment of bond and insurance requirements and the designing of such requirements to reasonably permit more than one business to perform the work.
 3. Specification of reasonable, realistic delivery schedules consistent with the County's actual requirements.
 4. Specifications, terms and conditions reflecting the County's actual requirements are clearly stated, and do not impose unreasonable or unnecessary contract requirements.
- F. A HUB Policy statement shall be included in all specifications. The County will consider the bidder's responsiveness to the HUB Policy in the evaluation of bids and proposals. Failure to demonstrate a good faith effort to comply with the County's HUB policy may result in a bid or proposal being considered non-responsive to specifications.
- G. The Tarrant County Purchasing Department will actively seek the participation of HUB firms in the quotation process for purchases under the statutory bid limit. HUB firms will be identified on the computerized database and linked to the commodities they represent. Buyers will be encouraged to use available internal and external databases of certified HUB firms.

- H. Nothing in this policy shall be construed to require the County to award a contract other than to the lowest responsive bidder meeting specifications as required by law. This policy is narrowly tailored in accordance with applicable law.

IV. ADMINISTRATIVE GUIDELINES

- A. The Tarrant County Purchasing Department shall serve as the County's HUB Office with responsibility for the implementation, monitoring and general operations of the HUB policy. The Purchasing Agent shall serve as the County HUB Officer.
 - 1. The HUB Officer will establish procedures to implement this policy across the full spectrum of the procurement process. The County HUB Office will periodically review with department head and elected officials regarding procurement opportunities.
 - 2. Managing the policy and training buyers and other County personnel in order to meet County goals will be the responsibility of the HUB Office.
 - 3. The HUB Office will cooperate with other local government entities to increase HUB participation throughout the county and region. The HUB Office is encouraged to participate in educational and other outreach programs to assist HUB firms.
 - 4. The HUB Officer will receive and review complaints and recommendations regarding the implementation of the HUB Policy and the good faith efforts of bidders. Further, the HUB Office will audit for compliance to the HUB Policy on eligible projects after award, during the performance of the contract and after completion, while also making any recommendations to Commissioners Court regarding any irregularities or misrepresentation of facts as they relate to compliance with the policy. The HUB Office will review documentation submitted by HUB firms in compliance with this policy.
 - 5. An annual report along with recommendations shall be provided to the Commissioners Court and Purchasing Board. The annual report will provide statistical data and efforts reflected in the number of purchase orders, value of goods and services purchased, percentages to HUB firms, and outreach and marketing efforts. Other statistics may be required or requested by the Commissioners Court or Purchasing Board.
