Voucher Ag

This voucher is priced at \$19.50 each and cannot exceed 5 cubic yards per drop-off (typically a 1an 8'x6' single axle trailer). Items can be working or non-working. These are the items that are included with a type A voucher:

- Brush and yard trimmings
- Recyclables such as clean and dry paper items, cardboard boxes, office paper, rinsed and empty plastic containers, glass, steel and aluminum containers and cans, etc.
- Small appliances and electronics such as microwaves, toasters, blenders, electric skillets, electronic toys, stereos, clock radios, tablets, iPods, etc.
- Large appliances such as washers/dryers
- Bulky/mixed trash such as broken furniture, vacuums, mops/brooms, framed mirrors, windows or doors, patio umbrellas, etc.

Voucher Bg

This voucher is priced at \$32.50 each for material list under voucher A and special waste items combined but cannot exceed 5 cubic yards (typically an 8'x6' single axle trailer). These are the items considered special waste and classified as a type B voucher:

- Residential building materials and household construction debris such as carpet, drywall, lumber, and insulation
- Tires (limited 4 per voucher)
- Freon containing items (limited 3 per voucher)
- Televisions and computer monitors/screens (limited 3 per voucher)

If you do not see specific items listed, please contact the Tarrant County Transportation Department to see if the item(s) will be acceptable.

Things to Remember!

Items not accepted

Materials such as roofing shingles, rock concrete, asphalt, dirt, ceramic tiles, asbestos, PCBs, household chemical waste, radioactive items (oil field pipes and smoke detectors) and ammunition are not acceptable materials and are excluded from both vouchers.

Things to bring with you

Be sure to have the physical voucher and a valid driver's license to the drop-off station. The facility's staff will need to keep the voucher at the check in station. (Note: Voucher is only valid for one use.)

Types of vehicles

- **Dual-axle trailers are not allowed, only single-axle trailers permitted.**
- All loads must be covered and/or secured to prevent loose debris from falling out during transit.
- Box trucks (U-Haul or other) are not allowed, only single-axle trailers permitted.
- Commercial labeled vehicles are not allowed.
- Landscapers and contractors must dispose of waste at a permitted mulching or compost site.
